Losing Control Louise Williams, Roland Rich, 2014-01-10 A free press is not a luxury. A free press is at the absolute core of equitable development according to World Bank President James Wolfensohn. A free press is also the key to transparency and good governance and is an indispensable feature of a democracy. So how does Asia rate? In *Losing Control*, leading journalists analyse the state of play in all the countries of North Asia and Southeast Asia. From the herd journalism of Japan to the Stalinist system of North Korea, *Losing Control* provides an inside look at journalism and freedom of the press in each country. One conclusion: a combination of new technology and greater democracy is breaking the shackles that once constrained the press in Asia. Brings together Asia's best and brightest observers of the press.
