Histoire De Saint Boniface Tome1:

Proclaiming the Gospel to the Indians and the Metis Raymond J.A. Huel,1996-07 Since their arrival in Red River in 1845 the Missionary Oblates of Mary Immaculate have played an integral role in the history of Canada's North West The Oblates followed the Hudson's Bay Company trade routes into western Canada They believed ardently in the importance of bringing the word of Christ to natives of what to the Oblates was a new land Competition with Protestant missionaries added pressure to the missionary work of the Oblates In recent years the Oblates have acknowledged that their converts radically torn from traditional native worship and spirituality made a sometimes troubled embrace of Christianity Guided by their vision of Christian society and norms the Oblates went on to work with the Government of Canada to provide health care and education to treaty Indians on the prairies Their strong identity as both French and Catholic helped shape both native and non native communities throughout Canada's North West Metis Pioneers Doris Jeanne MacKinnon,2018-03-15 In *Metis Pioneers* Doris Jeanne MacKinnon compares the survival strategies of two Metis women born during the fur trade one from the French speaking free trade tradition and one from the English speaking Hudson's Bay Company tradition who settled in southern Alberta as the Canadian West transitioned to a sedentary agricultural and industrial economy MacKinnon provides rare insight into their lives demonstrating the contributions Metis women made to the building of the Prairie West This is a compelling tale of two women's acts of quiet resistance in the final days of the British Empire **Spoiled Heritage** Jeannette Lebleu Richter,2020-09-10 It is 1882 in a French Canadian village south of Winnipeg and Justine B langer has had her first taste of love at sixteen After a stolen kiss in the churchyard with her handsome older cousin Adrien Larence she dreams of a future with him But her hopes are dashed when he announces his plans to join the priesthood one of the few ways for a French Catholic to get ahead in a largely English Protestant population Although Adrien's ambition and passions ultimately get him expelled from the seminary his attempts to succeed in the English dominated business community are blocked That is until he unexpectedly becomes partners with an unwed and pregnant Irish maid who starts up a business in the flourishing brothels of Winnipeg While Adrien follows his own course Justine finds love and builds her own life as wife mother and teacher Yet Adrien's path is destined to crisscross her own and ultimately her feelings for him force her to make a choice that could affect the rest of her life Set against the historical backdrop of Louis Riel and the Saskatchewan Rebellion and a time when French Manitobans found their language education and faith endangered and eroded *Spoiled Heritage* The Manitobans brings to life the details of the rich culture close knit family life and day to day living of a courageous minority population that faced injustices and a threat to their religious and language rights The Identities of Marie Rose Delorme Smith Doris Jeanne MacKinnon,2012 Marie Rose Delorme Smith was a woman of French M tis ancestry who was born during the fur trade era and who spent her adult years as a pioneer rancher in the Pincher Creek district of southern Alberta The *Identities of Marie Rose Delorme Smith* examines how Marie Rose negotiates her identities as mother boarding house owner
