Forsberg Jr.,2016-02-29 *Divine Rite of Kings* Land Race Same Sex and Empire in Mormonism and the Esoteric Tradition is a social historical political analysis of the religion of the Latter day Saints as deeply indebted to a variety of esoteric systems of belief It argues that the present campaign against gay marriage and other homophobic policies of the American religion targeting the LGBTQ community and indeed children of same sex parents are connected to erstwhile racial doctrines and practices which excluded persons from full fellowship on the basis of race alone Africans the supposed offspring of Cain and Canaan and thus cursed Narrow heterosexist notions of sexual purity merely replaced Anglo Saxon supremacist notions of racial purity in the imperial and the millennial understanding of Mormonism The new heterosexism this book suggests can be viewed as a form of boundary maintenance better suited to an emergent international church and world religion ironically which continues to make inroads in parts of Asia where its social conservatism and indeed virulent attacks against the gay and lesbian lifestyle continue to attract followers      **National Genealogical Society Quarterly** ,2006      *Heritage Quest* ,2005      **German Genealogical Digest** ,      **Bibliographic Index** ,2008      Red Book Alice Eichholz,2004 provides updated county and town listings within the same overall state by state organization information on records and holdings for every county in the United States as well as excellent maps from renowned mapmaker William Dollarhide The availability of census records such as federal state and territorial census reports is covered in detail Vital records are also discussed including when and where they were kept and how Publisher description
