**Finding God in the Ordinary** Pierce Taylor Hibbs, 2018-09-19 We tend to look for God in the grand and spectacular but most of our lives are filled with ordinary moments and routines drinking coffee reading a book driving to work Can we find God in the banalities of everyday life In Finding God in the Ordinary the author shows that we can and that we must Our world is not an ordinary world Because it was spoken into being and maintained by the word of God's power Heb 1:3 everything around us is always revealing the nature and character of the triune God Our world is extraordinarily ordinary always calling our attention to the God of glory and his work in the commonplace

**FINDING INFINITE GOD in JEWISH-CHRISTIAN DIALOGUE** Vivian Anne Scarnati Scott, 2025-02-11 A Virtuous Path to GOD FINDING INFINITE GOD IN JEWISH CHRISTIAN DIALOGUE Behold I am the LORD the GOD of all flesh Is anything too wondrous for Me Jeremiah Nevi'im Prophets 32:27 The thought provoking ageless question above from GOD also answers every age of humanity Now in the third decade of our twenty first Century today's expanding communication marvels while accelerating to future enterprises often become mindfully absent of the Godly source driving their intellectual capacity Jewish Christian interreligious dialogue travels those same highways of mind although at times hampered by prejudice depravity and indifference This theological work argues and advocates a best position for successful dialogue between two faiths grappling with the grave injustices and blood stained persecutions of an incomprehensible unconscionable history that can only be resolved by GOD In recounting horrific facts from Holocaust Inquisition and other atrocities marring the beautiful life GOD intended these events had occurred even after meaningful Divine Prophetic Word warned of grave outcomes And in consequence GOD's omnipotence in rescuing His people is evidenced throughout history

Somehow evil never prevailed The Scriptures remind us to seek and trust our loving Creator Who has faithfully kept His Covenants beyond space and time Such Divine reminders seed hope and fortitude to guard our rights and religion in this embattled world struggling against politically spate doctrines and limited laws failing race and freedom Tragically even in our new century massacres and mayhem borne out of evil persist afflicting our Churches Synagogues and homes Still while at times disharmony quells the joy of living there is no greater force or wonder than Infinite GOD Success in Jewish Christian dialogue just as good deeds for interfaith relations requires abiding respect for fellow humanity and a loving non discriminating heart GOD s markers and signposts all lead to purposeful truth the trilateral pure virtuous and charitable road is the only way beyond an otherwise dark impious world into a luminous one a realm where humanity may share joyful dialogue and divinely planned spiritual destiny Ageless immutable Ten Commandments from GOD forged with basic precepts unchanged and following His first nurturing Seven Noahide Laws ground and inspire what religious scholars consider for valid communication essential for interreligious dialogue Remarkably the Noahide Laws were defined as the bedrock of society by a Joint Resolution of the U S Congress on March 21 1991 see Preface section on The Rainbow Covenant GOD s sacred scriptural truths proclaimed by His prophets are resounded by heavenly minded theologians qualified to teach His Word The researched testimonial criteria given within this work yield beneficial recommendations for a best heavenly directed path for finding GOD in harmonious dialogue Six eminent contemporary theologians interviewed herein assembled equally from Jewish and Christian communities are joined with a renowned hierarchy of blessing and inspiration who nobly illuminate the way These virtuous champions who profess GOD s eternal truth while valiantly identifying winding disparities and dissidence contrary to His intended Plan acknowledge and communicate in their own humble and human understanding that indeed nothing is too wondrous for GOD

**Finding the World's Fullness** Robert Cording,2019-11-20 Forty years as a poet has kept Robert Cording looking at the details of everyday experience That long labor has brought him face to face with the inescapable complexity of a world that is full of suffering and injustice And grace This journey has convinced him that as Czeslaw Milosz puts it poetry embodies the double life of our common human circumstance as beings in between the dust that we are and the divinity to which we would aspire Cording s task has therefore been to evoke what he calls the primordial intuitions of Christianity that we live in a world we did not create that God s immanent presence is capable of breaking in on us at every moment that most of the time we cannot taste and see that presence because we live in a world of mirrors that only by attention can we live in the world but outside of our existing conceptions of it The reflections in Finding the World s Fullness comprising not only thoughts on metaphor but also close readings of poets ancient and modern including George Herbert Robert Browning Elizabeth Bishop and Stanley Kunitz suggest that as Richard Wilbur puts it The world s fullness is not made but found

**Finding His Story in History** Matt Somerlot,2020-08-13 What happened today in history and exactly what does it have to do with God s story and scripture Each day is an opportunity to experience God but how often do

we think about mundane historical events being connected to God How can we reveal His fingerprints in these events leading to a greater appreciation for history which is really His story With a foreword by Pastor Steven Brumeloe you are invited to join this quirky and fun daily journey through time encouraging you to view historical events and scripture in a brand new way It serves up a daily reminder to expect the unexpected awakening readers to the world around them and how God can be found anywhere and everywhere throughout history **Finding Your Ethnicity in the Bible** Devon L.
