## **Fine Romance:**

**Monogamy** Robert Von Hallberg, 2023-03-14 Monogamy elaborates an ideology of romance from extraordinary poems and songs one by one Poems and popular songs are still the main medium for preserving the rules of romance Each chapter is a meditation on one of eight commonplaces about love that it makes one monogamous sentimental vulnerable that its force is immediate and transformative or that it is a fickle force but cannot be bought and yet endures Strong poets and lyricists bend these notions as lovers do too Great poems and songs come from interstices between celebrated commonplaces felt desires and second thoughts The Book of Love is heterogeneous complicated Some love poems reach significant numbers through books and anthologies and eventually classroom textbooks and are held in memory by generations of admirers Many popular songs however have reached extremely large audiences beginning with Broadway musicals and continuing in the recordings of later jazz vocalists They are not read but they are firmly lodged in memory They are the only poems known by most audiences Canonical poems are imitated by aspiring poets and versifiers The actual verse culture is layered with light verse song lyrics and Shakespeare's sonnets To understand what poems effectively teach about romance in particular one should attend closely to songs too particularly in the U S since 1920 **I Can't Give You Anything but Love, Baby** Kristin

Stultz Pressley, 2021-01-28 Richard Rodgers Oscar Hammerstein Jerome Kern Irving Berlin and Dorothy Fields These are the giants of the golden age of musical theater Although she may not be as well known as her male counterparts Dorothy Fields was America's most brilliant and successful female lyricist who for five decades kept up with the greats As the only woman among the boys club of popular song Fields was welcomed by her fellow male artists who considered her as both an equal and a beloved colleague Working with thirteen different composers Fields wrote the lyrics and or librettos for unforgettable masterpieces such as Annie Get Your Gun Redhead and Sweet Charity Her more than four hundred songs include the standards On the Sunny Side of the Street Pick Yourself Up and The Way You Look Tonight among other classic tunes This book introduces the trailblazing Fields to audiences who may not know her name but surely know her five decades worth of work Beginning in the 1920s Fields was one of the few women writing for commercial theater and she did it so remarkably well that her work was recognized with a Tony Award an Oscar and the accolades of ASCAP president Stanley Adams who referred to her as the most important woman writer in the history of ASCAP **Lyrics (Songbook)** Hal Leonard

patients and doctors closely examining the implications for our health As Taylor shows evolutionary medicine allows us think about the human body and its adaptations in a completely new and productive way By exploring how our body s performance is shaped by its past Body by Darwin draws powerful connections between our ancient human history and the future of potential medical advances that can harness this knowledge *The Real Vocal Book - Volume I Songbook* Hal Leonard Corp.,2009-09-01 Fake Book The Real Vocal Book has many of the selections from Volumes 1 and 2 of the instrumental Real Books but now with complete lyrics added to the pre existing melody line This edition features 300 essential songs arranged for low voice including Alfie All of Me Autumn Leaves Bewitched Bluesette Don t Get Around Much Anymore Fever Georgia on My Mind Misty Moon River My Funny Valentine Satin Doll and more *Love Wars* Mary Irwin,2025-02-06 This is the first dedicated overview of the international television romantic comedy genre Mary Irwin builds on the critical work on cinematic romantic comedy to offer a dedicated critical analysis of the romantic comedy on the small screen Drawing on series from the 1960s to the present day Irwin presents five themed chapters around the theme of romantic love from searching for it and finding it to the love wars of the book s title to finding love later in life and in places you didn t expect Chapters explore the genre s key recurrent themes evolving attitudes to love relationships sex class and money feminism and post feminism changes in the nuclear family dramatised through contrasting romantic relationships and shifting discourses of masculinity situating them within the specific socio historic and cultural context in which the series are set Throughout Irwin underscores the centrality of women their friendships and their personal and professional lives and experiences to the television romantic comedy genre demonstrating that it is prominence of female characters and their interests and concerns which have most significantly affected the genre s thematic focus Crucially this thematic approach allows for explorations both of similarities in representations to be found in series decades apart and the way in which such representations ebb and flow across time Additionally the international nature of the comedies selected also makes possible comparison beyond national boundaries **Billboard** ,1947-01-25 In its 114th year Billboard remains the world s premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends
