The Complete Book of Everyday Christianity R. Paul Stevens, Robert Banks, 2018-12-01 I am thrilled to know that *The Complete Book of Everyday Christianity* is being relaunched A well worn first edition of this book sits next to my office desk and I consult it often There is no better collection of everyday issues examined from a Christian perspective A wide variety of topics are addressed with a cleverly balanced combination of academic and practical perspectives informed by thoughtful biblical and theological reflection This is a wonderfully useful tool I am pleased that it will be available to resource a new generation of Christians who are eager to understand more about what it means to follow Christ in every aspect of life Alistair Mackenzie Senior Lecturer School of Theology Mission and Ministry Laidlaw College Christchurch New Zealand Also Director of Faith at Work NZ *Discerning Life Transitions* Dwight H. Judy, 2010-10 Every one of us will experience several

major life changes over the course of adulthood Each of these transitions will be marked by external changes such as change of location career changes promotions or job losses plus changes in family circumstances including births marriage and death These transitions are also marked by inner change since most of us readily examine our faith life and relationship with God during such periods This book helps people examine both the outward and the inward dimensions of major life changes This blend of interior examination and attention to practical issues is shown in the questions that set the stage for the discernment process What theme or themes do you bring to this process of discernment What details would be necessary to know in order to discern an outcome What are the financial implications What are the implications for family members or others close to you What information do you need to start gathering

A Wakeful Faith J. Marshall Jenkins, 2000-02-01 In the hurried expect the unexpected flow of everyday life faith seems far away for many people Your car breaks down The bills are due The kids need school supplies The business report remains unwritten In *A Wakeful Faith* Jenkins asserts that living awake to God in all of our daily affairs is the answer Only when we become consciously aware of God's gracious activity in the details of the day can we transform and find purpose in our lives today Each day brings a flood of demands for our time and attention writes Jenkins Deep down many of us feel the pace is killing us but we do not admit it very often After all everyone else seems to get along okay Something is killing us but it is not the pace It is the inattention to our deepest desire the desire for God Filled with humor and grounded in scripture *A Wakeful Faith* calls us to a refreshed sense of God's presence which can lead to spiritual well being in all dimensions of life Jenkins offers practical suggestions to rouse our spiritual wakefulness and alertness to God in daily living by showing how Jesus trained disciples to perceive the kingdom and to know God Appropriate for individuals and small groups *A Wakeful Faith* contains questions for reflection and discussion at the end of each chapter
