Johnstone,2022-04-26 Johnstone Men on a Treacherous Trail Riding Shotgun Settling the American West required true grit fortitude and when necessary shedding blood It also required men like Preacher and MacCallister to enforce peace in a land where the law was scarce and justice was delivered from the barrel of a gun THE DEVIL S CROSSING Wagon trains carrying immigrants along the Oregon Trail are falling prey to outlaws Most families surrender their valuables and goods peacefully but anybody brave enough to resist gets a bullet The gang s latest victim was a wagon master who sought to protect his charges only to die in the dust With the blood of good men being spilled and families being terrorized Preacher and Jamie MacCallister volunteer to escort the next wagon train Preacher travels with the settlers while MacCallister trails along at a distance scouting for trouble Their odyssey across the unforgiving territory takes them through violent storms and into the sights of hostile Indians Battered and weary the travelers are no match for the blood lusting trigger happy gang and Preacher is unprepared to meet the one outlaw he never expected to see again Live Free Read Hard

Translated (from the Oxford Theatre Edition) [by J. Warr]. Quintilian, 1686 *After the Fall of the Dragon King* Shaquilla Lunsford, 2023-06-27 A case of mistaken identity A family secret A world she didn't know existed A power she can't control and two polar opposite males You know what they say Be careful what you wish for All Silvia wanted was to escape her father's paranoia and go off to college to do all the things normal seventeen year olds did Then a powerful organization appears murders her parents and kidnaps her sister instead of her Now Silvia finds herself navigating the world of Fenriel where creatures she'd only read about in books abound and everything and everyone wants her dead Caught between two Fae warriors one sweet burly male and one the King of Shadows she fights to master her new power But will she be in time to save her sister *Timberwolf* Tom Julian, 2023-12-19 Once a top black ops agent Timberwolf Velez's world shatters when he encounters Kizik a malevolent psychic alien spider that leaves a lasting mark on his psyche Haunted by his past Timberwolf now faces an ominous threat as a religious fanatic unearths a hidden cache of unimaginably destructive weapons Will Timberwolf rise above his shattered mind and prevent the galaxy from descending into irreversible chaos With an ensemble of captivating characters and exhilarating twists at every turn TIMBERWOLF Book One in the Spy Fi Timberwolf Series will keep you on the edge of your seat Brace yourself for a heart pounding action packed page turner that refuses to release its grip *Pandora's Game* Christopher Andrews, 2000-11 College students Neil Carpenter and Mark Hudson set out to create The Triumvirate a comic book about supernatural creatures who resist their evil natures and hunt their own kind When Neil learns hypnosis in his Psychology class he proposes to use it to enrich the characters they could hypnotize themselves into thinking that they ARE the characters then exchange interviews To test the idea Neil assumes the identity of the vampire the independently wealthy and deeply religious Alistaire Bachman The Game begins a Game that leads to a whirlwind of confusion murder and impossibility Praise for Pandora's Game Pandora's Game is written in a unique way where it is more of a memoir written by Neil to tell everyone what has really happened I am not a very big fan of the first person point of view but Andrews uses it in a way that improves the story instead of detracting from it Near the end of the book the point of view changes without warning and while not

something that would be a recommended technique it adds greatly to the plot In many ways Andrews writes like an author with much more experience behind him than he actually has And while there are certain scenes that showed the inexperience those scenes were few and far between I expect Christopher Andrews to become a fantastic author I highly recommend Pandora s Game especially to those who are looking to discover a new author Pat McGreal Horror Novels Online Newsletter March 2nd 2000 This isn t just a story of two young men going mad This isn t a story of a hypnotism game going wrong It is much more than that and that is what makes this book so interesting Pandora s Game takes this to a new level Andrews shows a lot of versatility in this book handling 15th century Germany as well as a modern day college setting The supernatural scenes both set now and in the past are written with as much competence and style as Poppy Z Brite or Anne Rice yet at the same time other parts of the book show normal college kids getting drunk and having fun at parties To write both in a natural way and switch seamlessly between the two is something that I have seen many authors try and fail I started Pandora s Game because I had to review it but I kept on reading it because I was enjoying it so much that is why it will be Book Of The Month in June 2001 Lesley Meade Booknet June 1 2001 Praise for Christopher Andrews next novel Dream Parlor Dream Parlor has been likened to 1984 with a tone similar to The Running Man I was impressed with the characters Corbit makes a good egotistical Villain with believable motivations and Eli s desire to fill his fathers shoes and at the same time lack of belief in himself made him an easy to identify with hero Dana Jacob Derby and the other less major characters were also well fleshed out too often characters are used to bring the plot along then forgotten about but that didn t happen here An amazing read and one that I think would appeal to a much wider audience than the usual science fiction crowd Lesley Meade Booknet June 1 2001
