**Fingerprints of God** Jennifer Rothschild, Beth Moore, 2015-08-15 The God who raised mountains and set the mighty waves in motion wants you to feel His tender touch While not skin on skin or 98.6 degrees God's touch is always personal Author speaker and recording artist Jennifer Rothschild understands that God guides us on pathways we cannot navigate alone God's essential touch separates us from all other created beings His touch warms affirms and guides us it communicates value and self esteem Fingerprints of God Recognizing God's Touch on Your Life teaches us to recognize six things we can experience because of God's touch honor intimacy shelter guidance redemption and refinement Contains Six weeks of personal daily Bible study requires approximately 30 minutes a day and Leader's Facilitator Guide **Miracles from the Fingertips of God** David Romero, 2020-04-13 Pottery has a mysterious ability to draw people in when they observe the process Before Jeremiah's day until a few centuries ago it was a craft that supported civilization on a daily basis The potter and his shop were absolute necessities in most communities David Romero has spent much time with his hands on the clay and while working God revealed His personal wish for the author It was demonstrated to him in a similar way as God did with Jeremiah in regard to Israel God opened the revelation to him through the scriptures of His desire to remake the author into His handcrafted creation Like the pot in Jeremiah the author realized he was marred But he also came to understand that God sent his son Jesus who is free from sin to get his hands dirty with the process of salvation He did that so we who believe would be remade and reconnected with the Father Discover how much God loves us what He's done for us and how we can enjoy His special love with **Miracles from the Fingertips of God** **Tracing the Hand of God** Chris Russo, 2019-11-27 Do you ever wonder if God really exists and if you are worthy of his love God's plan includes everyone who seeks him We can find his fingerprints in the lives of ordinary people and in the heart of ordinary circumstances In his second book Tracing the Hand of God author and pastor Chris Russo explores how we can find God in everyday life By examining the five fingerprints of God Russo helps us discover the value of opening our minds and hearts in faith The more we surrender the more we'll see God use us in his plan and this is where the real adventure of life begins Tracing the Hand of God shows us how even in the darkest of times God will use our unique talents giftings relationships and stories in ways we've never dreamed possible and always deliver us through struggles with resiliency and grace **God's Equal** Sigurd Grindheim, 2011-08-18 In this book Sigurd Grindheim argues that Jesus implicitly claimed to be God's equal and that his claim to be God's son must be understood in this light The argument unfolds through analysis of the gospel accounts regarding Jesus claims to inaugurate the Kingdom of God his understanding of his miracles his forgiveness of sins his expectation to be the ultimate judge of all the world his claim to speak with an authority that matches that of the Mosaic law the absolute demands he made to his disciples and his appropriation for himself of metaphors that in the Scriptures of Israel were exclusively used of YHWH Furthermore Grindheim traces these claims back to the Historical Jesus Through a

comprehensive examination of the primary sources Grindheim argues that Jesus claims go beyond the claims made on behalf of human and even angelic beings within Second Temple Judaism Jesus presents himself in a role that in a Jewish context was reserved for YHWH
