

The Hidden **WORDSWORTH**

"Prodigious knowledge . . . attractively torrid speculations . . . opens up new trails . . . with an energy worthy of Wordsworth himself."

—Frank Kermode, *New York Times Book Review*

KENNETH R. JOHNSTON

Hidden Wordsworth

Christophe Tournu

Hidden Wordsworth:

The Hidden Wordsworth Kenneth R. Johnston, 2001 This is a Wordsworth we have never quite seen before Hermione Lee The New York Times *Wordsworth's Trauma and Poetry* Richard E. Matlak, 2024-07-11 Based upon the testimony of Thomas Carlyle most biographers acknowledge that Wordsworth witnessed the beheading of the journalist Antoine Gorsas in October 1793 during the Reign of Terror But they go no further This study reads the Poet's reactions to the Terror in passages from *The Prelude* as explicitly about his twenty three year old self witnessing the gory deaths of Gorsas and others which caused post traumatic stress disorder and its symptoms exacerbated by guilt for abandoning his French lover and their child a year earlier Following a chronological arc from October 1793 when the trauma began until its conclusion in October 1803 when Wordsworth became a poet soldier I examine poetic works from *The Borderers* 1796 the *Discharged Soldier* 1798 the *Two Part Prelude* 1799 *Home at Grasmere* 1800 and the *Liberty sonnets* 1803 to follow the Poet working through anxiety fear and remorse to a resolution *Wordsworth's Vagrants* Quentin Bailey, 2016-02-11 Wordsworth's *Vagrants* explores the poet's treatment of the idle and disorderly in the context of the penal laws of the 1790s when the terror of the French Revolution caused a crackdown on the beggars and vagrants who roamed the English countryside From his work on the Salisbury Plain poems through to the poetry about vagrants beggars and lunatics in *Lyrical Ballads* Quentin Bailey argues Wordsworth attempted to imagine a way of relating to the vagrant and criminal poor that could challenge the systematizing impulses of William Pitt and Jeremy Bentham Whereas writers had previously relied on sensibility and fellow feeling to reveal the correct ordering of society Wordsworth was writing in a period in which legislators magistrates and commentators agreed that a more aggressively interventionist approach and new institutional solutions were needed to tackle criminality and establish a disciplined and obedient workforce Wordsworth's interest in individual psychology and solitude Bailey suggests grew out of his specific awareness of the Bloody Code and the discussions surrounding it His study offers a way of reading Wordsworth's poetry that is sensitive to his early radicalism but which does not equate socio political engagement solely with support for the French Revolution *Wordsworth's Unremembered Pleasure* Alexander Freer, 2020 Wordsworth's *Unremembered Pleasure* explores the poet's sustained interest in the ethical and aesthetic value of overlooked underacknowledged and unremembered pleasures Such pleasures are marginal and fleeting they pass by silently and are recognized only retrospectively Yet they shape the aims technique and ultimately the whole affective economy of Wordsworth's writing Rather than understanding the domain of pleasure to be strictly subjective personal experience Wordsworth posits affects and attachments beyond conscious experience or possession Teasing apart unremembered pleasure from the psychoanalytic concepts of sublimation repression and trauma the book offers new interpretations of both well known and marginal poems rethinking familiar oppositions between childhood and maturity and between sensation and recollection By tracing affects which are not determinate sensations so much as unacknowledged gifts it demonstrates how retrospective

