

Book Review

PHILIP EVERTS
Leiden University

Hans Mouritzen: *Finlandization: Towards a General Theory of Adaptive Politics*. Aldershot: Avebury, 1988, 463 pp.

One possible misunderstanding should be eliminated straight away: this is not a book about Finland and its relations to the Soviet Union, nor is it held that these relations are necessarily a good case of what is referred to in this book as "adaptive acquiescence", a term which according to the author would be more appropriate because unlike Finlandization it is part of a comprehensive typology and does not have negative value-associations. The title of the book, which suggests the opposite, is, therefore, somewhat confusing.

The nature and dynamics of the relations between regimes — or other social units — and their environment are the central theoretical focus of this book. In each of these relations there exists a value account or balance. Depending on the distribution of power and other factors these balances (the net result of exchanges) can be positive, negative, balanced, or negligible (when no exchange takes place). Corresponding with each of these balances there is a corresponding reaction from the unit in question. In the case of an unfavorable balance we speak of acquiescence. The reactions can be organized or non-organized. In the case of organized reactions we can distinguish between four corresponding "modes of adaptation" (domination, quiescence, balance, and adaptive acquiescence). If the effect is negative, i.e. when the unit is under net pressure from its environment, adaptation may also take the form of passivity (non-organized acquiescence) or of enthusiasm (non-adaptive acquiescence, the puppet regime). If such enthusiasm is lacking and regimes yet acquiesces in the hope of making the best out of an awkward situation we can speak of adaptive acquiescence. This type of regime orientation or mode of adaptation is

the central topic of this book. Put briefly, the aim of the book is theoretical and nomothetical: "to conceptualize adaptive acquiescence, and investigate its methods, dynamics and inertia" (p. 6).

After a number of theoretical exercises and excursions, adaptive acquiescence is finally defined in Chapter 6 (why not at the very end of Part I?), as (my summary): a situation in which a regime is under pressure from the environment to which it adapts by continuously and deliberately tolerating value losses, or infringements on declared values in exchange for increasing the probability of preserving core values. That is the purpose of adaptive acquiescence, which could also be called an active form of resignation. A certain minimum of defensive power or external autonomy is required for this purpose. One may question whether the best term for this is 'adaptive acquiescence' or rather 'acquiescent adaptation'. Anyway, adaptive acquiescence can be distinguished from other forms of adaptation by looking at what happens to the value account.

Adaptive acquiescence can lead to direct concessions to a dominant, challenging actor or, indirectly, to another actor perceived as an ally against the perceived unfavorable conditions. The concessions need not necessarily be directed at a specific other actor (Chapter 7). The book concentrates on one subtype: the direct version vis-à-vis an actor.

Adaptive acquiescence is not conceived of as a single policy or a set of policies but rather as an enduring pattern of behavior over a period of time, for which the term "foreign policy era" is used. This allows one to inspect how regimes, as part of an orientation of adaptive acquiescence, can use a number of strat-

Zak Cope

Finlandization Towards A General Theory Of Adaptive Politics:

Finlandization Hans Mouritzen, 1988 Dansk men engelsksproget og engelsk udgivet bog om finlandisering d v s kunsten at tilpasse sig i udenrigspolitisk henseende til stærkere modstanderlande jf forholdet mellem Finland og Sovjetunionen Begrebet bliver nøjere analyseret i denne lille bog med illustrative eksempler fra især Danmark og Sverige i forholdet til Sovjet

The Palgrave Handbook of Contemporary Geopolitics Zak Cope, 2024-11-01 The Palgrave Handbook of Contemporary Geopolitics features expert geopolitical analysis from internationally renowned experts in the field Reflecting the need for global analysis of national and regional politics The Handbook highlights the wider strategic economic cultural and security geography of contemporary international relations The contributions underscore the complex interplay between sociopolitical processes at the national level and their articulation at the regional and global levels

Historical Dictionary of Finland Titus Hjelm, George Maude, 2021-08-15 Finland was part of Sweden until 1809 it then became a Grand Duchy of the Russian Empire until it declared its independence on December 6 1917 From these humble beginnings Finland has emerged as an important player in the European Union and the world Historical Dictionary of Finland Third Edition contains a chronology an introduction and an extensive bibliography The dictionary section has more than 300 cross referenced entries on important personalities as well as aspects of the country's politics economy foreign relations religion and culture This book is an excellent resource for students researchers and anyone wanting to know more about Finland

