Historic Cape Cod Lighthouses James Claflin, 2003 **Lighthouses and Life Saving Along Cape Cod** James Claflin, 2014 For centuries heroic men and women have guarded the treacherous yet beloved Cape Cod coastlines From Provincetown to Chatham Sandwich to Cuttyhunk and many towns in between residents have relied on the Atlantic for employment and nourishment But Cape Cod has always been plagued with a shifting coastline that consistently defies mariners efforts to pass through Massachusetts waters In 1792 as shipping increased mariners petitioned for a sorely needed lighthouse It was not until 1797 that the first lighthouse on Cape Cod was built at the Highlands in North Truro More lights and rescue stations would follow as the seas claimed their toll Many lightship stations were also established from Chatham through Nantucket Sound to mark the constantly changing sandbars submerged offshore more than in any other spot along the US coastline Today as sea levels change and sands continue to shift some of these historic stations have been lost or moved while still others are preserved only in such photographs as these **American Lighthouses** Ray Jones, Bruce