pleasure undercuts fantasies of purely autonomous experience It argues for the centrality of surprise unremembered pleasure promises to disturb catch out and remake the person who encounters it More broadly it locates in Wordsworth's account of composition the resources to rethink poetic pleasure not as wish fulfilment nor as aesthetic escape but as an engaged and reparative relation to the world Book jacket *Wordsworth's Bardic Vocation, 1787-1842* Richard Gravil, 2014-09-08 Wordsworth's Bardic Vocation the most comprehensive critical study of the poet since the 1960s presents the poet as balladist sonneteer minstrel elegist prophet of nature and national bard The book argues that Wordsworth's uniquely various oeuvre is unified by his sense of bardic vocation Like Walt Whitman or the bards of Cumbria Wordsworth sees himself as the people's remembrancer Like them he sings of nature and endurance laments the fallen fosters national independence and liberty His task is to reconcile in one society the living and the dead and to nurture both the people and the kind Review Comment This erudite exposition profligate with its ideas succeeds as few others have done in apprehending Wordsworth's career holistically incorporating all its diversities and apparent inconsistencies into a unified vision It justifies fully the notion proposed by Hughes and Heaney that he was England's last national poet Duncan Wu Review of English Studies Milton in France Christophe Tournu, 2008 This volume contains a selection of essays presented at the 8th International Milton Symposium Milton Rights and Liberties which was held in Grenoble France 7-11 June 2005 It was the first time ever that such a major event was organized in France hence the volume's title Moreover Milton's writings influenced key figures of the French Revolution The essays presented in this volume were written by emerging as well as confirmed Milton scholars from around the world Topics range from Romanticism Milton and Wordsworth to a psychoanalytic reading of Milton from the iconography of the garden in *Paradise Lost* to the prosody of *Samson Agonistes* from Derridean readings of Milton to Milton's presence in Brazil and China Another volume of essays entitled *Milton Rights and Liberties* was published in 2007 **Dorothy Wordsworth's Ecology** Kenneth Cervelli, 2007-02-27 Dorothy Wordsworth has a unique place in literary studies Notoriously self-effacing she assiduously eschewed publication yet in her lifetime her journals inspired William to write some of his best known poems Memorably depicting daily life in a particular environment most famously Grasmere these journals have proven especially useful for readers wanting a more intimate glimpse of arguably the most important poet of the Romantic period With the rise of women's studies in the 1980s however came a shift in critical perspective Scholars such as Margaret Homans and Susan Levin reevaluated Dorothy's work on its own terms as well as in relation to other female writers of the eighteenth and nineteenth centuries Part of a larger shift in the academy feminist oriented analyses of Dorothy's writings take their place alongside other critical approaches emerging in the 1980s and into the next decade One such approach ecocriticism closely parallels Dorothy's changing critical fortunes in the mid to late 1980s Curiously however the major ecocritical investigations of the Romantic period all but ignore Dorothy's work while at the same time emphasizing the relationship between ecocriticism and feminism The present study situates Dorothy in an

ongoing ecocritical dialogue through an analysis of her prose and poetry in relation to the environments that inspired it

Child Murder and British Culture, 1720-1900 Josephine McDonagh, 2003-12-08 In this wide ranging study Josephine McDonagh examines the idea of child murder in British culture in the eighteenth and nineteenth centuries Analysing texts drawn from economics philosophy law medicine as well as from literature McDonagh highlights the manifold ways in which child murder echoes and reverberates in a variety of cultural debates and social practices She places literary works within social political and cultural contexts including debates on luxury penal reform campaigns slavery the treatment of the poor and birth control She traces a trajectory from Swift's *A Modest Proposal* through to the debates on the New Woman at the turn of the twentieth century by way of Burke Wordsworth Wollstonecraft George Eliot George Egerton and Thomas Hardy among others McDonagh demonstrates the haunting persistence of the notion of child murder within British culture in a volume that will be of interest to cultural and literary scholars alike Wordsworth's Bardic Vocation, 1787-1842 R.

Gravil, 2003-10-13 From 1787 to 1842 Wordsworth was preoccupied with the themes of loss and death and with natural piety in the lives of people and nations Beginning with his consciousness of the Bards and Druids of Cumbria this book treats Wordsworth's oeuvre including the Gothic juvenilia *The Ruined Cottage* *Lyrical Ballads* *Poems in Two Volumes* *The Excursion* and the *Poems of 1842* as unified by a Bardic vocation to bind the living and the dead and to nurture the kind Sexuality

and the Culture of Sensibility in the British Romantic Era C. Nagle, 2007-11-12 This is the first study to fully trace the influence of Sensibility on British Romanticism Sensibility continually found new forms of expression in the late Eighteenth and early Nineteenth century Nagle explores how it coexisted and intermingled with Romanticism and revises the traditional narratives of literary periodization of this era "A Natural Delineation of Human Passions", 2016-08-09 Most of the articles

