

Finnish Revolution

Titus Hjelm, George Maude

Finnish Revolution:

The Finnish Revolution Anthony F. Upton, (vol. I-II) **Revolutionary and subversive movements abroad and at home** New York (State). Legislature. Joint Legislative Committee to Investigate Seditious Activities,1920 *State and Revolution in Finland* Risto Alapuro,2018-11-05 By analysing the experience of Finland Risto Alapuro shows how upheavals in powerful countries shape the internal politics of smaller countries This linkage a highly topical subject in the twenty first century world is concretely studied by putting the abortive Finnish revolution of 1917 18 into a long historical and a broad comparative perspective Mannerheim Jonathan Clements,2012-12-11 Baron Gustaf Mannerheim was one of the greatest figures of the twentieth century and the only man to be decorated by both sides in the Second World War As a Finnish officer in Russian service he witnessed the coronation of the last Tsar and was both reprimanded for foolhardiness and decorated for bravery in the Russo Japanese War He spent two years undercover in Asia as an agent in the Great Game posing as a Swedish anthropologist He crossed China on horseback stopping en route to teach the 13th Dalai Lama how to shoot with a pistol and spying on the Japanese navy on his way home He escaped the Bolsheviks by the skin of his teeth in 1917 arriving in the newly independent Finland just in time to lead the anti Russian forces in the local revolt and civil war During Finland s darkest hour he lead the defence of his country against the impossible odds of the Winter War This major new life of Gustaf Mannerheim the first to be published for over a decade includes new historical material on Mannerheim s time in China

The Russian Revolution and Civil War 1917-1921 Jonathan Smele,2006-04-15 The Russian Revolution and Civil War in the years 1917 to 1921 is one of the most widely studied periods in history It is also somewhat inevitably one that has generated a huge flow of literature in the decades that have passed since the events themselves However until now historians of the revolution have had no dedicated bibliography of the period and little claim to bibliographical control over the literature The Russian Revolution and Civil War 1917 1921 offers for the first time a comprehensive bibliographical guide to this crucial and fascinating period of history The Bibliography focuses on the key years of 1917 to 1921 starting with the February Revolution of 1917 and concluding with the 10th Party Congress of March 1921 and covers all the key events of the intervening years As such it identifies these crucial years as something more than simply the creation of a communist state *The Finnish*

Revolution, 1917-1918 Anthony F. Upton,1980 **Revolutionary Radicalism: (vol. I-II) Revolutionary and subversive movements abroad and at home** New York (State). Legislature. Joint Committee Investigating Seditious Activities,New York (State). Legislature. Joint Legislative Committee to Investigate Seditious Activities,1920 **War in Peace** Robert Gerwarth,John Horne,2013-10-03 The First World War did not end in November 1918 In Russia and Eastern Europe it finished up to a year earlier and both there and elsewhere in Europe it triggered conflicts that lasted down to 1923 Paramilitary formations were prominent in this continuation of the war They had some features of formal military organizations but were used in opposition to the regular military as an instrument of revolution or as an adjunct or substitute

for military forces when these were unable by themselves to put down a revolution whether class or national Paramilitary violence thus arose in different contexts It was an important aspect of the violence unleashed by class revolution in Russia It structured the counter revolution in central and Eastern Europe including Finland and Italy which reacted against a mythic version of Bolshevik class violence in the name of order and authority It also shaped the struggles over borders and ethnicity in the new states that replaced the multi national empires of Russia Austria Hungary and Ottoman Turkey It was prominent on all sides in the wars for Irish independence In many cases paramilitary violence was charged with political significance and acquired a long lasting symbolism and influence War in Peace explores the differences and similarities between these various kinds of paramilitary violence within one volume for the first time It thereby contributes to our understanding of the difficult transitions from war to peace It also helps to re situate the Great War in a longer term context and to explain its enduring impact

