past as a third world nation The North on the other hand has never flourished These boys may not have known too much about what they were doing at the time but for the last seventy years they ve had so many confirmations of stirring victory This novel chooses to never forget these farm kids and city boys even after their war becomes a footnote of history **I Found Puppets Living In My Apartment Walls I Found Horror** Ben Farthing,2023-08-01 Can you tell me how to get out alive I can t remember the last time a book scared me and made this nervous Andrew Van Wey author of Head Like a Hole Johnny awakes A puppet looms over his bed He recognizes the furry monster Grandpa was its puppeteer on the children s television show R City Street But Grandpa went missing a year ago He disappeared from this very apartment building which was converted from the old R City Street studio Desperate to see Grandpa again Johnny follows the puppet inside the building s walls ever deeper into a puppet infested labyrinth I Found Puppets Living In My Apartment Walls is a horror tale from the darkly inventive purveyor of uncanny places and wondrous evils Ben Farthing **Ensign** ,2003
