Hidden Side Of Christian Festivals 1920:

The Hidden Side of Christian Festivals C. W. Leadbeater, 2014-03 This Is A New Release Of The Original 1920 Edition

The Hidden Side of Christian Festivals Charles Webster Leadbeater, 1920 *Cargo Cults and Millenarian Movements* G. W. Trompf, 2012-10-25 The series Religion and Society RS contributes to the exploration of religions as social systems both in Western and non Western societies in particular it examines religions in their differentiation from and intersection with other cultural systems such as art economy law and politics Due attention is given to paradigmatic case or comparative studies that exhibit a clear theoretical orientation with the empirical and historical data of religion and such aspects of religion as ritual the religious imagination constructions of tradition iconography or media In addition the formation of religious communities their construction of identity and their relation to society and the wider public are key issues of this series *Subject Index of Modern Books Acquired* British Library, 1922 **Subject Index of the Modern Books Acquired by the British**

Museum in the Years ... British Museum, 1922 *Subject Index of the Modern Books Acquired by the British Museum in the Years 1916-1920* British Museum. Department of Printed Books, 1922 **Subject Index of the Modern Works Added to the British Museum Library** British Museum. Department of Printed Books, 1922 **Subject Index of the Modern Works Added to the Library of the British Museum in the Years ...** British Museum, 1922 **Christ in Egypt** D. M.

Murdock, Acharya S, 2008-12 This comparative religion book contains a startling perspective of the extraordinary history of the Egyptian religion and its profound influence upon the later Christian faith The text demonstrates that the popular god Horus and Jesus possessed many characteristics and attributes in common *The Encyclopedia of Cults, Sects, and New Religions* James R. Lewis, 2001-03 Surpassing the scope and the thoroughness of the first edition this new edition of The Encyclopedia of Cults Sects and New Religions is the most wide ranging and accessible resource on the historically significant and more obscure sinister and bizarre religious groups Including many entries by scholarly specialists this volume explains more than 1 000 diverse groups and movements from such well known sects as the Branch Davidians Aum Shinrikyo and Heaven s Gate to obscure groups like Ordo Templi Satanas Witches International and the Nudist Christian Church of the Blessed Virgin Jesus In addition to an exhaustive index and handy cross references the second edition includes over a hundred new topical entries on subjects relevant to understanding sectarian movements from snake handling and satanic ritual abuse to brainwashing and exorcism This book a must for all libraries and schools will endure as the first and only point of reference for researchers scholars students and anyone interested in fringe religious groups Awakening The Universal Heart Serge Beddington-Behrens, 2013-08-01 I invite you to come on a journey with me into one of the most important yet often most neglected dimension of yourself namely your heart I want to help you discover as I have slowly been discovering that our hearts not only hold the key to our being able to live a fuller and more meaningful life but also to our being able to play a part in helping heal our planet The change needed is a shift out of our primarily head focus into

becoming increasingly heart centred where we are connected to our hearts and are potentially capable of moving mountains We are only going to be good activists if we have plenty of heart in our lives if we are big hearted with a well activated Heart A culture of Heart is vital if we are to heal the many wounds and splits that exist between different classes religions tribes and nations The book has been written from a place of great hope and joy based on knowledge that our world is changing and that the planetary heart is at last awakening

