King In Blood Red And Gold:

The King in Blood Red and Gold Terry Deary, 2007 In the last year of Queen Elizabeth's reign both 13 year old William Marsden and his grandfather seize on the chance of spying on the Scots Reivers But there are terrible dangers ahead and they will need all their courage and cunning The Gardeners' Chronicle, 1903 The Man Who Believed He Was King of France Tommaso di Carpegna Falconieri, 2009-05-15 Replete with shady merchants scoundrels hungry mercenaries scheming nobles and maneuvering cardinals The Man Who Believed He Was King of France proves the adage that truth is often stranger than fiction or at least as entertaining The setting of this improbable but beguiling tale is 1354 and the Hundred Years War being waged for control of France Seeing an opportunity for political and material gain the demagogic dictator of Rome tells Giannino di Guccio that he is in fact the lost heir to Louis X allegedly switched at birth with the son of a Tuscan merchant Once convinced of his birthright Giannino claims for himself the name Jean I king of France and sets out on a brave if ultimately ruinous quest that leads him across Europe to prove his identity With the skill of a crime scene detective Tommaso di Carpegna Falconieri digs up evidence in the historical record to follow the story of a life so incredible that it was long considered a literary invention of the Italian Renaissance From Italy to Hungary then through Germany and France the would be king's unique combination of guile and earnestness seems to command the aid of lords and soldiers the indulgence of inn keepers and merchants and the collusion of priests and rogues along the way The apparent absurdity of the tale allows Carpegna Falconieri to analyze late medieval society exploring questions of essence and appearance being and belief at a time when the divine right of kings confronted the rise of mercantile culture Giannino's life represents a moment in which truth lies history and memory combine to make us wonder where reality leaves off and fiction begins **Herbert's Poems: Attila, king of the Huns. 1838** William Herbert, 1838 **Journal** Royal Society of Antiquaries of Ireland, 1870

Into the Bloodred Woods Martha Brockenbrough,2021-11-02 Happily ever after is a lie Once upon a time there was a kingdom and a forest that liked to eat men and a girl who would change everything but not alone Except There s no such thing as once upon a time In a faraway land populated by were beasts and surrounded by a powerful forest lies a kingdom about to be sent into chaos On his deathbed King Tyran divides his land leaving half to each of his two children so they ll rule together However his son Albrecht is not satisfied with half a kingdom And even though his sister Ursula is the first born he decides that as a girl and were bear she is unfit to rule So he invades her land slaughtering her people and most of the were beasts and claims it for himself As King Albrecht builds his iron rule and an army to defend his reign Ursula is gathering the survivors and making plans to seize back the kingdom Not just her half the whole thing Because Albrecht should have never been allowed to sit on the throne and Ursula is going to take his crown And if he s not careful he might not get to keep his head either
