A Bibliography of Modern Arthuriana (1500-2000) Ann F. Howey, Stephen Ray Reimer, 2006. Annotated bibliography of the Arthurian legend in modern English language fiction, not only in literary texts but in television, music, and art. The legend of Arthur has been a source of fascination for writers and artists in English since the fifteenth century when Thomas Malory drew together for the first time in English a variety of Arthurian stories from a number of sources to form the *Morte Darthur*. It increased in popularity during the Victorian era when after Tennyson's treatment of the legend, not only authors and dramatists but painters, musicians, and film makers found a source of inspiration in the Arthurian material. This interdisciplinary annotated bibliography lists the Arthurian legend in modern English language fiction from 1500 to 2000, including literary texts, film, television, music, visual art, and games. It will prove an invaluable source of reference for students of literary and visual arts, general readers, collectors, librarians, and cultural historians, indeed by anyone interested in the history of the ways in which Camelot has figured in post-medieval English-speaking cultures.

ANN F. HOWEY is Assistant Professor at Brock University, Canada. STEPHEN R. REIMER is Associate Professor at the University of Alberta, Canada.

Knight Quest Chris Blake, 2013. When Tom breaks a museum statue, he releases an ancient curse. Now he must go back in time to track down six hidden amulets. On his second quest, Tom meets King Arthur's heroic knights. He must prove his bravery in a race to find a legendary golden sword.

Perceval, Or, The Story of the Grail Chrétien de Troyes, 2011-03-15. In this verse translation of *Perceval* or *The Story of the Grail*, Ruth Harwood Cline restores to life the thematically crucial Arthurian tale of the education of a knight in his search for the Holy Grail. Cline's translation is faithful to the highly synthetic, deliberately ornate nature of medieval French. Follows Perceval from his home in Wales through his rich and raucous adventures as a member of the fraternity of knights to his climactic meeting with the Fisher King. Paralyzed by his first glimpse of the Grail, Perceval fails to save the ailing king. Distraught, the knight begins a new quest for the Grail, a journey on the road of penitence and faith. Perceval's venture, the true test of his knighthood, ends without conclusion; the death of author Chrétien de Troyes left unsaid and undetermined the success of Perceval's quest.
