A Fine Dark Line Joe R. Lansdale, 2003-04-01 It is the summer of 1958 in Dewmont Texas a town the great American postwar boom passed by The kids listen idly to rockabilly on the radio and waste their weekends at the Dairy Queen And an undetected menace simmers under the heat that clings to the skin like molasses For thirteen year old Stanley Mitchell the end of innocence comes with his discovery of the mysterious long ago demise of two very different young women In his quest to unravel the truth about their tragic fates Stanley finds a protector in Buster Lighthorse Smith a black retired Indian reservation cop and a sage on the finer points of Sherlock Holmes the blues and life s faded dreams But not every buried thing stays dead And on one terrifying night of rushing creek water and thundering rain an arcane murderous force will rise from the past to threaten the boy in a harrowing rite of passage Vintage Lansdale A Fine Dark Line brims with exquisite suspense powerful characterizations and the vibrant evocation of a lost time **Proceedings** United States National
