King's Country Marie Johnston, 2021-06-07 Our families have feuded for years but when I get myself hurt during a winter storm Dawson King rides in like a cowboy Prince Charming and tucks me into his bed until I get better It s suddenly hard to remember why I don t like him From Marie Johnston comes an enemies to lovers small town romance Dawson King s mom died because of my dad s poor decisions and ever since I ve been at the bottom of the King Ranch manure pile Years later our circumstances couldn t be more different I m left running my decrepit ranch and he s right next door in his big house with his fat and happy cattle and he sneaks treats to my horse Everyone in town loves him while hating me is their favorite game Yet when I get hurt in the middle of a snow storm he s the only one there to help me When I m recovering at his place he takes care of me and I start to forget the resentment between us and remember the friendship we had as kids He treats me like he sees beyond my caustic personality and the high emotional barriers I ve erected thanks to my rough upbringing What I don t know is that he s hiding a secret that gives him millions of reasons behind his motivation to get close to me The clock is ticking for Dawson and his generous trust fund and if I don t succumb to his intoxicating charm I ll end up back in the hovel I came from with a broken heart But if I fall hard I m not sure if he ll have a reason to be there to catch me King s Country is a standalone novel in the King s Creek series formerly published as the Oil Kings series For readers who also like Ann Mayburn Carly Phillips Carrie Ann Ryan Cat Johnson Catherine Cowles Chelle Bliss Cherise Sinclair Cheyenne McCray Claudia Burgoa Debra Holt Devney Perry Diana Palmer Esther E Schmidt Genevieve Turner Helen Hardt Jane Henry Janet Dailey Jeanne St James Jenna Jacob Jennifer Ryan Julia Sykes Kennedy Fox Kim Loraine Lani Lynn Vale Lauren Blakely Lauren Landish Laylah Roberts Lexi Blake Linda Lael Miller Lindsay McKenna Lorelei James Lori Wilde Maisy Yates Max Monroe Melissa Foster Nicole Snow Renee Rose Samantha Madisen Shayla Black Sophie Oak Stephanie Rowe Susan Stoker Vi Keeland Vivian Arend Willa Nash Willow Winters Zoe York Erin Wright Laramie Briscoe Kylie Gilmore Kait Nolan Tracy Alvarez Lili Valente Vanessa Vale Tawdra Kandle Colleen Hoover Maya Banks Penelope Sky Kendall Ryan Kennedy Fox Chelle Bliss Sarina Bowen Penelope Ward Marie Force Melissa Foster Kristen Proby Devney Perry Susan Stoker Tessa Bailey Jana Aston Sally Thorne Christina Lauren Elle Kennedy Julia Kent Sylvia Day K A Linde Jessica Hawkins Rachel VanDyken Jodi Ellen Malpas L J Shen Natasha Madison Emily Henry Corrine Michaels and Kylie Scott romance books contemporary romance small town best friends cowboy romance western romance marriage and family series starter romance series romance saga romantic family saga bestseller romance steamy sexy heartwarming heart warming family love love books kissing books emotional journey captivating romance emotional healing hot hot romance forbidden love second chance romance loyalty swoon funny romance modern romance forbidden romance enemies to lovers friends to lovers family business strong female lead strong heroine top romance reads best seller romance novels love story angst American western unrequited love adult romance mature romance rodeo heartbreak breakup strong woman contemporary women full length steamy angsty first love romance

series series mistaken country westerns series starter first in series farming and ranching romance Montana **The King Country, Or, Explorations in New Zealand** James Henry Kerry-Nicholls, 2011-12-22 This 1884 work by a Victorian gentleman explorer recounts a journey into then unexplored and hostile Maori territory *The King Country; or, Explorations in New Zealand* J. H. Kerry-Nicholls, 2022-09-15 In *The King Country or Explorations in New Zealand* J H Kerry Nicholls offers a profound exploration of New Zealand's rugged landscapes and rich cultural tapestry during the late 19th century Through vivid descriptions and a reflective narrative style Kerry Nicholls immerses readers in both the breathtaking beauty and the complex sociopolitical realities of the King Country The book serves as a vital historical document juxtaposing the natural allure of the land with the rich traditions of the M ori and the impacts of colonialism thereby contextualizing the interplay between environment and identity in a rapidly changing world J H Kerry Nicholls a noted geographer and traveler was deeply influenced by his experiences in the colonies and by the burgeoning interest in ethnography and exploration prevalent at the time His unique perspective stems from his commitment to documenting not only the physical landscapes he traversed but also the lives and customs of the indigenous people This synthesis of keen observation and historical insight reflects an author dedicated to presenting a multifaceted view of New Zealand's heritage For readers interested in the intersections of geography culture and history *The King Country* is an indispensable resource Kerry Nicholls eloquent prose and meticulous research will captivate historians travelers and anyone keen to understand the essential narratives that shape New Zealand today **The King Country: Explorations in New Zealand A Narrative of 600 Miles of Travel Through Maoriland**  
**The King Country: Explorations in New Zealand A Narrative of 600 Miles of Travel Through Maoriland** James Henry Kerry-Nicholls, 2020-09-28 IN publishing this record of travel I have deemed it advisable to arrange my narrative under four principal divisions In the introductory portion I refer to the leading physical features of that part of the North Island of New Zealand known as the King Country relate the leading incidents connected with its history describe the condition of the native race and explain the object with which my journey was undertaken The succeeding chapters deal with my visit to the Maori King when presenting my credentials from Sir George Grey at the tribal gathering held at Whatiwhatihoe in October 1882 The description of the Lake Country includes my route from Tauranga on the East Coast to Wairakei and which led me through the marvellously interesting region familiarly termed the Wonderland of New Zealand while in the pages embracing my explorations in the King Country I record events as they occurred from day to day over a lengthy journey which was delightful on account of its novelty and variety and exciting by reason of the difficulties both as regards natural obstacles inseparable from the exploration of an unknown region under the unfavourable conditions by which I was constrained to carry it out and the deep rooted jealousy of the native race against the intrusion of Europeans into a portion of the island which is considered by them to be exclusively Maori territory When it is considered that in company only with my interpreter and with but three horses ultimately reduced to two and with what scant provisions we could carry I

accomplished considerably over 600 miles of travel discovered many new rivers and streams penetrated almost inaccessible regions of mountainous forest found extensive areas of open plains suitable for European settlement traced the sources of three of the principal rivers of the colony examined the unknown shores of its largest lake ascended one of the highest mountains of the southern hemisphere experienced degrees of temperature varying from 80 in the shade to 12 below freezing point and successfully traversed from South to North through its entire length a territory with an area of 10 000 square miles and which had been from the early history of the colony rigorously closed to Europeans by the hostility of the native tribes it may be readily seen that the explorations by their varied nature disclose many important facts hitherto unknown concerning a vast and beautiful portion of New Zealand and while they cannot fail to prove of practical utility to the colony they will I venture to think be a welcome addition to geographical science The map appended to this work may be said to form the most complete chart of the interior of the North Island as yet published Up to the present time the extensive territory embraced by the King Country has owing to the obstruction of the natives never been surveyed and consequently many of its remarkable physical features have remained unknown the existing maps of this part of the colony being mere outlines As therefore considerably more than half of the country traversed was through a region which was to all intents and purposes a terra incognita from the commencement of my journey I adopted a system of barometrical measurements and topographical observations and thus secured a supply of valuable material which I mapped out from day to day while the names of mountains rivers valleys and lakes were obtained from the natives by the skilful assistance of my interpreter who was at all times unceasing in his endeavours to carry out this part of the work with accuracy
