Shapiro, 2006 Open your heart and mind and discover through the sacred art of lovingkindness the image and likeness of God in yourself and others The question at the heart of this book is this Will you engage this moment with kindness or with cruelty with love or with fear with generosity or scarcity with a joyous heart or an embittered one This is your choice and no one can make it for you Heaven and hell are both inside of you It is your choice that determines just where you reside from the Introduction We are all born in the image of God but living out the likeness of God is a choice This inspiring practical guidebook provides you with the tools you need to realize the divinity within yourself recognize the divinity within others and act on the obligation to manifest God's infinite compassion in your own life Guided by Rabbi Rami Shapiro you will explore Judaism's Thirteen Attributes of Lovingkindness as the framework for cultivating a life of goodness Shapiro translates these attributes into practices drawn from the teachings of a variety of faith traditions that allow you to actualize God's glory through personal deeds of lovingkindness You will enrich your own capacity for lovingkindness as you Harvest kindness through compassionate honesty Make room in your heart for reality Recognize the manifestations of God Embrace the paradoxical truth of not knowing Be present in the moment Do right by others With candor wit and honesty Shapiro shows you that by choosing to act out of love rather than fear with kindness rather than anger you can transform how you perceive the world and ultimately lead a more complete spiritual life Rumi and Islam ,2011-07-21 Discover the richness of Rumi s spiritual tradition through facing page commentary that brings his writings to life for you This book you are now holding is a selection of what I believe are the best of Rumi s accounts of the compassionate actions sayings and qualities of the Prophet which include Rumi's own inspired comments and explanations It is my hope that you will be surprised and uplifted by the profound wisdom that Jalaluddin Rumi conveys through these stories and sayings from the Preface This great Sufi poet and teacher can become a companion for your own spiritual journey The lyric and wisdom poetry of Mawlana Jalaluddin Rumi has been an inspiration throughout the Middle East and Asia for over seven hundred years Recently it has also become popular in Western countries through translations and interpretive poetic versions in English But while popular renderings have created the appreciation of Rumi the mystic there is little understanding today of the religious and spiritual traditions from which the great mystic came Rumi and Islam Selections from His Stories Poems and Discourses examines not the popularized Rumi of universal love but the Sufi disciple whose works express deep reverence for the Prophet Muhammad Ibrahim Gamard focuses on Rumi's place within the Sufi tradition of Islam as one of the greatest Muslim

followers of the Prophet Muhammed and on the Islamic foundations of his lover Beloved mystical poetry By probing verse by verse Rumi's spiritual teachings Gamard provides insight into the mystical side of the Qur an and Islam a religion that holds a deep love of God at its core Now you can experience the profound and uplifting wisdom of Rumi even if you have no previous knowledge of Sufism or Islam This SkyLight Illuminations edition presents the most important of Rumi s writings mainly from the Mathnawi with insightful yet unobtrusive commentary that conveys how his teachings about the nature of love for God and God's love for us can increase our understanding of Islamic wisdom in the West The Juggler of Notre Dame and the Medievalizing of Modernity Jan M. Ziolkowski, 2018-06-11 This ambitious and vivid study in six volumes explores the journey of a single electrifying story from its first incarnation in a medieval French poem through its prolific rebirth in the nineteenth and twentieth centuries The Juggler of Notre Dame tells how an entertainer abandons the world to join a monastery but is suspected of blasphemy after dancing his devotion before a statue of the Madonna in the crypt he is saved when the statue delighted by his skill miraculously comes to life Jan Ziolkowski tracks the poem from its medieval roots to its rediscovery in late nineteenth century Paris before its translation into English in Britain and the United States The visual influence of the tale on Gothic revivalism and vice versa in America is carefully documented with lavish and inventive illustrations and Ziolkowski concludes with an examination of the explosion of interest in The Juggler of Notre Dame in the twentieth century and its place in mass culture today The Juggler of Notre Dame and the Medievalizing of Modernity is a rich case study for the reception of the Middle Ages in