Finding Your Life Partner:

Finding Your Life Partner Without Tears Emmanuel Abba Great, 2011-09-07 Finding a suitable life partner is one of the biggest huddles of life. Destined great men and women have been destroyed because of wrong marriages. There is a saying that Beside every successful man there is a woman and I add Beside every successful woman there is a man. If the success of everyone depends to a great extent on the strength of his or her marriage then this book is a must read for all. Many great empires have been reduced to rubbles because of the abuse of this wonderful institution that God puts in place to make the life of people heaven on earth. Relationships and marriage are like water to life. That means it is a subject that cuts across culture, tradition and race. This book deals with finding a life partner God's way and I believe it is the only way that works.

How to Find Your Life Partner! a Personal Experience Emil Clad, 2010-09-07 Not long after I was saved I met a group of already established Christians who discussed how some preachers made wrong choices in marriage and how it later destroyed their ministries. What scared me most was a particular incident where it was alleged that a spouse confessed to being possessed by evil spirits and how she succeeded in wrecking the husband's church. That prompted me to go in search of the way to find the right partner and avoid danger. Being the son of a preacher and a second generation Christian for 20 years and having been married for nearly a decade I have come to tell the adventure of my story how I found my life partner and the Biblical lessons that I learnt in the course of time. In this book you will discover How the Holy Spirit helps us pray according to the will of God. The importance of God's blueprint for you in three main areas i.e. ministry, marriage, money. Knowledge of the scriptures as your basis for inheriting the promises of God. How God works behind the scenes to fulfill His promises when we pray. How to cooperate with God for success in finding your marriage partner. **How to Find Love**
