The Anti-Globalist Manifesto Jerome R.

Corsi, 2024-08-13 In his new book *The Anti Globalist Manifesto Ending the War on Humanity* bestselling author Jerome Corsi puts out a call for action to reverse the totalitarian goals of the New World Order globalists Corsi addresses that these demons are well advanced in their planned One World Government takeover aimed at establishing an atheistic utopia that will have no respect for traditional human rights Comfortable that their transhuman aspirations are achievable the Malthusian elite is waging a war on humanity that embraces global depopulation as a means of preventing Earth's abundant natural resources for themselves Tracing this dystopian nightmare back to the assassination of President John F Kennedy on November 23 1963 as the day the deep state went rogue in a conspiracy involving the CIA the Pentagon the State Department and the Department of Justice to affect a coup d'état that would allow the military industrial complex to go to war in Vietnam the deep state has created an ongoing Truman Show a series of never ending psychological operations designed to induce citizens worldwide to surrender freedoms to government in return for security With the premise that the globalist elite uses systems of mass manipulation and social engineering to induce the world's population to accept the implementation of the reforms it has already decided to implement Corsi sets a detailed plan for organizing global resistance against the subversives who now sit at the top of the institutions of world government and finance *The Anti Globalist Manifesto* is a call to action to restore God to our lives as those of us fighting for a return to personal freedoms and limited government ending the war on humanity and driving once and for all time the New World Order globalists back to Hell where they belong

Partisan Sex Fedwa Malti-Douglas, 2009 Sex politics and the law characterized the Clinton era which began with the emergence of Bill Clinton as a presidential candidate with a train of sex scandals and ended with the attacks of September 11 2001 The Monica Lewinsky affair was the climax of the phenomenon and the resulting scandal had far reaching effects Politics became the language and the means for battles over sex Sex and politics became metaphors for each other as American society struggled to come to terms with its sexual and political anxieties *Partisan Sex Bodies Politics and the Law in the Clinton Era* explores the high cultural anxieties of the left and the masculinity hang ups of the right the exploitation of romance imagery and hot sauce bottles the obsessions with Hillary Clinton's breakfasts and the rise of a society of voyeurs Amazon.com

First Ladies Betty Boyd Caroli, 2019-04-05 Betty Boyd Caroli's engrossing and informative *First Ladies* is both a captivating read and an essential resource for anyone interested in the role of America's First Ladies Caroli observes the role as it has shifted and evolved from ceremonial backdrop to substantive world figure This expanded and updated fifth edition presents Caroli's keen political analysis and astute observations of recent developments in First Lady history including Melania Trump's reluctance to take on the mantle and former First Lady Hilary Clinton's recent run for president Caroli here contributes a new preface and updated chapters Covering all forty five women from Martha Washington to Melania and Ivanka Trump and including the daughters daughters in law and sisters of presidents who

served as First Ladies Caroli explores each woman's background marriage and accomplishments and failures in office This remarkable lot included Abigail Adams whose husband became a twentieth century feminist refrain Jane Pierce who prayed her husband would lose the election Helen Taft who insisted on living in the White House although her husband would have preferred a judgeship Eleanor Roosevelt who epitomized the politically involved First Lady and Pat Nixon who perfected what some have called the robot image They ranged in age from early 20s to late 60s some received superb educations for their time while others had little or no schooling Including the courageous and adventurous the ambitious and the reserved these women often did not fit the traditional expectations of a presidential helpmate First Ladies is an engaging portrait of how each First Lady changed the role and how the role changed in response to American culture These women left remarkably complete records and their stories offer us a window through which to view not only this particular sorority of women but also the role of American woman in general