Communism in Finland John H. Hodgson, 2015-12-08 A complete history of the Finnish Communist Party one of the most active and popular communist parties outside the Sino Soviet bloc Starting with the founding of the Finnish Social Democratic Party in the 1880 s leading to the founding of the Communist Party by dissident Social Democrats in the early 1920 s this book gives a detailed account of the activities goals and leadership of communism in Finland One major aspect of this study is the contention of the author that the war in Finland following Germany s defeat in 1918 was not a revolution fought against the Russian army but rather a civil war with Red Finn pitted against White Finn Originally published in 1967 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

Historical Dictionary of Finland Titus Hjelm, George Maude, 2021-08-15 Finland was part of Sweden until 1809 it then became a Grand Duchy of the Russian Empire until it declared its independence on December 6 1917 From these humble beginnings Finland has emerged as an important player in the European Union and the world Historical Dictionary of Finland Third Edition contains a chronology an introduction and an extensive bibliography The dictionary section has more than 300 cross referenced entries on important personalities as well as aspects of the country s politics economy foreign relations religion and culture This book is an excellent resource for students researchers and anyone wanting to know more about Finland

Finland and Russia, 1808-1920 D.G. Kirby, 1975-06-18 **Brotherhood of the Sea** Stephen Schwartz, 2020-03-06 In 1934 the Pacific Coast was shaken by a massive strike of waterfront workers on the docks and the ships In this mighty struggle the Sailor s Union of the Pacific quiescent since its defeat in the period after the first World War was reborn Fighting on San Francisco s Embarcadero led to the stationing of National Guard troops on the front This book looks at the Union from 1885 to 1985

The New Reformism

and the Revival of Karl Kautsky Douglas Greene, 2024-06-06 This text offers an authoritative historiography of German socialist theorist Karl Kautsky and his impact on debates about the Russian Revolution and the contemporary left Known as the Pope of Marxism Douglas Greene examines the totality of Kautsky's political career and dissects the fundamental opportunism and passive radicalism that defined his Marxism He later examines the most substantive Marxist critics of Kautsky namely Rosa Luxemburg V I Lenin and Leon Trotsky while offering a critical assessment of the work produced by scholars and activists Lars Lih Eric Blanc and Mike McNair seeking to revive Kautsky The New Reformism and the Revival of Karl Kautsky is an important addition to scholarship on the subject and a valuable resource for those interested in the Russian Revolution German politics socialism Marxism and contemporary left wing debates *Challenging Authority* Michael P. Hanagan, Leslie Page Moch, Wayne Ph Te Brake, 1998 As long as there have been formal governments there has been political contention an interaction between ruler and subjects involving claims and counterclaims compliance or resistance cooperation resignation condescension and resentment Where political studies tend to focus on either those who rule or those who are ruled the essays in this volume call our attention to the interaction between these forces at the very heart of contentious politics Written by prominent scholars of political and social history these essays introduce us to a variety of political actors peasants and workers tax resisters and religious visionaries bandits and revolutionaries From Brazil to Beijing from the late Middle Ages to the present all were or are challenging authority The authors take a distinctly historical approach to their subject writing both of specific circumstances and of larger processes While tracing their origins to the social history and structural sociology approaches of the sixties and seventies the contributors have also profited from subsequent critiques of these approaches Taken together their essays demonstrate that the relationship between mobilization for collective action and identity formation is a perennial problem for protest groups a problem that the historical study of contentious politics with its focus on political interaction can do much to explain **Revolutionary Social Democracy: Working-Class Politics Across the Russian Empire (1882-1917)** Eric Blanc, 2021-06-29 This groundbreaking study rediscovers the socialists of Tsarist Russia's imperial borderlands upending conventional interpretations of working class politics the Russian Revolution and Second International socialism Based on archival research in eight languages Revolutionary Social Democracy is the first comparative account of the numerous socialist parties that fought for democracy and workers power across the entire span of the Russian Empire from the factories of Warsaw to the oil fields of Baku to the autonomous parliament of Finland By demonstrating that the Russian Revolution was far less Russian than commonly assumed Eric Blanc challenges long held assumptions of historians sociologists and activists about the dynamics of revolutionary change under autocratic and democratic conditions Listen to Lay Led Unions episode on Revolutionary Social Democracy Working Class Politics Across the Russian Empire 1882 1917 featuring Eric Blanc Also listen to a panel discussion of Eric Blanc's groundbreaking new book **1917 and the Consequences** Gerhard Besier, Katarzyna

