Years of Breakthrough Leadership Insights in One Extraordinary Book From The One Minute Manager to Raving Fans Ken

Blanchard's books have helped millions of people unleash their power and the potential of everyone around them. For 40 years, The Ken Blanchard Companies has helped thousands of organizations become more people-oriented, customer-centered, performance-driven, and socially responsible. Now in this fully updated third edition of *Leading at a Higher Level*, Blanchard and his colleagues bring together all they've learned about world-class leadership, including brand new chapters on building a high-trust workplace, collaborating for high performance, driving success through mentoring, and leading at the organizational level. You'll discover how to create targets and visions based on the quadruple bottom line and make sure people know who you are, where you're going, and the values that will guide your journey. *Leading at a Higher Level* presents the definitive discussion about using SLII, the most widely used leadership model in the world, to lead yourself, individuals, teams, and entire organizations. More important, you'll learn how to dig deep within, discover the personal leadership point of view all great leaders possess, and apply it throughout your entire life. This book will guide you, inspire you, provoke you, and be your touchstone. Discover how to go beyond the short term and zero in on the right target and vision. Eliminate the gap between your company's stated values and actual behavior. Deliver legendary, maniacal customer service and earn raving fans. Truly empower your people and unleash their incredible potential. Create a coaching culture that boosts performance at every level. Ground your leadership in humility and focus on the greater good. *Leading at a Higher Level* is for everyone who wants to become a better leader in any company, any organization, any area of life. *Leading at a Higher Level* makes clear that respect and integrity aren't pleasant-sounding options; they are essential criteria for an organization's survival. As inspiring as it is instructive, this book belongs in every leader's core curriculum. WARREN BENNIS, bestselling author of *Leaders* and *On Becoming a Leader*. If you want to have a great company, you don't have a choice but to lead at a higher level. When you do that, you excite your people, they take care of your customers, and your cash register goes *ca-ching*. **International Best Practices for Evaluation in the Health Professions** William McGaghie, 2022-02-16. This unique text presents a comprehensive narrative on why and how health professions students need to be evaluated for practice in the 21st century. It systematically addresses current evaluation best practices in the health professions to identify today's evaluation benchmarks, reveal evaluation limits, address improvement pathways, and map a research agenda to boost future evaluation practices. Advancements in information and communication technology, bioscience, and behavioral research, and worldwide travel are dissolving barriers that have separated professions, countries, and cultures for centuries. This book both celebrates these achievements and carefully considers next steps. It recognizes the huge improvements made in evaluation practices within the health professions over the past 40 years but asks for more, calling for added reform and better understanding of current practice from different social, cultural, and educational perspectives. *International Best Practices for Evaluation in the Health Professions* values crossprofessional programs that span boundaries and acknowledge

the authority of the future rather than historical baggage Educators worldwide will be enlightened and inspired by its straightforward compelling narrative      When Bad Teams Happen to Good People Valerie Patrick, 2021 Teams are the source of problem solving and innovation that today s organizations need to survive and thrive in an increasingly complex and challenging marketplace and economy Teamwork is hard because there is no magic formula or step by step procedure to ensure results This book provides proven tactics for team members and team leaders to address leadership problems guidelines for recruiting the mix and type of team members needed and for changing team membership for optimum performance techniques to identify and address aspects of team climate that are limiting the productivity of one or more team members and examples of effective ways to operate teams and design meetings to produce transformative outcomes
