**Teaching and Learning English in the Primary School** Gila A. Schauer, 2019-10-11 This book is the first comprehensive investigation of interlanguage pragmatic issues in a primary school context that is based on both primary school teachers' statements on their own teaching realities, views and preferences and a thorough investigation of materials used by teachers and recommended by teacher educators in the state the primary schools are located in. It offers a contrastive analysis of primary school learners acquiring English in a typical English as a foreign language school context and their age peers in the same state that are exposed to English in a school immersion context. This book will be of interest to scholars, researchers, educators in higher education that focus on English language teaching, second language acquisition and applied linguistics. It is also intended for students who are planning to become primary school teachers of English as a foreign language.

**BWANA MKUBWA - BIG GAME HUNTING AND TRADING IN CENTRAL AFRICA 1894 TO 1904** Robert Wright, 2012-11-01 Big game hunting and trading in Central Africa from 1894 to 1904. The Robert Wright memoirs are an interesting and sometimes humorous window into the life of the European pioneers of Northern Rhodesia and the British East African Protectorate from 1894 to 1904. Robert and his brother David were initially employed as coffee farmers in the Blantyre district. Their sense of adventure soon led them to start a business hunting trophy animals and trading for ivory and rubber from Lake Tanganyika to the Katanga province of the Congo. Robert was a keen photographer and fortunately many of his photographs have survived and are included in this book.

**Grandma's Excited to Write a Book!** Ann

Githere, 2019-10-03 Writing a book is an exciting project especially when the topic is so close to home. My life story how exciting can that be? I found it very appealing. But was there something about my story that would appeal to anyone else? Born a twin in Honolulu, Hawaii just before the bombing of Pearl Harbor, I experienced a truly loving family. My dad and mom, John and Ella Mendiola, loved each other and it rubbed off on all of us. We all went to Catholic schools and Star of the Sea became the focal point of our lives. The Marist Fathers and the Sisters of Notre Dame de Namur were part of our family. So it was that I became a Sister of Notre Dame, went off to serve God in California and back in Hawaii and finally across the world at the equator in Kenya. Then the whole world changed again for me. I exchanged the nun's veil for the bride's veil. God had decided to reward me for my twenty years of faithful service. He gave me Gilbert Gicaru Githere. And I said Thank You God Mahalo nui loa.