The SAGE Handbook of European Foreign Policy Knud Erik Jorgensen, Aasne Kalland Aarstad, Edith Drieskens, Katie Laatikainen, Ben Tonra, 2015-04-30 During the last two decades the study of European foreign policy has experienced remarkable growth presumably reflecting a more significant international role of the European Union The Union has significantly expanded its policy portfolio and though empty symbolic politics still exists the Union's international relations have become more substantial and its foreign policy more focused European foreign policy has become a dynamic policy area being adapted to changing challenges and environments such as the Arab Spring new emerging economies powers the crisis of multilateralism and much more The SAGE Handbook of European Foreign Policy Two Volume set is a major reference work for Foreign Policy Programmes around the world The Handbook is designed to be accessible to graduate and postgraduate students in a wide variety of disciplines across the humanities and social sciences Both volumes are structured to address areas of critical concern to scholars at the cutting edge of all major dimensions of foreign policy The volumes are composed of original chapters written specifically to the following themes Research traditions and historical experience Theoretical perspectives EU actors State actors Societal actors The politics of European foreign policy Bilateral relations Relations with multilateral institutions Individual policies Transnational challenges The Handbook will be an essential reference for both advanced students and scholars

Tightrope: Finland and Hungary in the Cold War Dennis Werling, 2023-10-13 Finland and Hungary both fought on the losing side in WWII Yet the former was able to resist the overwhelming power of its Soviet neighbour

while Hungary whose status was uncertain until 1947 was not. Could the revolt of 1956 have been a turning point? How did the Helsinki Accords contribute to the end of the Cold War?

The Great Power (mis)Management Assoc Prof Alexander Astrov, 2013-03-28 Drawing on the empirical case of the Russian Georgian war of 2008 the book explores the theoretical underpinnings of the idea of great power management first articulated within the English School of International Relations. The contributors to the volume approach this idea from a variety of theoretical perspectives ranging from policy analysis to critical theory but all of them are addressing the same question: What does the Russian Georgian war of 2008 tell us about great power management as an institution of international society?

The Great Power (mis)Management Alexander Astrov, 2016-03-03 Drawing on the empirical case of the Russian Georgian war of 2008 the book explores the theoretical underpinnings of the idea of great power management first articulated within the English School of International Relations. The contributors to the volume approach this idea from a variety of theoretical perspectives ranging from policy analysis to critical theory but all of them are addressing the same question: What does the Russian Georgian war of 2008 tell us about great power management as an institution of international society?

The European Union and the Nordic Countries Lee Miles, 2005-06-28 The team of authors including academics from all five main Nordic countries provides an authoritative assessment of the intricate relationship between the EU and the Nordic countries.

Regionalism in the Post-Cold War World Stephen Calleya, 2018-03-29 This title was first published in 2000. This text describes, analyzes and projects the implications of regionalism on contemporary international relations. Regional policy positions are examined in order to increase our understanding of how the direct impact patterns of relations at a regional level of analysis are having in the shifting balance of international power. The book clarifies what types of regional dynamics are manifesting themselves in different parts of the world and consists of both theoretical and empirical assessments similar to those developed in the author's previous book on regionalism that ensures that the comparative analysis conducted is a comprehensive and coherent one.

The Geopolitics of Euro-Atlantic Integration Anders Wivel, Hans Mouritzen, 2004-06-01 No set of international relations is as thoroughly analyzed, commented on, taken apart and critiqued as the ties between Europe and the United States. A period of post Cold War integration has been buffeted by trade disputes, economic strife and differences in prosecuting the fight against global terrorism. Now for the first time there is an accessible and theory based analysis of European foreign policies in the post Cold War era. The authors argue that EU and NATO mediated geopolitics prevails in most of Europe but that raw geopolitics tends to pop up at the fringes of this thoroughly institutionalized area. Moreover the effects of past geopolitics persist in the collective memories of several states and compete with contemporary geopolitics in their policy formulations. Focusing on the post Cold War era *The Geopolitics of Euro Atlantic Integration* includes analyses of the Benelux, Nordic and Baltic countries, Central and East European countries and those in Southern Europe. This geographical range was made possible through contributions by leading European scholars and area experts. The coherence

of this edited collection is facilitated by constellation theory a new geopolitical theory explaining European foreign policies in a comparative perspective Scenarios for the future of Europe are formulated as well as perspectives for the constellation theory when applied to other parts of the world Of interest to political scientists observers academics and students this is an invaluable guide to post Cold War European relations Denmark and the European Union Lee Miles,Anders

