## Hidden Ulster:

**A Hidden Ulster** Padraigin Ni Uallachain,2003      *Hidden Ulster* Pádraig Ó Snodaigh,1973      *A Hidden Ulster* Pádraigín Ní Uallacháin,2003 This book is the first major study of the Gaelic song tradition in an area which was the main center of literature in Leath Chuinn the northern half of Ireland from the end of the 17th century to the middle of the 19th century Written in English it gives text source music and the translation of 54 songs mainly vision poems laments courtly love songs and the songs of the people The collection includes material from recently discovered music manuscripts which are reconnected here to their original texts The catalogue section includes facsimile copies of unpublished dance tunes As both a researcher and traditional singer N Uallach in gives a unique insight into her native Gaelic song tradition      **A Hidden Ulster** Pádraigín Ní Uallacháin,2003 This book is the first major study of the Gaelic song tradition in an area which was the main center of literature in Leath Chuinn the northern half of Ireland from the end of the 17th century to the middle of the 19th century Written in English it gives text source music and the translation of 54 songs mainly vision poems laments courtly love songs and the songs of the people The collection includes material from recently discovered music manuscripts which are reconnected here to their original texts The catalogue section includes facsimile copies of unpublished dance tunes As both a researcher and traditional singer N Uallach in gives a unique insight into her native Gaelic song tradition

Hidden Secrets David Owen,2002 History of espionage around the world including descriptions of the technology used

**Hidden History** Gerry Docherty,James MacGregor,2013-07-04 Think you know about British history and the causes of the First World War Think again This fascinating and gripping study of events at the turn of the Twentieth Century is a remarkable insight into how political and social factors that we widely accept to be the causes of The Great War were really just a construct put together by a very small but powerful political elite Thought provoking Docherty and Macgregor do not mince their words their arguments are powerful Britain at War Simply astonishing Reader review Very illuminating Reader review You simply MUST read this book Reader review This is a page turner Reader review Hidden History uniquely exposes those responsible for the First World War It reveals how accounts of the war s origins have been deliberately falsified to conceal the guilt of the secret cabal of very rich and powerful men in London responsible for the most heinous crime perpetrated on humanity For ten years they plotted the destruction of Germany as the first stage of their plan to take control of the world The assassination of Archduke Franz Ferdinand was no chance happening It lit a fuse that had been carefully set through a chain of command stretching from Sarajevo through Belgrade and St Petersburg to that cabal in London Our understanding of these events has been firmly trapped in a web of falsehood and duplicity carefully constructed by the victors at Versailles in 1919 and maintained by compliant historians ever since The official version is fatally flawed warped by the volume of evidence they destroyed or concealed from public view Hidden History poses a tantalising challenge The authors ask only that you examine the evidence they lay before you      The Unseen Truth: Ireland's Hidden History Pasquale

De Marco,2025-04-13 Journey through the captivating history culture and spirit of Ireland in this comprehensive exploration of its past present and future From ancient civilizations to modern day triumphs discover the stories people and events that have shaped this remarkable nation Unravel the complexities of Ireland s historical turning points including the Great Famine the Easter Rising and the Troubles in Northern Ireland Witness the resilience of the Irish people as they navigate adversity and strive for independence peace and prosperity Delve into the rich tapestry of Irish culture exploring its traditions arts and literature Discover the haunting melodies of traditional Irish music the literary giants who have graced its shores and the vibrant cultural heritage that has captivated the world Examine the social and political landscape of contemporary Ireland examining its challenges and opportunities in the 21st century From economic growth and innovation to the ongoing quest for peace and reconciliation gain insights into the factors shaping Ireland s future and the determination of its people Through this exploration witness the indomitable spirit of the Irish people who have emerged stronger from centuries of adversity Their story is a testament to the power of resilience the importance of unity and the enduring legacy of a nation that refuses to be defined by its past Immerse yourself in the history culture and spirit of Ireland through this comprehensive and engaging narrative Discover the essence of this captivating nation and gain a deeper appreciation for its people heritage and enduring spirit If you like this book write a review on google books **Hidden**

