King Priest:

The King-Priest in Samuel Nicholas Majors, 2023-05-23 Scholars studying the ANE have noticed that Canaanite kings ruled as a representative of their god and served in a priestly role Yahweh allows Israel to have a king like all the nations Deut 17 14 but he shapes the monarchy according to his covenant A key question remains does God s allowance for a king like all the nations include a king priest model This study presents a synchronic view of the king as a priest within the MT of Samuel analyzing the motif and considering how the narrator heightens the hope for the coming anointed one whom the narrator describes as both king 1 Sam 2 10 and priest 2 35 36 This study will argue that from the monarchy s inception Yahweh considered Israel s kingship a sacral task My study examined the king as a priest through a synchronic literary theological approach Melchizedek's Blessing: A Priest and a King Ahmed musa, 2024-12-13 In this book we will explore Melchizedek s story in greater depth examining his role as a priest king and blessing in the context of biblical history and theology We will explore how his priesthood foreshadows the eternal priesthood of Christ how his kingship points to the reign of Jesus as the Prince of Peace and how his blessing of Abraham continues to echo throughout the pages of Scripture Through this exploration we will discover the lasting significance of Melchizedek s life and how his story continues to shape our understanding of God s redemptive plan King, Priest, and Prophet Robert J. Sherman, 2004-03-02 The doctrines of the atonement and the Trinity are central not only to the Christian faith but also to Christian systematic theology Over the last decade or so one or another theological interpretation of either of these doctrines has assumed pride of place among theologians Before Robert Sherman though no theologian has ever dared to read the atonement in light of the Trinity Most of the time atonement theories simply focus on the redeeming work of Jesus Christ without any reference to Christ s relationship to the Father and the Spirit of the Trinity But as Sherman argues Christ s atoning work is diverse and cannot be limited to one who ransoms our sins or to one who has victory over our sins although in Sherman s view Christ s atoning work includes these tasks and more He offers here a constructive theological proposal that connects Trinity with the rubrics of prophet priest and king to help explain Christ s atoning work One can understand adequately neither Christ s multifaceted reconciliation of a complex humanity to God nor that reconciliations fundamental unity as God s gracious act apart from the Trinity Without this framework one will likely stress one person of the Trinity one aspect of God s reconciling work and or one understanding of the human predicament to the exclusion of others and the detriment of theology both systematic and pastoral Sherman s constructive theological proposal suggests that we should recognize a certain correspondence and mutual support between the three persons of the Trinity the three offices of Christ king prophet priest and the three commonly recognized models of his atoning work Christus victor vicarious sacrifice moral exemplar Sherman s book offers a well nuanced and well grounded constructive theology of Trinitarian atonement and is a significant addition to the Theology for the Twenty First Century Series Robert J Sherman is Professor of Christian Theology at Bangor Theological Seminary in

Maine His work has appeared in such publications as the Scottish Journal of Theology the International Journal of Systematic Theology and The Journal of Religion Prophets, Priests, and Kings: A New Way to Consider Spiritual Gifts Gabe Sylvia, 2024-01-05 Toward the end of his life the Lord Jesus told the disciples the church would do the work that he had done and greater works in these last days Building on the finished work of Christ by the power and gifting of the indwelling Holy Spirit believers do these works as prophets priests and kings in what the church has called the gifts of the Holy Spirit Through study of the Old Testament saints who filled these offices Christ to whom they point and important New Testament texts Sylvia builds the paradigm for local church leaders to use to identify and deploy their church members in spiritually gifted ministry This paradigm is anchored in the Scriptures and can be used in congregations across the theological spectrum This book lays out a path for taking seriously the Lord's assertion that in these last days by the power of the Spirit and for the glory of God the church will do great things Of Priests and Kings: The Babylonian New Year Festival in the Last Age of Cuneiform Culture Céline Debourse, 2022-02-28 Editing and examining source critically for the first time the Late Babylonian ritual texts dealing with the New Year Festival this book proposes an incisive re interpretation of the most frequently discussed of all Mesopotamian rituals The festival's twelve day paradigm is dissolved in favor of a more historically dynamic model with the ritual texts being firmly anchored in the Hellenistic period As part of a larger group of texts constituting what can be called Late Babylonian Priestly Literature they reflect the Babylonian priesthoods fears and aspirations of that time much more than an actual ritual reality **All the Messianic Prophecies of the Bible** Herbert Lockyer, 1988-09-30 This compendium of all the prophecies in Scripture concerns the promised Messiah Dr Lockyer's discussion is divided into two sections Specific Messianic Prophecies and Symbolic Messianic Prophecies **The Greatest Need in the Church, Form #17.099** Brook Stockton, 2024-11-16 Perceiving the majesty of Christ All the Parables of the Bible Herbert Lockyer, 1963 A study and analysis of the more than 250 parables in Scripture **Psalms 101-150** Abraham Kuruvilla, 2024-04-10 This three volume commentary on the Psalms engages hermeneutics for preaching employing theological exegesis that enables the preacher to utilize all the psalms in the Psalter to craft effective sermons It unpacks the crucial link between Scripture and application the theology of each preaching text psalm what the author is doing with what he is saying in each psalm is explored and explicated While the primary goal of the commentary is to take the preacher from text to theology it also provides a sermon outline for each of the preaching units in the Psalms The unique approach of this work results in a theology for preaching commentary that promises to be useful for anyone teaching from the Psalter with an emphasis on application **The Complete Works of Richard Sibbes, D.D.: Bowels opened, or, expository sermons on canticles IV. 16, V, VI** Richard Sibbes, 1862 *Complete Works* Richard Sibbes, 1862 **The Complete Works of Richard Sibbes, D.D.** Richard Sibbes, 1862 The Complete Works of Richard Sibbes D D by Alexander Balloch Grosart first published in 1862 is a rare manuscript the original residing in one of the great libraries of the world This book is a reproduction of that original

Worship As It Is In Heaven John Dickson, Chuck D. Pierce, 2011-08-25 According to the Psalms God is enthroned on the praises of His people and it is from that throne that He governs the heavens and the earth If this picture of God's rule found throughout the Scriptures is accurate shouldn't the Body of Christ seek to praise the King of heaven and earth in ways that release His kingdom government into specific circumstances John A Dickson and Chuck D Pierce coauthors of *Worship As It Is in Heaven* offer the church a fresh look at heaven's pattern of worship instituted in David's tabernacle and renewed through Jesus apostles in the earliest days of the church This apostolic worship is God's chosen way of establishing His will on earth through worship the forces of darkness are pushed back and righteousness prevails In *Worship As It Is in Heaven* readers are invited to enter in to a fullness of worship that the world has too rarely seen worship that is the conduit of God's government of peace justice and holiness on the earth
