High Country Fall A Deborah Knott Mystery:

High Country Fall Margaret Maron, 2007-07-31 With friends and family over reacting to her announcement that she plans to marry Sheriff's Deputy Dwight Bryant Judge Deborah Knott gratefully seizes the opportunity to put a five hour drive between herself and Colleton County when the Chief District Court Judge offers her a week on the bench in Cedar Gap. It is early autumn, leaves are turning and summer residents are preparing to close up their mountain cabins, palatial houses perched atop the most desirable locations and return to their winter homes in Florida. But Deborah's peaceful break is disrupted when one Floridian is found murdered. He won't be going home and Deborah won't be either until she tracks down the killer.

Up Jumps the Devil Margaret Maron, 1996 Murder usually begins at home and Colleton County, North Carolina proves no exception. When truck driver and childhood neighbor Dallas Stancil is shot and killed in his own backyard, Judge Deborah Knott figures she owes his memory at least the respectful ritual of taking his widow one of her Aunt Zell's best chicken casseroles. Mistake Number One: Dallas wasn't rich but with development eating up the farms and forests of North Carolina, his land is suddenly worth a fortune. His trashy chain-smoking third wife and grown stepchildren are all too aware of its value. Opportunists, including one Deborah's own brother, are coming out of the woodwork. And she knows big money makes people do bad things. Hardworking redneck and salt of the earth the Stancil men have lived side by side with Deborah's family. When the Stancils suffer another tragedy, a long hidden skeleton rattles its bones and jumps out of what she thought was her long dead past. She can run the culprit back out of town or maybe get him charged with murder, but ignoring him would be Mistake Number Two. All around the changing South, Deborah sees hunting dogs, rowdy funerals, backwoods moonshine stills, and long bed pickups clashing with BMW driving professionals and housing tracts. With one foot in the rural past and the other in today's high tech present, she knows her personal world is changing too. This bootlegger's daughter sits on the judicial bench and sees both sides of the law. But she also feels the tug of her roots and the pull of her heart. **BOOK**

Mystery Women, Volume Three (Revised) Colleen Barnett, 2010-12-31 Like other fictional characters female sleuths may live in the past or the future They may represent current times with some level of reality or shape their settings to suit an agenda There are audiences for both realism and escapism in the mystery novel It is interesting however to compare the fictional world of the mystery sleuth with the world in which readers live Of course mystery readers do not share one simplistic world They live in urban suburban and rural areas as do the female heroines in the books they read They may choose a book because it has a familiar background or because it takes them to places they long to visit Readers may be rich or poor young or old conservative or liberal So are the heroines What incredible choices there are today in mystery series This three volume encyclopedia of women characters in the mystery novel is like a gigantic menu Like a menu the descriptions of the items that are provided are subjective Volume 3 of Mystery Women as currently updated adds an additional 42 sleuths to the 500 plus who were covered in the initial Volume 3 These are more recently discovered sleuths who were introduced during the period from January 1 1990 to December 31 1999 This more than doubles the number of sleuths introduced in the 1980s 298 of whom were covered in Volume 2 and easily exceeded the 347 series and some outstanding individuals described in Volume 1 which covered a 130 year period from 1860 1979 It also includes updates on those individuals covered in the first edition changes in status short reviews of books published since the first edition through December 31 2008

An early spring sun has begun to shine like a blessing on the fertile fields of North Carolina but along with the seeds sprouting in the thawing soil violence is growing as well Mutilated body parts have appeared along the back roads of Colleton County and the search for the victim s identity and for that of his killer will lead Deborah and her new husband Sheriff s Deputy Dwight Bryant into the desperate realm of undocumented farm workers exploited for cheap labor In the meantime Deborah and Dwight continue to adjust to married life and to having Dwight s eight year old son Cal live with them full time