**Ulster** Pádraig Ó Snodaigh,1995 **The Hidden Famine** Prof. Christine Kinealy, Gerard Mac Atasney,2000-09-20 Between 1845 and 1852 Ireland was devastated by the Great Hunger the most severe famine in modern European history The view widely held by historians is that the impact of the Famine on the northern province of Ulster in particular the largely Protestant city of Belfast was minimal In the first book on the Famine to focus specifically on Belfast Christine Kinealy one of Ireland s leading historians of the period and Gerard MacAtasney challenge this view and offer a new interpretation Drawing on a wealth of original research Kinealy and MacAtasney begin with an examination of society and social behaviour in Belfast prior to 1845 They then assess the official response to the crisis by the British government the response by the Church in both England and Ireland and the part played by the local administration in Ulster The authors examine the impact of the cholera epidemic on Belfast in 1849 50 the city s recovery after the Famine and the beginnings of open sectarianism among the business and landed classes of the province *The Scots-Irish Compact: Unlocking a Hidden Past* Pasquale De

Marco,2025-05-07 *The Scots Irish Compact Unlocking a Hidden Past* tells the fascinating story of the Scots Irish people in America From their arrival in the 18th century to their contributions to the American Revolution the Civil War and beyond the Scots Irish have left an enduring legacy on the nation This book explores the rich history and culture of the Scots Irish people in America It begins by examining their origins in Scotland and Ireland and their migration to the New World It then traces their contributions to American society from their role in the founding of the nation to their involvement in major wars and social movements The book also explores the Scots Irish cultural heritage including their music dance and literature The

Scots Irish have often been described as a bridge between the British and American cultures They brought with them to America a strong sense of independence and a commitment to individual liberty They also played a key role in the development of American democracy serving as leaders in government and the military In recent years there has been a renewed interest in Scots Irish history and culture This is due in part to the growing popularity of genealogy and the desire of many Americans to learn more about their roots It is also due to the increasing recognition of the Scots Irish contributions to American society This book is intended to provide a comprehensive overview of the history and culture of the Scots Irish in America It is written in a clear and concise style and is accessible to a wide range of readers It is also well researched and documented making it a valuable resource for anyone interested in learning more about this fascinating group of people The Scots Irish Compact Unlocking a Hidden Past is the definitive guide to the history and culture of the Scots Irish in America It is a must read for anyone interested in American history culture or genealogy If you like this book write a review on google books

[The Last of the Celts](#) Marcus Tanner,2004-01-01 Award winning author Tanner has journeyed throughout the Celtic world from the wilds of Northwest Scotland to the Isle of Man and from Boston to Cape Breton seeking the Celtic past and what remains of authentic culture

**Northern Ireland** Rona M. Fields,1980-01-01 The troubles in Ireland are not new They have taken a heavy toll in lives and perhaps more importantly in psychological health From testing and interviews with the children women and men of Northern Ireland beginning in 1969 Fields has developed a case study of the long term effects of stress on a population She identifies certain social control mechanisms which produce a mixture of chaos and docility in the troubled North and argues that England has established these in order to destroy the identity of the people a process of psychological genocide This volume applies social psychological theory to a concrete and ongoing situation in a way that is illuminating for the general reader and for the specialist Fields has done what might appear obvious to find out the effects of stress on a population by going to that population and observing what their lives are like The remarkable fact is that until now no one has done so

**Summary of Gerry Docherty & James MacGregor's Hidden History** Everest Media,2022-05-10T22:59:00Z Please note This is a companion version not the original book Sample Book Insights 1 The Anglo American Establishment was a plan drawn up by three men in London in 1891 to take over foreign policy control in Britain and the United States It aimed to renew the Anglo Saxon bond between Great Britain and the United States and expand the British Empire s influence