modernity Spanning centuries and continents the medieval period is understood through the lens of its post modern reception in Europe and America Profound connections between the verbal and the visual are illustrated by a rich trove of images including book illustrations stained glass postage stamps architecture and Christmas cards Presented with great clarity and simplicity Ziolkowski s work is accessible to the general reader while its many new discoveries will be valuable to academics in such fields and disciplines as medieval studies medievalism philology literary history art history folklore performance studies and reception studies The Fool Returns Block. Between God and Beast Avraham Balaban, 2011-11-30 In Between God and Beast Avraham Balaban argues that Oz s fiction has from the outset followed Jung s psychological theory. The major psychic processes that are depicted throughout Oz s prose are typically Jungian For example the treasure hunt which is the deep structure of many of Oz s stories and novels reflects the search for the self in which all the vying forces of one s psyche coexist peacefully. Oz uses many of the symbols of the treasure as well as of the self as they are presented by Jung Many of the symbols examined in this study have never before been discussed in articles about Oz s writings Balaban also devotes a considerable portion of his study to the religious dimension of Oz s work as well as the impact of his personal life on his writings Balaban reveals that from the beginning Oz s work has moved in two directions it demonstrates an unceasing effort to delve ever deeper into the dark side of consciousness while heightening the contrast between the opposing elements vying within his protagonists and it consistently attempts to bring those oppositions to peaceful coexistence and even to a fruitful mutual relationship Cloud of Witnesses Claire Dwyer, 2024-12-19 Marble statues stained glass windows silver medals laminated holy cards the saints are memorialized in a myriad of ways But the greatest way to remember our brothers and sisters in Christ who have been recognized by the Church for their heroic virtue Tell their story And not only tell their story as something in the past but continuing in the present In our present Their lives are entwined with our own The saints are still alive more real than ever

The stories in this book are not just chronicles of historical figures from the past but friends very much involved in our present Each writer shares about a particular saint and how that saint has shown up in their life in marvelous ways Read how St Elizabeth of the Trinity was caught hiding in a retreat center St Thorlak helped an overwhelmed mother embrace the challenges of autism St Anthony led to the discovery of something far more valuable than what was lost Mother Teresa inspired a couple s adoption journey Venerable Patrick Peyton's intercession liberated a working mom to live out her primary vocation and much much more Let this cloud of witnesses both the writers and their heavenly friends inspire you to keep running your own race and to remember that you are never never alone A Man Named Joseph Joe Heschmeyer, 2021-03-05 After spending more than a millennium in relative obscurity Saint Joseph has become the second most mentioned saint in the papal magisterium after the Virgin Mary To understand the life and importance of Saint Joseph a good place to start is with the first papal title ever granted him Patron of the Universal Church What is it that Saint Joseph has to offer the Church and each one of us today That s the question that A Man Named Joseph Guardian for Our Times seeks to answer To get there author podcaster and blogger Joe Heschmeyer cuts through a lot of our misconceptions to see what the Bible and the earliest Christians really say about Joseph as a model husband father and saint Questions at the end of each chapter help guide personal reflection and group discussion Whatever we may be facing in life we can go to Joseph for his example his protection and his prayers ABOUT THE AUTHOR Joe Heschmeyer is an instructor at the Holy Family School of Faith and the author of Who Am I Lord Finding Your Identity in Christ and Pope Peter Defending the Church's Most Distinctive Doctrine in a Time of Crisis He cohosts The Catholic Podcast and blogs at ShamelessPopery com Previously he was a litigator in Washington D C and a seminarian for the Archdiocese of Kansas City in Kansas He lives in the Kansas City area with his wife and two children Saints Alive!: The Faith Proclaimed Mary Lea, Marie Paul, Celia Sirois, 2019-03-25 Combining the art of storytelling with biography Church history and Catholic teaching and belief this collection shows how real people lived the eight beatitudes and seven sacraments revealing the richness of the Christian life and offering inspirational models of the faith
