**Finding Family** Richard Hill,2017-09-29 Finding Family My Search for Roots and the Secrets in My DNA is the highly suspenseful account of an adoptee trying to reclaim the biological family denied him by sealed birth records This fascinating quest including the author s landmark use of DNA testing takes readers on an exhilarating roller coaster ride and concludes with a twist that rivals anything Hollywood has to offer In the vein of a classic mystery Hill gathers the seemingly scant evidence surrounding the circumstances of his birth As his resolve shores up the author also avails of new friends genealogists the Internet and the latest DNA tests in the new field of genetic genealogy As he closes in on the truth of his ancestry he is able to construct a living breathing portrait of the young woman who was faced with the decision to forsake her rights to her child and ultimately the man whose identity had remained hidden for decades Finding Family offers guidance insight and motivation for anyone engaged in a similar mission from ways to obtain information to the many