[Seamus Heaney's Gifts](#) Henry Hart,2024-12-13 The fact of the matter Seamus Heaney said in a 1997 interview with the Paris Review is that the most unexpected and miraculous thing in my life was the arrival in it of poetry Throughout his career Heaney who received the 1995 Nobel Prize in Literature maintained that poetry came to him from a mysterious source like a gift of grace He also believed that the recipient of this sort of boon had an ethical obligation to share it with others Seamus Heaney s Gifts by the noted scholar and poet Henry Hart offers the first comprehensive examination of Heaney s preoccupation with gifts and gift exchange Drawing on extensive research in

Heaney's papers as well as three decades of correspondence with the poet Hart presents a richly detailed study of Heaney's life and work that foregrounds the Irishman's commitment to the vocation of poetry as a public art to be shared with audiences and readers around the world. Heaney traced his devotion to gifts back to the actual present of a Conway Stewart fountain pen that his parents gave him at the age of twelve when he left his family farm in Northern Ireland to attend a private Catholic secondary school in Londonderry. He commemorated this gift in *Digging*, the first poem in his first book, and in two poems he wrote near the end of his life, *The Conway Stewart* and *On the Gift of a Fountain Pen*. Friends and doctors had warned him that his endless globetrotting to give lectures and poetry readings had damaged his health. Yet he felt obligated to share his talent with audiences around the world until his death in 2013. As Hart shows, Heaney found his first models for gift giving in his rural community in Northern Ireland, the Bible, the rituals of the Catholic Church, and the literature of mystical and mythical quests. Blending careful research with evocative commentaries on the poet's work, *Seamus Heaney's Gifts* explains his ideas about the artist's gift, the necessity of gift exchange acts, and the moral responsibility to share one's talents for the benefit of others. *The Gun in Politics* J. Bowyer Bell, 2017-07-12 Irish history sounds a long litany of grievance and vengeance: lost battles, escaped earls, and institutionalized injustice. The gun certainly in this century has played a prominent part. In *The Gun in Politics* J. Bowyer Bell presents the story of one Ireland, the Ireland of the Troubles, and about an approach to understanding political violence. In particular, he examines the Irish Republic Army, the longest enduring unsuccessful revolutionary organization. He describes the covert world of gunmen and the great game they play in the street. This is a lively telling account of sophisticated weapons transfer, the impact of civil war on society, and of appropriate democratic responses to terrorism. Bell's association with active Republicans, his endless tea seminars at the United Irishman, drinks at Hennessy's, and constant conversation throughout Ireland on political matters over a period of twenty years, has provided the author with unique background for this guide to a fascinating though brutal undercurrent of Irish history. Traditional Music and Irish Society: Historical Perspectives Martin Dowling, 2016-02-24 Written from the perspective of a scholar and performer, *Traditional Music and Irish Society* investigates the relation of traditional music to Irish modernity. The opening chapter integrates a thorough survey of the early sources of Irish music with recent work on Irish social history in the eighteenth century to explore the question of the antiquity of the tradition and the class locations of its origins. Dowling argues in the second chapter that the formation of what is today called Irish traditional music occurred alongside the economic and political modernization of European society in the late eighteenth and early nineteenth centuries. Dowling goes on to illustrate the public discourse on music during the Irish revival in newspapers and journals from the 1880s to the First World War, also drawing on the works of Pierre Bourdieu and Jacques Lacan to place the field of music within the public sphere of nationalist politics and cultural revival in these decades. The situation of music and song in the Irish literary revival is then reflected and interpreted in the life and work of James Joyce, and Dowling includes treatment of

Joyce's short stories *A Mother and The Dead* and the Sirens chapter of *Ulysses* Dowling conducted field work with Northern Irish musicians during 2004 and 2005 and also reflects directly on his own experience performing and working with musicians and arts organizations in order to conclude with an assessment of the current state of traditional music and cultural negotiation in Northern Ireland in the second decade of the twenty first century