Wivel,2013-07-31 This book offers an accessible coherent and comprehensive analysis of the recent contemporary and future challenges and possibilities facing Denmark in the European integration process The book traces the formal as well as the informal ways of influence and adaptation in Denmark s relations with the European Union In doing so it also offers a contribution to our understanding of Europe as a differentiated political arena Topics covered include Identifying the challenges and opportunities of Danish EU membership via the policies pursued by Denmark in Europe The ways in which Denmark adapts to the European integration process Consequences of EU integration for citizen rights democracy policy coordination and implementation efficiency Denmark and the European Union will be of interest to students and scholars of European Union and integration politics **The Nordic Civil Sphere** Jeffrey C. Alexander,Anna Lund,Andrea

Voyer,2020-01-07 The civil sphere is a distinctively democratic field in modern societies one that sustains universalizing cultural aspirations and organizational structures and that has tense and uncertain boundaries with other spheres of social life like the economy religion family and state Unlike the latter which are more particularistic and hierarchical in character the civil sphere defines itself in terms of solidarity the feeling of being connected with every other person in the collectivity The utopian ideals of democratic solidarity shape every modern society even if they are often compromised by the messy realities of social life This volume uses the theory of the civil sphere to shed new light on Nordic societies while at the same time drawing on the distinctive experiences of the Nordic nations to reflect on and advance the theory of the civil sphere Nordic societies have long been admired for creating a distinctive form of social democracy but this admirable achievement has not been well conceptualized theoretically Most attempts to explain Nordic social democracy focus on material and organizational factors This volume by contrast emphasizes the cultural foundations and characteristics of social democracy demonstrating how civil sensibilities are necessary for the creation of an egalitarian and democratic state Nordic civil spheres however are not only pro civil but also white in color European in ethnicity secular in character and gender equal in a subtly restrictive manner Such primordialization of state civility is vividly on display in the sometime tense relationships that develop among natives and foreigners in Nordic countries relationships that expose the primordial undersides of the social democratic codes and civil values that constitute the Nordic civil sphere A major contribution to the theory of the civil sphere and to our understanding of the cultural and normative underpinnings of social and political life this volume will be of particular interest to students and scholars of sociology and politics The Plurality of Truth Hanna Ojanen,2019-01-04

First published in 1998 this book breaks a path through the vast field of integration research showing how and why views on

the relationship between the state and integration have developed in time It illustrates the development by dialogues between representatives of opposing views and renders their plurality understandable through spelling out choices made in research and identifying the crucial background factors which direct research disciplinary divisions scholars methodological preferences views on science and theory and their values It further shows the decisive concrete influence of the views through displaying contradictory interpretations of two case studies Finnish integration policy and Nordic cooperation Concentrating on the immediate pre enlargement period these studies show how the question of the consequences of EU membership was tackled in practice This unconventional disposition is challenging in that it requires the reader to pay attention to revealing details but rewards with new insights into the kaleidoscopic nature of research construction of knowledge and the value of plurality Foreign Policy Change in Europe Since 1991 Jeroen K. Joly, Tim

Haesebrouck, 2021-08-27 In the past three decades the world has witnessed many rapid and invasive changes and seems to be changing countries have adapted their foreign policies to these changes Building on a clear typology of foreign policy change and a consistent theoretical framework this book offers a comparative analysis of foreign policy change in Europe throughout the post Cold War period Along the lines of our analytical framework country experts discuss how and why the further ever more rapidly in ways that seemed only imaginable in movies This book investigates how European foreign policies of eleven European countries have changed over the past thirty years This book hereby advances our understanding of the phenomenon of foreign policy change and identifies the most important drivers and inhibitors of change **Russia's**

European Agenda and the Baltic States Janina Šleivyte, 2009-12-16 Russian foreign policy has become an increasing concern in 21st century together with Russia's relations with its former Soviet neighbours but its relations with the Baltic States are particularly sensitive given the Baltic membership of NATO and the EU and Russia's increasingly fractious relations with those institutions This book discusses the development of Russia's approach to the new security architecture in Europe and assesses the prospects for a more active engagement of Russia in the Baltic Sea region and Europe as a whole The book considers the full range of issues affecting security including energy economic relations the special position of Russia's Kaliningrad enclave and Russia's special interest in the Russian minorities in the former Soviet Baltic states The evolution of Russian Baltic relations from 1990 2008 is set in the more general context of Russia's European agenda looking into the role and place of the Baltic States in this agenda It provides a comparative analysis of the European agenda in of Russia's foreign policy under Boris Yeltsin Vladimir Putin and Dmitry Medvedev and concludes that despite the replacement of the former Cold War stand off with a more positive climate and a complicated array of bilateral and multilateral contacts much more still needs to be done to engage Russia fully with the new Europe *Swedish Social Democracy and European Integration* Nicholas Aylott, 2019-01-22 First published in 1999 this volume why Europe's arguably most successful political party the Swedish Social Democratic Party become so divided over European integration Why were its grass roots so

