The Royal Law of Liberty Darwin Chandler, 2003 This book is a frontal assault on all law based obedience oriented religion Most Christians carry a load of spiritual bondage condemnation guilt and shame Some are deeply despondent and depressed because this load is too heavy for them to bear Few Christians are truly confident in their personal relationship with God This situation exists because

- 1 Christians are generally unable to distinguish between actual sin versus mere human opinion about sin
- 2 Christians do not understand that Jesus set them free from obedience based religion
- 3 Christians do not know how to decide for themselves what is truly moral
- 4 Christians have no real experience of Christian Liberty

These issues are examined in sufficient detail to enable one to understand the radical nature of the freedom for which Christ set us free Gal 5 1 The author's goal is to destroy the roots of religious legalism so Christian believers can live the life of freedom which is their spiritual blood right Beginning with a development of the Master Key to Biblical morality the nature and implications of Christ's Law of Love are thoroughly explored Next the author discusses the true nature of morality answering the question What exactly makes a thing sinful Careful attention is given to the concept of defilement or uncleanness with a bold look at Paul's revolutionary statement that nothing is unclean of itself Rom 14 14 20 In Part Three Legalism is exposed in all its ugliness This section details the Biblical method for determining what is truly sin and what is merely human opinion Part Four destroys the bitter root of Legalism with persistent emphasis on the fact that Jesus Christ ended the rule of law by His life death and resurrection Part Five looks at the theology of Galatians the Christian's Emancipation Proclamation closing with pointed illustration of how this all affects a Christian's liberty to exercise personal choice in what s he will or won't do Five appendices explore several specific issues raised by the preceding study These include Conclusions About Christian Liberty Contradictory Scriptures Christian Liberty and Sexual Issues The Necessity Of Experiencing Freedom The Non Negotiables of Bible Study This is the only book on Christian Freedom written by an ex Fundamentalist The author was raised in an atmosphere of extreme legalism The first half of his Christian ministry was spent preaching defending and even debating the

concepts that he now seeks to destroy The author lived in legalism forty years He understands legalism He therefore knows how to attack its vulnerable spots His goal was not to write a book but to give to anyone who is interested information that will set them free from bondage to legalism and open the pathway to self government under the rule of love For more information on spiritual freedom visit the author s website www.freedomguide.net **EU Law in the UK** Sylvia de Mars,2020 How does EU law work in the real world What is the legal reality behind the Brexit debates How will law in the UK change now the country has left the EU EU Law in the UK Provides a Fresh Engaging and Relatable Account of EU Law It Covers All the Core Areas of EU Law Taught on Undergraduate Courses with a Post Brexit Perspective Interwoven Throughout Book jacket