Hartmann's Who's who in Occult, Psychic and Spiritual Realms...in the United States and Foreign Countries ,1927 Introduction to New and Alternative Religions in America William M. Ashcraft,Eugene V. Gallagher,2006-10-30 Most new or alternative religious are gravely misunderstood by members of the religious mainstream Labeled cults or sects groups and their members are often ridiculed or otherwise disregarded as weird and potentially dangerous by the populace at large Despite their efforts at educating the general public the various anti and counter cult activists have in fact promoted much more mis understanding than accurate understanding of the religious lives of some of their fellow citizens Consequently they have helped to create a very hostile environment for anyone whose religious practices do not fit within a so called mainstream This set rectifies the situation by presenting accurate comprehensive authoritative and accessible accounts of various new and alternative religious movements that have been and are active in American society and it addresses ways of understanding new and alternative religions within a broader context Determining what actually constitutes a new or alternative religion is a subject of constant debate Questions arise as to a new faith s legitimacy beliefs methods of conversion and other facets of a religious movement s viability and place in a given culture How a religion gains recognition by the mainstream which often labels such new movements as cults is fraught with difficulty tension and fear Here experts delineate the boundaries and examine the various groups beliefs movements and other issues related to new faiths and alternative beliefs Readers will come away with a fuller understanding of the religious landscape in America today Volume 1 History and Controversies discusses the foundations of new and alternative religions in the United States and addresses the controversies that surround them This volume helps readers better understand what makes a new or alternative belief system a religion and the issues involved Volume 2 Jewish and Christian Traditions explores the various new religions that have grown out of these two Abrahamic faiths Groups such as the Shakers the People s Temple the Branch Davidians Jehovah s Witnesses and others are examined Volume 3 Metaphysical New Age and Neopagan Movements looks at Shamanism Spiritualism Wicca and Paganism among other movements as they have developed and grown in the U S These faiths have found new and devoted followers yet are often misunderstood Volume 4 Asian Traditions focuses on those new and alternative religions that have been inspired by Asian religious traditions From Baha i to Soka Gakkai from Adidam to the Vedanta Society contributors look at a full range of groups practicing and worshiping in the U S today Volume 5 African Diaspora Traditions and Other American Innovations examines the various traditions linked to the African diaspora such as Rastafarianism Santeria and the Nation of Islam alongside

traditions that are truly American incarnations like Scientology UFO religions and Heaven s Gate Some of the new and alternative religions covered in these pages include Shamanism Wicca Black Israelites Santeria Scientology Elan Vital Hare Krishna Soka Gakkai and many more The Hidden Side of Christian Festivals C. W. Leadbeater,2013-09 This historic book may have numerous typos and missing text Purchasers can usually download a free scanned copy of the original book without typos from the publisher Not indexed Not illustrated 1920 edition Excerpt CHAPTER VII LENT OUR ATTITUDE TOWARDS LENT The word Lent means spring for in the northern hemisphere where the Christian faith began Lent is necessarily always observed in that season of the year as it is the time of preparation for the Easter festival the date of which is determined by the vernal equinox This period of preparation is intended to last for forty days and as it has been made a penitential season it was felt that the Sundays which are always joyous in commemoration of the Resurrection could not be included so that the first day of Lent commonly called Ash Wednesday is actually forty six days before Easter That curious name was given to the day because of a quaint mediaeval custom of smearing ashes on the forehead on that occasion as a token of sorrow for sin a custom derived from the ancient Jews Even now in churches of the Roman obedience the sanctified palm branches which have been preserved since Palm Sunday of the previous year are burnt on Ash Wednesday and the priest dipping his thumb into the ashes makes a cross therewith on the forehead of each member of his congregation before beginning the Mass We have not adopted this custom in our Liberal Catholic Church as it is not in harmony with our attitude in these matters The present idea of observing the forty days of Lent was unknown in the early Church It began with a celebration of forty hours nt forty days 129 It was calculated that the Christ or rather His body lay in the sepulchre about forty hours and it was thought by many earnest Christians that it was a meet and fitting thing to observe that time during which the body of our Lord was untenanted as a time of fasting Fasting then probably meant absolutely going without food **Independent Bishops** Gary L. Ward,Bertil Persson,Alan M. Bain,1990 **Christian Gnosis** C. W. Leadbeater,2012-12-13 Then shall the candidate be bound upon the wooden cross After the third day he shall be brought back from the dead and carried up to heaven to be on the right hand of Him from whom he came Surprisingly these lines are from an Egyptian initiation ritual thousands of years before the Christian drama Linking the two is just one fascinating element in this profound introduction to esoteric Christianity as timely today as when it was first published in 1920 Famed clairvoyant Charles Webster Leadbeater was a bishop of the Liberal Catholic Church which preserves the sacraments while interpreting the scriptures with maximum freedom He quotes St Augustine himself saying that what we now call Christianity emerged at the very beginning of humanity as the one true religion To access its transformative force Leadbeater returns to original teachings and decodes its story symbolically as a guide for direct knowledge Gr gnosis of the Divine As Christ had the Godhead behind Him so have we the same power although not yet unfolded as fully he says Nevertheless it is only a question of development and that development is certain With the authority of a scientist and a mystic he addresses such topics as the birth of Christ in the
