What the Bible teaches, a thorough and comprehensive study Reuben Archer Torrey, 1898 Topical Bible Studies David Lendway, 2019-08-19 This book is Volume I of three volumes containing a collection of Bible topics allowing the reader to easily identify and with little or no effort commit to memory exactly what God expects of them from within His written Word Although this will not necessarily bring about the reader's ability to remember precisely where each of these topics appears in the Bible's book chapter and verse it will after reading enough of these topics make their daily Bible reading much easier and so much more enjoyable due to their new found understanding The reader will also discover when studying topic by topic they will remember the subject matter much better than when these particular subjects flew by them at lightning speed while reading along in their Bible These self contained Bible studies work for everyone It doesn't matter where one stands in their faith or how much they know about the Bible these studies will work For those who are well rooted in the Word these studies will work for them as a review those who own an average understanding of God's Word will be able to use these studies not only as a review but also for learning something that God has said and they had previously missed Those who know very little about the Word of God will be able to learn a great deal from these topical studies since they are self contained and require no explanation because all commentary is backed up with book chapter and verse from the inspired Word of God Those who know nothing about the Word and are seeking to learn about God the Father God the Son God the Holy Spirit their salvation and the existence of this spiritual world they have heard so much about will now be able to learn straight from His Word right in the comfort of their living room whatever it is they want to know

Adult Bible Studies Spring 2022 Student Rev. Dr. Rita B. Hays, 2022-01-18 Adult Bible Studies Spring 2022 Theme Follow The lessons this quarter are confined to two units so that we can observe the season of Lent Authentic discipleship involves

imitating Jesus and we must begin with an understanding of Jesus as Messiah and the kingdom to which he invites us to belong. We soon discover as we follow Jesus that his kingdom turns our expectations totally upside down. As we walk with Jesus we must admit that we sometimes totally miss the mark. Yet Christ forgives us, restores us and equips us to live into our identities as Christ followers. As his followers we have responsibilities and opportunities to help grow the kingdom. One way is through stewardship, a concept that is much broader than we may think. Our role involves using not only our physical resources but indeed our very lives as grace-filled cohabitants in God's marvelous creation.

Unit 1: The Mark You Make
Discipleship in Mark's Gospel is often described as the way of the cross because of the repeated emphasis upon following Jesus on the way to Jerusalem and the command to take up one's cross and follow Jesus (Mark 8:34). In this season when we commemorate Jesus' journey to Jerusalem, we give our attention to various aspects of discipleship we find in Mark's Gospel. Scriptures: Mark 8:27-38, Mark 9:38-50, Mark 10:35-45, Mark 11:12-14, 20-25, Mark 13:5-8, 28-37, Mark 14:27-42, Mark 16:1-8.

Spiritual Practice: Reflection and self-examination

Unit 2: The Steps You Take
Creation care has become a prominent topic of discussion in Christian congregations and seminaries during the last couple of decades. While disagreement exists about human responsibility for climate change and to what extent we should limit human activity for the purpose of preservation of endangered species and habitats, Scripture makes clear that God takes pleasure in creation and that our role as stewards requires that we appreciate creation and take our responsibility as stewards seriously. Scriptures: Psalm 104, Leviticus 25:1-13, Deuteronomy 14:22-29, Job 38:4-11, Joel 2:18-26, Romans 8:19-22, 2 Corinthians 9.

Spiritual Practice: Nurture and care of all creation
