High and Low Financiers Watson Washburn, Edmund Schackelford De Long, 1932 *Rothstein* David Pietrusza, 2011-09-13 History remembers Arnold Rothstein as the man who fixed the 1919 World Series an underworld genius The real life model for The Great Gatsby s Meyer Wolfsheim and Nathan Detroit from Guys and Dolls Rothstein was much more and less than a fixer of baseball games He was everything that made 1920s Manhattan roar Featuring Jazz Age Broadway with its thugs speakeasies showgirls political movers and shakers and stars of the Golden Age of Sports this is a biography of the man who dominated an age Arnold Rothstein was a loan shark pool shark bookmaker thief fence of stolen property political fixer Wall Street swindler labor racketeer rumrunner and mastermind of the modern drug trade Among his monikers were The Big Bankroll The Brain and The Man Uptown This vivid account of Rothstein s life is also the story of con artists crooked cops politicians gang lords newsmen speakeasy owners gamblers and the like Finally unraveling the mystery of Rothstein s November 1928 murder in a Times Square hotel room David Pietrusza has cemented The Big Bankroll s place among the most influential and fascinating legendary American criminals 16 pages of black and white photographs are featured *Manias, Panics and Crashes* C. Kindleberger, 2016-01-09 Manias Panics and Crashes was first published in 1978 and dealt with financial crises that were for the most part before World War II Black Monday of October 1987 along with more research especially on the years from 1880 to 1893 indicated a need for a second look The third edition had its stimulus in the Japanese crash of January 1990 the effects of which carried through to decade This new fourth edition covers the striking troubles of Mexico in 1994 95 and East Asia in 1997 98 *Fraud* Edward J. Balleisen, 2018-12-18 A comprehensive history of fraud in America from the early nineteenth century to the subprime mortgage crisis In America fraud has always been a key feature of business and the national worship of entrepreneurial freedom complicates the task of distinguishing salesmanship from deceit In this sweeping narrative Edward Balleisen traces the history of fraud in America and the evolving efforts to combat it from the age of P T Barnum through the eras of Charles Ponzi and Bernie Madoff This unprecedented account describes the slow piecemeal construction of modern institutions to protect consumers and investors from the Gilded Age through the New Deal and the Great Society It concludes with the more recent era of deregulation which has brought with it a spate of costly frauds including corporate accounting scandals and the mortgage marketing debacle By tracing how Americans have struggled to foster a vibrant economy without encouraging a corrosive level of cheating Fraud reminds us that American capitalism rests on an uneasy foundation of social trust *Speculative Management* Dan Krier, 2012-02-01 In this timely work Dan Krier examines the relationship between two phenomena that dominated the economic scene in the late twentieth century the rising power of financial markets and the restructuring of American industry He argues that corporate governance was transformed during this period into speculative teams of stock optioned executives and activist owners These teams encouraged a vigorous restructuring of American industry through corporate buyouts takeovers reengineering

and downsizing Often portrayed in business discourse as initiatives to enhance the efficiency and long range profitability of industrial operations these corporate changes were instead primarily what Krier describes as speculative management practices used to manipulate the trading price of corporate securities even at the expense of operational efficiency and long term profitability Krier also analyzes social intermediaries institutions that connect industrial firms to security markets and allow them to interact He focuses on corporate governance structures composed of stock optioned top managers big owners and their representatives on corporate boards financial accounting rules and practices and the business media that analyze corporate actions and results

Manias, Panics, and Crashes Robert Z. Aliber, Charles P. Kindleberger, Robert N. McCauley, 2023-03-06 In the Eighth Edition of this classic text on the financial history of bubbles and crashes Robert McCauley joins with Robert Aliber in building on Charles Kindleberger's renowned work McCauley draws on his central banking experience to introduce new chapters on cryptocurrency and the United States as the 21st Century global lender of last resort He also updates the book's coverage of the recent property bubble in China as well as providing new perspectives on the US housing bubble of 2003 2006 and the Japanese bubble of the late 1980s And he gives new attention to the social psychology that leads people to take the risk of investing in Ponzi schemes and asset price bubbles For the first time in this revised and updated edition figures highlight key points to ensure that today's generation of finance and economic researchers students practitioners and policy makers as well as investors looking to avoid crashes have access to this panoramic history of financial crisis
