Paradise Renewed S. J. Beguely,2024-08-23 This story begins in a future beyond the apocalypse in the year 2082 AD CE by our calendar Mill 40 in what will be the Millennial calendar A married couple Jonathan and Sarah live a simple though challenging life in a world that has been through unutterable torment and yet is healing faster than anyone could have foreseen They face a reality no one has experienced on earth before or during the apocalyptic events which ravaged the planet Coexisting with them are human beings who live well beyond the normal four score years and ten and whose health never seems threatened they live on young of heart and soul immortal flesh and bone while our generations pass mortal to

the grave Seeking answers to their many spiritual and practical questions they are helped by one of the immortals who tells them the story of his life particularly during the apocalyptic events which led to their present situation on earth Their faith deepens and an incredible vision for their future opens up *The Deceit Of Secret Rapture Theory* Zélio Cabral,2016-05-30

Adherents of the Pre trib claim that God will not allow the Church suffers in the period known as the Great Tribulation But does God s Word really teaches that there will be a secret rapture seven years before the Great Tribulation For Jesus clearly states in Matthew 24 31 and the apostle Paul in 1 Thessalonians 4 16 17 confirms that there is nothing secret and silent in his second coming Another incongruity of this view is the idea of a rapture to take the Church and the Holy Spirit before the earth before the Antichrist manifestation If this were the case the Antichrist would be anti what A reductionism of the mission of the Church and of the Holy Spirit and to promote escapism and alienation hurts the good sense Christians of the generation of Christ s return are better of the early Christians No Absolutely not In this book the author exposes the true teaching of Scripture on this subject Starting with the teaching of Jesus and his apostles warned that the Church of all times that it would pass through many tribulations including the so called Great Tribulation Therefore you reader who sticks to the pre trib position or you reader who does not adhere to any eschatological position of Christ s return I invite you to read this book reflect and analyze for yourself as the Bereans did at the time of apostle Paul and thus convince the dangerous path wide and spacious pre trib teaching which is apostasy deviation from sound apostolic doctrine and walk according to the teaching of the Lord Jesus which was confirmed by his apostles and is defended by over 1800 years in the history of the Church and also for all those who are and who truly love the Tour of his Lord and Savior Jesus Christ **The Revelation** David W. Edwards,2023-06-29 How many times is Armageddon mentioned in the Bible Where do we find mention of the antichrist What is the mark of the beast How many battle scenes are there in the Revelation How many battles are there in the Revelation Which is the most musical book in the New Testament Where can I find a calendar of end times events These and many more questions are answered in this hopeful and inspiring treatment of one of the most controversial books of the Bible According to the author the book of the Revelation should bring hope and confidence to the Christian life not fear and despair It is a book that looks forward with the joyful anticipation of faith to the return of Christ and the ultimate restoration of God s good creation **Babylon and the Brethren** James Harding,2015-10-22 This book is a history of the Whore of Babylon image found in the book of Revelation with an emphasis upon the use and influence of the text on the Brethren of the nineteenth century The Brethren developed a multi layered exegesis of the text using Babylon as a form of vituperative rhetoric through which to vilify all other Christians in order to define their own religious identity Those with divergent doctrinal beliefs belonged to an epistemological Babylon those polluted by the world belonged to secular Babylon Babylon was contagious It is from the pens of these writers that the Secret Rapture of the Church doctrine developed as a biological fight or flight response and a psychological fear and fantasy response Whilst the Brethren of the nineteenth century are the

central focus the book will have a wider appeal to those interested in the history of exegesis hermeneutics and Apocalypse studies for it also offers an overview of hermeneutical approaches to the reading of Revelation a survey of Babylon s afterlife throughout the history of the church and new insights into the ways in which readers texts and contexts interact in the broader context of sectarian biblical exegesis

The Elijah Diaries Bernard Johnson, Susan LeRoux, 2014-12-16 Young Lauren dwells in an inquisitive world where the lines separating fantasy from reality are often blurred But not even with her nave heightened sense of daring could she be prepared for the unreal events characters creatures and bizarre adventures of her kidnapping

The Commandments of Men Jon N. Cornelius, 2008-05 Inside these pages you will find the truth that is taught in God s Holy Word It says in Proverbs the 23rd chapter and the 23rd verse Buy the truth and sell it not And in 2nd Timothy the 2nd chapter and the 15th verse Be diligent to present yourself approved to God a worker who does not need to be ashamed rightly dividing the word of truth The Commandments of Men even today have drawn untold millions of people away from the truth that is found in the Word of God Many doctrines are being taught by those in authority who say that these doctrines are essential to our salvation and then they will say that even though these doctrines are not very clearly taught in the Word of God they are implied which according to Webster s dictionary is Something suggested or understood without being openly or directly expressed Let s get serious now Wouldn t you think that something that is essential to our salvation would be taught very plainly in the Word of God Something good to always remember and you will never get into trouble If God doesn t say it don t believe it
