The Wedding of the Lamb James L. Papandrea,2011-01-01 The Wedding of the Lamb does not fit into any of the traditional categories of interpretation for the book of Revelation The author uses historical sources to combine New Testament interpretation with the history of the Roman early Christian period to present an interpretation that is meant to approximate the way the early Christians would have understood the text Far from a doomsday message the message of Revelation is one of hope for a Church in the midst of persecution The result is an interpretation which unlike the proliferation of fictionalized accounts of the end times recognizes that most of the images in the book of Revelation are references to events in the history of the Church

The Anti-Gospel Edward Hendrie,2012-03-19 Edward Hendrie uses God s word to strip the sheep s clothing from false Christian ministers and expose them as ravaging wolves preaching an anti gospel The anti gospel is based on a myth that all men have a will that is free from the bondage of sin to choose whether to believe in Jesus The Holy Bible however states that all men are spiritually dead and cannot believe in Jesus unless they are born again of the Holy Spirit Ephesians 2 1 7 John 3 3 8 God has chosen his elect to be saved by his grace through faith in Jesus Christ Ephesians 1 3 9 2 8 10 God imbues his elect with the faith needed to believe in Jesus Hebrews 12 2 John 1 12 13 The devil s false gospel contradicts the word of God and reverses the order of things Under the anti gospel instead of a sovereign God choosing his elect sovereign man decides whether to choose God The calling of the Lord Jesus Christ is effectual all who are chosen for salvation will believe in Jesus John 6 37 44 The anti gospel

has a false Jesus who only offers the possibility of salvation with no assurance The anti gospel blasphemously makes God out to be a liar by denying the total depravity of man and the sovereign election of God All who preach that false gospel are under a curse from God Galatians 1 6 9

Russia in the Reign of Aleksei Mikhailovich Grigorii Karpovich Kotoshikhin,2014-01-01 The book presents the first English edition of On Russia in the Reign of Aleksei Mikhailovich by Grigorii Kotoshikhin This is the only native source describing the character of the

seventeenth century Russian state and society It offers a unique and detailed picture of the nature of Russian autocracy the life at the tsar s court social mores of the nobles and commoners of those times military affairs diplomatic relations etc The book is a veritable ethnographic encyclopedia of early Russian life With broad commentaries and supporting materials provided by the translator Benjamin Uroff and the editor Marshall Poe it provides an invaluable source for understanding XVII century Muscovite Russia The Peacemaker; Or, the Religion of Jesus Christ in His Own Words ... By the Rev. Robert Ainslie ,1870 READING THE PARABLES OF JESUS INSIDE A JEEPNEY Revelation E. Velunta,2017-11-01 If you ve ever driven down the entire length of Aurora Blvd in Cubao or any regular in city route for that matter you would know how Jeepneys bring a whole new meaning to the word disruptive They snake through traffic at full throttle and screech to a full stop all while incessantly honking cutting corners and negotiating with passengers to scoot over and make room so more passengers can board Most private car owners me included will find jeepneys annoyingly frustrating I am a church worker see and I try to keep my cussing at a level minimum but when I am sharing the road with jeepney drivers all bets are off I scream and all hell breaks loose from my mouth The object of irritation would be the Jeepney and its driver The apparent lack of consideration for law abiding motorists like me the blatant disregard for traffic rules and the thorough abandonment of all good manners and right conduct on the road So it seems You see jeepneys ferry tired day laborers students public school teachers taho vendors rank and file employees fast food servers strangers and friends back to their homes after a very long day The Jeepney and its counterpart the tricycle is the only reliable means of transport in almost all major thoroughfares in the metro Jeepney drivers are your salvation when it s monsoon season when you need to get from one end of the street to the other for just 8 Pesos When you experience the jeepney by virtue of your road encounter from your airconditioned car with cherry bubble gum freshener and Bruno Mars on spotify you will most likely hate jeepneys for everything that they are annoying frustrating disrupting But if you experience the jeepney as your everyday mode of transport the rest of the bourgeois world is just one huge shitpile of things and people that make your life more difficult than it already is Revelation Velunta s Jeepney Hermeneutics brings to the fore this contrast of locations It surfaces a reading that when done from inside a jeepney could breathe a whole new truth into the text any text but more profoundly the Parables attributed to Jesus of Nazareth In the era of allegory and standard interpretations and proper driving conduct and road manners Velunta s Jeepney Hermeneutics is a necessary disruption to the ways in which we as faithful Bible readers and law abiding motorists capable of doing no wrong conduct and view ourselves Reading the Parables of Jesus inside a Jeepney is good news for everyone in the jeepney which is roughly 70% of the general population in the Philippines It is bad news for those in the remaining 25% and an absolute horror story for those in the uppermost 5% And if truth is a matter of statistics the truth that is preached by Velunta is indeed truest Those who would feel insulted by these truths will realize by the end of this book that they are exactly that which is wrong in this world and they should quite honestly repent before a Jeepney runs them over by Pastor

Wedded to the Land?

The Gospel of John in the Sixteenth Century Craig S. Farmer,1997-04-10 This study of Johannine exegesis in the sixteenth century covers nearly every important commentator on John from the first half of the century and examines the medieval and patristic traditions on which they drew. But while comprehensive in its scope, this book centers on the John commentary of Wolfgang Musculus (1497-1563), an influential leader of the Protestant Reformation in the cities of Augsburg and Bern. As a theologian and biblical scholar, he authored a large number of theological and exegetical works which remained popular well into the seventeenth century. Despite his influence, however, Musculus has been virtually ignored by modern scholarship on the Reformation.