in *A Natural Delineation of Human Passions* originated in the Twelfth October Conference held in Leiden to celebrate the bicentenary of the publication of *Lyrical Ballads* The first article by the editor *An Historic Moment A Natural Delineation of Human Passions as a New Morality* attempts to establish an historic and an historical context both personal and political for the six articles that follow by Ke Bergvall Myra Cottingham C P Seabrook Wilkinson James McGonigal Jacqueline Schoemaker and Suzanne E Webster which consider the themes of vagrancy and wandering in *Lyrical Ballads* the expression of loss and compensation and the consequences both beneficial and perilous for the language and rhetoric of poetry Then three articles by Annemarie Estor Daniel Sanjiv Roberts and Paul E A van Gestel consider the ambience of science and philosophy in which Wordsworth and Coleridge strove to affirm the creative participation of poetry After this Jacqueline M Labbe Titus P Bicknell Robert Druce and M Van Wyk Smith discuss the parallel contributions of some of the more neglected contemporaries of the authors of *Lyrical Ballads* not necessarily in English nor necessarily in England Mary Robinson Walter Savage Landor Robert Bloomfield and Thomas Pringle The volume concludes with an extended examination by Timothy Webb of the responses both admiring and scornful of the younger generation of Romantics to the legacy of *Lyrical Ballads* **Wordsworth's**

Revisitings Stephen Gill, 2011-10-27 Nothing was more important to Wordsworth than tracing the evidence that affinities had been preserved between all the stages of the life of man In this beautifully written and thoughtful book Wordsworth's biographer and editor Stephen Gill explores the ways in which the poet attempted as an artist to maintain such continuities and shows how revisitings of various kinds are at the heart of his creativity Habitually reviewing all of his work both published and that still in manuscript Wordsworth painstakingly revised at the level of verbal detail or recast it more largely New poems frequently emerged from re engagement with old often serving as a sequel to or commentary from the maturer poet on his own earlier creation and acts of self borrowing and self reference are plentiful These linkings provide insights into the powerful vision the poet maintained that his imaginative creation was one evolving unity and reveal much about the obsessions and drives of the great poet Combining textual analysis critical commentary and biographical narrative Gill explores what binds Wordsworth's later less well known poems to his earlier work At the centre of the book is an account of the evolution of *The Prelude* from 1804 to 1839 in which it is argued that Wordsworth's masterpiece must be followed through all its versions seen as a poem growing old alongside its creator **William Wordsworth's *The Prelude*** Stephen Gill, 2006-08-31 William Wordsworth's poem *The Prelude* is a fascinating work both as an autobiography and as a fragment of historical evidence from the revolutionary and post revolutionary years This volume gathers together 13 essays on *The Prelude* and is useful as a companion for students and general readers of Wordsworth's greatest poem Coleridge and the Romantic Newspaper Heidi Thomson, 2016-09-24 This book examines how Coleridge staged his private woes in the public space of the newspaper It looks at his publications in the *Morning Post* which first published one of his most famous poems *Dejection: An Ode* It reveals how he found a socially sanctioned public outlet for poetic disappointments and personal frustrations which he could not possibly articulate in any other way Featuring fresh contextual readings of established major poems original readings of epigrams sentimental ballads and translations analyses of political and human interest stories this book reveals the remarkable extent to which Coleridge used the public medium of the newspaper to divulge his complex and ambivalent private emotions about his marriage his relationship with the Wordsworths and the Hutchinsons and the effect of these dynamics on his own poetry and poetics Five Long Winters John Bugg, 2013-12-18 This book argues that the British government's repression of the 1790s rivals the French Revolution as the most important historical event for our understanding the development of Romantic literature Romanticism has long been associated with both rebellion and escapism and much Romantic historicism traces an arc from the outburst of democratic energy in British culture triggered by the French Revolution to a dwindling of enthusiasm later in the 1790s when things in France turned violent Writers such as Wordsworth and Coleridge can then be seen as apostates who turned from radical politics to a poetics of transcendence Bugg argues instead for a poetics of silence and his book is set against the backdrop of the so called Gagging Acts and other legislation of William Pitt which in literature manifests itself stylistically as silence stuttering fragmentation and encoding