Stokłosa,2019-09-30 The Russian Revolution of 1917 has been one of the most important events of modern history It changed the course of the events not only in Russia but on a wider scale across the world while it influenced the flow of history throughout the twentieth century until the fall of the Soviet Union and to some extent well beyond this time Radical change in Russia triggered social revolutions and reformations across Europe while authoritarian systems shaped their societies according to the Russian model This book analyses these forces particularly at the European periphery which has been underexplored until this volume **Revolutionary World** David Motadel,2021-03-25 The first truly global history of revolutions and revolutionary waves in the modern age from Atlantic Revolutions to Arab Spring **Rethinking**

Revolutions from 1905 to 1934 Stefan Berger,Klaus Weinbauer,2022-12-13 This edited collection offers a timely and original perspective on the many upheavals and revolutions that broke out across the world during the earlytwentieth century With previous research tending to confine revolutions within national borders this book sets out to place them within a broader global sphere of thought and action The authors explore the time phase between the Russian Revolution of 1905 and the Asturian Revolution of 1934 including cases from South Africa Australia China the Middle East and Latin America Providing insights from leading scholars in the field this collection highlights the interconnectedness and transnationalism of upheavals and revolutions offering a new approach which integrates political social and cultural history Chapter 8 is available open access under a Creative Commons Attribution 4 0 International License via Link springer com **In Time of Storm** Pekka K. Hamalainen,1979-06-30 At the end of World War I in many European societies hitherto hidden or suppressed rivalries and tensions between competing socioeconomic and ethnolinguistic groups burst to the surface in violence revolution civil conflict and civil war The author of this book attempts to make a contribution toward the unraveling of these phenomena by exploring them within the context of one European society Finland and analyzing the complex and intertwining relationships between revolution and civil war on the one hand and ethnolinguistic and socioeconomic cleavages on the other *Memory, History, Nation* Susannah Radstone,2017-09-04 In the last decade a focus on memory in the human sciences has encouraged new approaches to the study of the past As the humanities and social sciences have put into question their own claims to objectivity authority and universality memory has appeared to offer a way of engaging with knowledge of the past as inevitably partial subjective and local At the same time memory and memorial practices have become sites of contestation and the politics of memory are increasingly prominent This inter disciplinary volume demonstrates from a range of perspectives the complex cultural work and struggles over meaning that lie at the heart of what we call memory The chapters in this volume offer a complex awareness of the workings of memory and the ways in which different or changing histories may be explained They explore the relation between individual and social memory between real and imaginary event and fantasy history and myth Contradictory accounts or memories in direct contradiction to the historical record are not always the sign of a repressive authority attempting to cover something up The tension

between memory as a safeguard against attempts to silence dissenting voices and memory's own implication in that silencing runs throughout the book. Topics covered range from the Basque country to Cambodia from Hungary to South Africa from the Finnish Civil War to the cult Jim Jarmusch movie *Dead Man* from the Rock and Roll Hall of Fame to Australia. Part I *Transforming Memory* is concerned primarily with the social and personal transmission of memory across time and generations. Part II *Remembering Suffering Trauma and History* brings the after effects of catastrophe to the fore. Part III *Patterning the National Past* the relation between nation and memory is the central issue. Part IV *And Then Silence* reflects on the complex and multiple meaning of silence and oblivion wherein amnesia is often used as a figure for the denial of shameful

Finnish Revolution Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Finnish Revolution PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Finnish Revolution PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the

materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Finnish Revolution free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Finnish Revolution Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Finnish Revolution is one of the best book in our library for free trial. We provide copy of Finnish Revolution in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Finnish Revolution. Where to download Finnish Revolution online for free? Are you looking for Finnish Revolution PDF? This is definitely going to save you time and cash in something you should think about.