The Clinton Charisma Donald T. Phillips, 2025-06-25 It is often overlooked but Bill Clinton assumed the presidency in one of the most difficult times in our nation's history The country was in a deep recession the end of the Cold War had created new threats to our national security and our health care system was in shambles The country has now come full circle Leadership has been replaced with self interest cronyism and fear More than ever Bill Clinton's candor and success in adversity warrant revisiting during this age of a closed door administration and governmental incompetence The Clinton Charisma is a fascinating prescriptive guide that reveals the former president's complex leadership techniques including his attention to public opinion his ability to take quick corrective action and his efficient damage control in the face of political and personal difficulty From diversity to decisiveness from consensus to compromise each chapter explores how Clinton employed important leadership principles and the ways in which they were or were not effective The author asks in the introduction Are there lessons to be learned from his time in office from his damage control strategies from his ability to implement diversity or from his decision making process The answer as Donald T Phillips's The Clinton Charisma makes compellingly clear is yes

The Clinton Presidency Stanley Renshon, 2019-06-26 The Clinton presidency faced a basic set of public questions at the outset regarding its real intentions strategies and competence Would the administration be able to develop and implement policies that were constructive in intent fair in formulation and successful in result Would President Clinton be able to govern as successfully as he campaigned Would there be a productive fit between Clinton's leadership style and the needs of the public Additional questions arise about Clinton personally Many admire him others distrust him What realistic basis is there for either view This book explores these questions and develops an initial appraisal of the Clinton presidency The chapters herein are framed by theories of political leadership and psychology They draw on a diverse body of theories including psychological theories of character and personality cognitive psychology and communication theory theories of presidential leadership and performance and theories

of public psychology The goal is to examine the many facets of leadership and governing that constitute the modern presidency and to locate Bill Clinton's emerging presidency within that framework Bill Clinton is and likely will remain a controversial president One objective of this analysis is to provide a clearer more objective framework in which to evaluate both the man and his approach to political leadership and executive power and the consequences of his approach for public psychology and policy

The Myth of Russian Collusion Roger Stone, 2019-02-19 For the first time in paperback New York Times best selling author Roger Stone's insider tell all about the presidential campaign that shocked the world This consummate political strategist continues to be front page news and has updated the book to respond to Robert Mueller's charges Two years ago Roger Stone a New York Times bestselling author longtime political adviser and friend to Donald Trump and consummate Republican strategist gave us Making of the President 2016 the first in depth examination of how Trump's campaign delivered the biggest presidential election upset in history But since then the Deep State political establishment has worked tirelessly to undo those results The Myth of Russian Collusion adds to and updates Stone's initial work to set the record straight Trump's election win was a resounding repudiation of the failed leadership of both parties The American people wanted something new and President Trump has delivered his tax cuts and regulatory rollbacks have given us the strongest economy in American history he is relentless in his efforts to protect American citizens and he refuses to do business as usual But America's ruling elite and liberal media feeling threatened have conspired to create the biggest witch hunt in our country's history The phony narrative that Trump was in cahoots with Vladimir Putin Mueller's charges that Roger Stone knew about the Wikileaks emails before release all is debunked here With a new introduction that responds to the Mueller investigation The Myth of Russian Collusion is the true story of the Trump campaign that the establishment doesn't want you to believe

Financing the 2016 Election David B. Magleby, 2019-04-30 Money and politics in an election that broke the mold Beginning with the 1960 election readers could turn to one book for an authoritative and comprehensive examination of campaign finance at the federal level Now the latest in this respected series Financing the 2016 Election explores the role of money in one of the most unconventional elections in modern American history A team of leading scholars has dug into the roles played by political parties and special interest groups including their Super PACs in the presidential and congressional elections of 2016 David Magleby and his team of experts examined Federal Elections Commission reports and interviewed dozens of key participants including representatives of virtually all the major interest groups active in the 2016 election cycle They place that election in the context of how U S elections have been financed during recent decades a context that illustrates how dramatically different campaign finance is today from the past Among the most important changes has been the growth of so called Super PACs which have become increasingly important both in the financing they provide candidates and in their ability to act independently both for and against candidates Overall Super PACs doubled their spending in 2016 from four years earlier Taking a comprehensive approach this book helps readers

understand how the financing of elections including the increasing reliance by candidates on outside special interest groups ultimately affects politics and public policy **How Trump Won** Joel Pollak, Larry Schweikart, 2017-01-17 A book to challenge the status quo spark a debate and get people talking about the issues and questions we face as a country