Mining archives of unpublished documents including manuscripts diaries and letters where authors were more candid as well as rereading the work of both major and minor figures a number of whom were subject to prison sentences Five Long Winters offers a new way of approaching the literature of the Romantic era Forging Romantic China Peter J. Kitson,2013-11-21 The first major cultural study to focus exclusively on this decisive period in modern British Chinese relations Based on extensive archival investigations Peter J Kitson shows how British knowledge of China was constructed from the writings and translations of a diverse range of missionaries diplomats travellers traders and literary men and women during the Romantic period The new perceptions of China that it gave rise to were mediated via a dynamic print culture to a diverse range of poets novelists essayists dramatists and reviewers including Jane Austen Thomas Percy William Jones S T Coleridge George Colman Robert Southey Charles Lamb William and Dorothy Wordsworth and others informing new British understandings and imaginings of China on the eve of the Opium War of 1839 42 Kitson aims to restore China to its true global presence in our understandings of the culture and literature of Britain in the late eighteenth and early nineteenth centuries *Romanticism on the Road* T. Benis,2000-03-02 Romanticism on the Road challenges critical orthodoxy by arguing that Wordsworth rejected the political dogmas of his age Refusing to ally with either radicals or conservatives after the French Revolution the poet seizes on vagrants to attack the binary thinking dominating public affairs and to question the value of the Georgian domestic ideal Drawing on current and historical discussions of homelessness the study offers a cultural history of vagrancy and explains why Wordsworth chose the homeless to bear his message **Honor, Romanticism, and the Hidden Value of Modernity** Jamison Kantor,2023-01-19 Despite our preconceptions Romantic writers artists and philosophers did not think of honor as an archaic or regressive concept but as a contemporary even progressive value that operated as a counterpoint to freedom a well known preoccupation of the period s literature Focusing on texts by William Godwin William Wordsworth Jane Austen Walter Scott Mary Prince and Mary Seacole this book argues that the revitalization of honor in the first half of the nineteenth century signalled a crisis in the emerging liberal order one with which we still wrestle today how can political subjects demand real materialist forms of dignity in a system dedicated to an abstract and often impoverished idea of liberty Honor Romanticism and the Hidden Value of Modernity presents both a theory and a history of this question in the media of the Black Atlantic the Jacobin novel the landscape poem and the financial romance Wordsworth's Biblical Ghosts D. Westbrook,2001-09-07 The Bible serves Wordsworth as a basis for his poetry and poetics providing language images figures and importantly a paradigm of poetic genres Working from three interrelated critical approaches intertextuality poetics and metaphysics Westbrook first analyzes Wordsworth s theory and practice as these reflect the New Testament doctrine of the Incarnation Subsequent chapters consider Wordsworth s adaptation of biblical narrative forms etymological tales parables and mystical allegories Closing chapters examine some extraordinary linguistic innovations in Wordsworth s revisions of biblical apocalypse techniques that permit the poet to express the

ineffable and to reveal nothing Religion, Toleration, and British Writing, 1790-1830 Mark Canuel, 2002-10-17 In Religion Toleration and British Writing 1790 1830 Mark Canuel examines the way that Romantic poets novelists and political writers criticized the traditional grounding of British political unity in religious conformity Canuel shows how a wide range of writers including Jeremy Bentham Ann Radcliffe Maria Edgeworth and Lord Byron not only undermined the validity of religion in the British state but also imagined a new tolerant and more organized mode of social inclusion To argue against the authority of religion Canuel claims was to argue for a thoroughly revised form of tolerant yet highly organized government in other words a mode of political authority that provided unprecedented levels of inclusion and protection Canuel argues that these writers saw their works as political and literary commentaries on the extent and limits of religious toleration His study throws light on political history as well as the literature of the Romantic period

Hidden Wordsworth Introduction

In today's digital age, the availability of Hidden Wordsworth books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Hidden Wordsworth books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Hidden Wordsworth books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Hidden Wordsworth versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Hidden Wordsworth books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Hidden Wordsworth books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Hidden Wordsworth books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of

America, which provides a vast collection of digitized books and historical documents. In conclusion, Hidden Wordsworth books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Hidden Wordsworth books and manuals for download and embark on your journey of knowledge?

FAQs About Hidden Wordsworth Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Hidden Wordsworth is one of the best book in our library for free trial. We provide copy of Hidden Wordsworth in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Hidden Wordsworth. Where to download Hidden Wordsworth online for free? Are you looking for Hidden Wordsworth PDF? This is definitely going to save you time and cash in something you should think about.