reluctant to embrace EU membership and why did a Social Democratic government decide to stand aside from the launch of the single European currency What connection is there between Europe and the Swedish model of political economy While much has been written in English on Swedish Social Democracy little of this literature has dealt with its difficulties during the 1990s and especially with its acute problems over Europe This book fills that gap Using original primary data Nicholas Aylott addresses the topic from macro and micro political perspectives taking account of historical cultural geopolitical and economic constraints but also the interests and calculations of key individuals at critical junctures It places the experience of Swedish Social Democracy into a broad comparative framework drawing especially from the experiences of its Scandinavian sister parties Up to date analysis of the party s debate on EMU is included

Concepts of Non-Provocative Defence G. Wiseman, 2001-12-18 This book examines the viability of non provocative defence the controversial idea that defensive military policies and practices reduce the risk of wars and provide a viable basis for defending a society should war break out Drawing on case studies from Europe the 1991 Persian Gulf War and Asia Pacific the author concludes that non provocative defence concepts remain relevant and that they can help in deterring conducting and settling wars

The Soviet Union and Cold War Neutrality and Nonalignment in Europe Mark Kramer, Aryo Makko, Peter Ruggenthaler, 2021-03-22 The Soviet Union and Cold War Neutrality and Nonalignment in Europe examines how the neutral European countries and the Soviet Union interacted after World War II Amid the Cold War division of Europe into Western and Eastern blocs several long time neutral countries abandoned neutrality and joined NATO Other countries remained neutral but were still perceived as a threat to the Soviet Union s sphere of influence Based on extensive archival research this volume offers state of the art essays about relations between Europe s neutral states and the Soviet Union during the Cold War and how these relations were perceived by other powers

The Nordic Peace Clive Archer, Pertti Joenniemi, 2017-09-29 The first authoritative account concerning the lack of conflict in the Nordic region this text evaluates why the area is more peaceful than the rest of Europe and whether there is a lesson to be learned from the area Looking at cases where parts of the Nordic area have started to break away from the others and how this was achieved without violence it also explores the settlement of demarcation disputes By using this region as an example for the rest of Europe this book tests the hypothesis of the Nordic Peace using a number of approaches including historical political science peace research sociology and law This highly insightful piece of research is relevant for courses in international relations and European studies

European Integration and National Adaptations Hans Mouritzen, Ole Wæver, Håkan Wiberg, 1996 European Integration National Adaptations A Theoretical Inquiry

As recognized, adventure as with ease as experience roughly lesson, amusement, as capably as union can be gotten by just checking out a book **Finlandization Towards A General Theory Of Adaptive Politics** after that it is not directly done, you could understand even more approximately this life, approaching the world.

Finlandization Towards A General Theory Of Adaptive Politics Introduction

In the digital age, access to information has become easier than ever before. The ability to download Finlandization Towards A General Theory Of Adaptive Politics has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Finlandization Towards A General Theory Of Adaptive Politics has opened up a world of possibilities. Downloading Finlandization Towards A General Theory Of Adaptive Politics provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Finlandization Towards A General Theory Of Adaptive Politics has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Finlandization Towards A General Theory Of Adaptive Politics. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Finlandization Towards A General Theory Of Adaptive Politics. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Finlandization Towards A General Theory Of Adaptive Politics, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites

they are downloading from. In conclusion, the ability to download Finlandization Towards A General Theory Of Adaptive Politics has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Finlandization Towards A General Theory Of Adaptive Politics Books

1. Where can I buy Finlandization Towards A General Theory Of Adaptive Politics books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Finlandization Towards A General Theory Of Adaptive Politics book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Finlandization Towards A General Theory Of Adaptive Politics books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
7. What are Finlandization Towards A General Theory Of Adaptive Politics audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.

8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
10. Can I read Finlandization Towards A General Theory Of Adaptive Politics books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
