Finding God Rick Richardson, 2002-08-23 People look for God in many different places relationships nature goodness and even pain In this study and discussion guide Rick Richardson encourages you to find your way to God A Willow Creek Resource

Finding God in All Things Brian Grogan, 2021-04-01 Fr Brian Grogan has written an extraordinary book for ordinary people In simple clear language he shows how God is involved in all the details of our lives God does not blush easily at our faults he writes In failure or in success every individual remains uniquely important to God He waits for us searches for us and cares for us always drawing us to the person of Jesus who offers himself as our constant companion on our pilgrim way and who helps us to shape our world by making wise decisions [Finding God in a Godless World](#) R. A. Biancur, 2007-08 The author chronicles his spiritual journey detailing how he arrived at his unique interpretation of heaven and hell and how God became more than just an abstract notion to him Motivation [Experiencing God In Your Work](#) Joe M. Carroll, 2015-10-30 Work is the place where we spend the majority of our lives yet it is the place where God is experienced the least Experiencing God in Your Work gives inspirational perspectives and practical ideas on how to discover God in the normal flow of your everyday work life Compelling personal stories anecdotes and quotations from both classic and modern Christian thinkers makes this biblical based guide a great choice for either personal study or group discussion Joe Carroll skillfully addresses the key issues every worker faces practically biblically and with understanding of the dilemma of work and life His writing has the aroma of reality and the empathy of one who has lived what he writes This is a vital book for everyone who works Jerry White PhD Major General USAF Ret International President Emeritus The Navigators As a workplace follower of Christ Joe brings a unique perspective to men and women who would like to experience the joy of seeing God at work in their work but all too often fall asleep spiritually Using both workplace and biblical examples this study will help you awaken to and enjoy Christ's presence in your work Bill Peel DMin Executive Director Center for Faith Work at LeTourneau University This book looks at how to work effectively and wisely from a myriad of angles It is loaded with solid practical and biblical advice It will change the way you work not just by answering why you work but showing how meaningful work can be Darrell Bock PhD Senior Research Professor of New Testament Studies Executive Director for Cultural Engagement Dallas Theological Seminary I know from experience that Joe Carroll lives and writes with the same aim to help us connect with God in our work It is easy to see myself in the real world stories he shares While the book provides God's perspective on work from a Biblical perspective almost everyone will benefit from the chapters on experiencing God's presence in your work For me the chapters on living courageously and living with integrity were the most helpful in giving me perspective for my own work and for the students who ask my advice Michael K Shaub PhD Clinical Professor of Accounting Texas A M University [How Can I Find God?](#) James Martin, 2014 **Finding God in the Ordinary** Pierce Taylor Hibbs, 2018-09-19 We tend to look for God in the grand and spectacular but most of our lives are filled with ordinary