**The Routledge Handbook of the Northern Ireland Conflict and Peace** Laura McAtackney, Máirtín Ó Catháin, 2023-11-13 The Routledge Handbook of the Northern Ireland Conflict and Peace is the first multi authored volume to specifically address the many facets of the 30 year Northern Ireland conflict colloquially known as the Troubles and its subsequent peace process This volume is rooted in opening space to address controversial subjects answer key questions and move beyond reductive analysis that reproduces a simplistic two community theses The temporal span of individual chapters can reach back to the formation of the state of Northern Ireland with many starting in the late 1960s to include a range of individuals collectives organisations understandings and events at least up to the Good Friday Belfast Agreement in 1998 This volume has forefronted creative approaches in understanding conflict and allows for analysis and reflection on conflict and peace to continue through to the present day With an extensive introduction preface and 45 individual chapters this volume represents an ambitious expansive interdisciplinary engagement with the North of Ireland through society conflict and peace from a wide range of disciplinary perspectives theoretical frameworks and methodological approaches While allowing for rich historical explorations of high level politics rooted in state documents and archives this volume also allows for the intermingling of different sources that highlight the role of personal papers memory space materials and experience in understanding the complexities of both Northern Ireland as a people place and political entity

**Seamus Heaney's Regions** Richard Rankin Russell, 2014-06-30 Regional voices from England Ireland and Scotland inspired Seamus Heaney the 1995 Nobel prize winner to become a poet and his home region of Northern Ireland provided the subject matter for much of his poetry In his work Heaney explored recorded and preserved both the disappearing agrarian life of his origins and the dramatic rise of sectarianism and the subsequent outbreak of the Northern Irish Troubles beginning in the late 1960s At the same time Heaney consistently imagined a new region of Northern Ireland where the conflicts that have long beset it and by extension the relationship between Ireland and the United Kingdom might be synthesized and resolved Finally there is a third region Heaney committed himself to explore and map the spirit region that world beyond our ken In Seamus Heaney's *Regions* Richard Rankin Russell argues that Heaney's regions the first geographic historical political cultural linguistic the second a future where peace even reconciliation might one day flourish the third the life beyond this one offer the best entrance into and a unified understanding of Heaney's body of work in poetry prose translations and drama As Russell shows Heaney believed in the power of ideas and the texts representing them to begin resolving historical divisions For Russell Heaney's regionalist poetry contains a Hegelian synthesis view of history that imagines potential resolutions to the conflicts that have plagued Ireland

and Northern Ireland for centuries Drawing on extensive archival and primary material by the poet Seamus Heaney's Regions examines Heaney's work from before his first published poetry volume *Death of a Naturalist* in 1966 to his most recent volume the elegiac *Human Chain* in 2010 to provide the most comprehensive treatment of the poet's work to date

*The Boys of St. Columb's* Maurice Fitzpatrick, 2020-02-28 *The Boys of St Columb's* chronicles the schooldays of eight illustrious alumni of St Columb's College in Derry Northern Ireland and the political consequences of their education A companion to a BBC RT documentary film *The Boys of St Columb's* 2010 this book traces the first generation of children to receive free grammar school education as a result of the groundbreaking 1947 Education Act in the region The boys were Bishop Edward Daly SDLP leader and Nobel Peace Prize winner John Hume poet and Nobel laureate Seamus Heaney critic Seamus Deane diplomat James Sharkey activist Eamonn McCann and musicians Phil Coulter and Paul Brady Maurice Fitzpatrick incorporates extensive interviews with this group of extraordinary figures five decades after they graduated and their stories still resonate today with unique reflections on their backgrounds and their coming of age The book's historical relevance has continued to grow since it first appeared in 2010 and the narrative can be viewed in a new light as a result of the current political realities in the UK and Ireland **A New History of Ireland: Ireland under the Union, II, 1870-1921** Daibhi O. Croinin, William Edward Vaughan, 2005