moments and routines drinking coffee reading a book driving to work Can we find God in the banalities of everyday life In Finding God in the Ordinary the author shows that we can and that we must Our world is not an ordinary world Because it was spoken into being and maintained by the word of God s power Heb 1 3 everything around us is always revealing the nature and character of the triune God Our world is extraordinarily ordinary always calling our attention to the God of glory and his work in the commonplace *Finding God Today* E. Springs Steele, *Finding God Again* John J. Shea, 2005-05-20 Growing out of two decades of teaching and practice Finding God Again Spirituality for Adults addresses in an experiential and pastoral way the need to re envision God as we grow from an adolescent to adult spirituality John Shea a renowned pastoral counselor and teacher shows how we can lose touch with religion spirituality and a belief in God because of times when our image of God is too narrow unreal or inadequate to make sense of our experience Shea uses real life stories to illustrate and offer a life changing challenge to leave behind the Superego God of childhood in favor of a Living God we can relate to as adults By showing the reader how to revisit God as an adult Shea provides the motivation and method to embrace a Living God and claim the independence and responsibility that accompany genuine adulthood *Journey to God- A spiritual roadmap to find God within.* sanjeev sareen, We all are on a spiritual journey called the journey to God The journey starts from I as various ego identifications and gets completed when we realize ourselves as we truly are It starts when the soul after coming from the Spirit starts its outward journey in the illusionary materialistic world During the journey juggling through the maze of Maaya illusions it forgets its true identity and starts assuming many false identifications with name fame forms caste color status etc But a stage comes when not getting permanent happiness after suffering in many incarnations a spiritual awakening comes We the individual souls then start looking for spiritual direction We shift focus and start our inward journey looking for The Spirit our own true identity This book describes in detail the whole journey and how it matters to us Various Questions about life then start emerging A small voice within begins to question Who am I who is God why God made the world what is my relationship with God what is the purpose of my creation Who am I and why do I matter The Search for the meaning of life thus begins These questions appear quite often in our lifetime but we turn away from them There are many moments we are provoked to ask these We feel since childhood a vague nostalgia for more a divine longing In many ways it is the central struggle of every human life And whether you are 7 or 70 or someplace in between you need to know these This book came to life when in one of my meditation classes I was asked to answer the question of who I am the most profound and deepest question of all the time the first question in all philosophies Sometimes we avoid discovering what we are It is mainly because inquiring earnestly could mean the death of something we hold onto like the idea we have of ourselves the personality ego and all that comes with it Though it took around 60 days to complete this book it contains 60 years of my introspection on these soul searching questions I have tried to share my knowledge on these questions in a very simple structured way with a number of examples stories poems experiments inferred deductions and Vedic explanations The

book will surely attract sufficient attention and stretch of mind in certain places to understand the subtle subject After realization the journey gets completed and the soul merges back with the spirit from which it came We feel oneness with God and everything This journey normally is a very long one involving many incarnations with all the pains and pleasures which life throws before us But as the masters say we can complete the journey in one lifetime reaching the ultimate realization called Nirvana Moksha In that stage as Vivekananda says I has all become and all is I Oneness in all beings All beings in self and self in all beings That is freedom from suffering and sorrow Journey with me know about you and find the purpose of life The journey through this book will transform you from a limited I to an infinite Self You are already that The book will bring up to your active awareness the things you already knew deep within but have forgotten now *Experiencing God in the Ordinary* William A. Barry, 2020-04-01 2021 Illumination Book Awards Silver Medal Theology God s presence is not out there but right here We tend to look for God in dramatic or miraculous moments but such expectations can blind us to God s ongoing presence What if God is already with us in the life we have this moment When we experience ordinary but meaningful events such as our first love or a favorite novel we are in fact encountering God s presence As we learn to notice spiritual movement within and around us we can recognize the many facets of God s love that touch us daily As a priest and spiritual director of many decades my driving desire is for people to experience God s limitless love for them and to recognize it when it emerges in what they consider just ordinary life happenings and conversations William A Barry SJ Whether we are in pain or crisis questioning if we are really worthy of God s attention or are simply wondering why God would be in the mundane details of our lives *Experiencing God in the Ordinary* can nurture our hope that God is always present and can be found in an ordinary day Complete with personal stories and various suggestions for prayer and meditation this book is perfect for devotional reading retreat or small group discussion *Finding God in a Broken World* John R. Clarke, 2015-10-13 There is no doubt that we are entering the final stages of the history of this world Lawlessness abounds terrorism is on the increase and wars and rumors of war abound Natural disasters such as tsunamis volcanic eruptions cyclones floods and tornados are also becoming more common as the earth struggles under the burden of humankind s rebellion So what does the future hold for the beloved of Christ *Finding God in a Broken World* provides insight into the steps to remaining free in Christ during the turbulent days ahead The book explores seven key areas from embracing the love of God finding God s purpose for our lives and overcoming the world to living the victorious Christian life and remaining free in Christ regardless of the circumstances we find ourselves facing in the coming days Author John R Clarke s scientific background gives him a distinctive insight into the Bible and the Word of God and it allows for a different perspective on the events of the end times and Christian living than those normally provided by theologians Although the times of the last days can be fraught with tension unease and even hostility it is important for Christians to know that by understanding the difficult aspects of God s teachings his positive purposes and his plans for eternity will come into better perspective By

meditating on these teachings the hope and prayer is that believers can find inspiration comfort and blessings
