**Women** Bernard Chapin, 2007-09 In *Women Theory and Practice* Bernard Chapin challenges the accepted theories of feminism and sexual equality in this thought provoking revolutionary look at the battle of the sexes in the twenty first century This book captures the true essence of today's apocryphal gap between men and women and how it affects not only the workplace but also romantic relationships and the interactions of men and women everywhere Chapin introduces a truly contrarian argument against society's current atmosphere of political correctness He also makes a convincing case for the hidden damage caused by the women's movement and the popular mindset that women are no longer just the fairer sex they are the better sex Chapin questions the rationale behind policies and laws created to protect women's rights and to construct equality in the workplace Chapin

describes society's current backlash against men and how it has created a culture that has wrongly declared women to be intellectually morally and emotionally superior Women Theory and Practice provides a clear rational argument against a popular socio political atmosphere that has turned women into demi gods and men into second class citizens *Wedding Cake for Breakfast* Kim Perel, Wendy Sherman, 2012-05-01 Every woman plans for the big wedding day Few plan for the day after But once the cake has been cut the dress has been worn and the band has played its last song a marriage begins From the thrill and dread that comes with an unplanned pregnancy to catching up with an ex and having second thoughts *Wedding Cake for Breakfast* offers an intimate and often surprising look at that first year of marriage through the eyes and lives of 23 acclaimed women writers With humor and candor this collection takes readers behind closed doors for close ups and personal glimpses into the emotional joys and complications of creating a life together all the while blending families furniture and traditions for the very first time Gathered together in this hilarious and heartwarming anthology some of today's most renowned female voices including New York Times bestselling authors Susan Jane Gillman Joshilyn Jackson and Jill Kargman share their most touching and illuminating stories from the first 365 days of matrimony **Citizen Brand** Marc Gobe, 2006-09-02 Leading brand designer Marc Gob builds on his highly successful Emotional Branding strategy with *Citizen Brand* a powerful new concept designed to help companies earn the trust of today's consumers Gob argues that corporations need a new vision to survive in the present emotional economy challenging them to develop more passionate human and socially responsible brand strategies He shows how to transform Consumers to People Products to Experiences Honesty to Trust Quality to Preference Identity to Personality and Service to Relationship **The Book Bible** Susan Shapiro, 2022-02-01 A Brilliant Buoyant Guide to Publishing Your Book Hundreds of thousands of books come out every year worldwide So why not yours In *The Book Bible* New York Times bestseller and wildly popular Manhattan writing professor Susan Shapiro reveals the best and fastest ways to break into a mainstream publishing house Unlike most writing manuals that stick to only one genre Shapiro maps out the rules of all the sought after sellable categories novels memoirs biography how to essay collections anthologies humor mystery crime poetry picture books young adult and middle grade fiction and nonfiction Shapiro once worried that selling 16 books in varied sub sections made her a literary dabbler Yet after helping her students publish many award winning bestsellers on all shelves of the bookstore she realized that her versatility had a huge upside She could explain from personal experience the differences in making each kind of book as well as ways to find the right genre for every project and how to craft a winning proposal or great cover letter to get a top agent and book editor to say yes This valuable guide will teach both new and experienced scribes how to attain their dream of becoming a successful author **Girlfriend Getaways** Pam Grout, 2005 **Little Pink Dress** Monsurat Ottun, 2011-04-05 The spirit of a woman is amazing and yet often times misunderstood We are multi dimensional unique and come in all different forms At times we lose our sense of self and forget to appreciate those things about us that make us beautiful inspirational strong powerful

essentially those things that make us who we are Little Pink Dress is a collection of poems that represent a coming of age story From the Closet to the Runway a woman s journey from feeling Minimized by her past and previous encounters and then learning to appreciate herself as she lifts her spirit into feeling Elevated It is a journey about questioning right and wrong good and bad and realizing the love of self is the ultimate key to happiness Once we can identify and embrace our own confidence in who we are we see that ultimately we can be our own best friend princess charming girlfriend We are the key to our destiny And that is what this book represents the ability and desire to fall in love with one s self and find peace and confidence in that Feel free to check it out on Facebook **Good Girls Finish Last** Sarah Parvis,2004-09 Treasury of remarks on bad behaviour from some of the sharpest funniest women The Girls' Guide to Surviving a Break-Up Delphine Hirsh,2003-01-16 A guide for dealing with a romantic break up offers step by step advice on how to tell parents and friends about the situation and suggests ways to express anger pamper oneself and effectively weather a difficult situation

**Professional Tarot** Christine Jette,2003 Whether readers want to begin reading Tarot cards professionally or improve the success of their established business here is the only book available on how to make money with Tarot The author draws on her own vast experience to help set fees advertise on a shoestring budget make money on the Internet or by telephone and more **Women First, Men Last** , To Bed or Not To Bed Vera Bodansky,2005-12-19 The differences between the sexes create both fun and tension Most men want sex either with a new or current partner Woman want sex too but are trained to put up obstacles so as not to seem easy TO BED OR NOT TO BED presents specific information on how to use these differences to create more pleasure and intimacy in bed and elsewhere The authors provide proven sexual and sensual methods used successfully with their clients including exercises The book takes readers on a journey that leads not just to the bedroom but ultimately to a better relationship by showing how to take advantage of special techniques that bring a couple years of pleasure and happiness together The book includes a chapter written especially for women another written especially for men Change How You See, Not How You Look J. Alison Hilber,2002 CELEBRATION That s the goal To find ourselves respecting rejoicing and praising our bodies in all their glory no matter what size shape age or ability we are blessed to be This requires lightness and depth inside and outside joy a longing to know and accept ourselves just as we are and a belief that all we have to do is remember that we are worthy of love and capable of giving it unconditionally to ourselves This book is offered as a guide to that journey This process is not about figuring out why we look the way we do There are no strategies here for dieting or for how to manage our emotions so we don t eat or insinuations that being fat is about not loving ourselves Emotional issues can sometimes lead to excess fat meaning above your natural weight and many of us use food as a drug But being shamed and feeling guilty only compounds those issues In most cases being fat is just another way to be This process is about changing the way we see not the way we look Once our self view changes the issues regarding our emotional relationship with food will naturally adjust to their healthiest place because self care will no longer

require will power Self care only requires self love Scientists say that if 11 per cent of a society's members change their mind there will be a cultural shift Eleven per cent is very attainable But it must begin inside each one of us something I will be repeating throughout the book Your mind must change your energy in the world must shift your inner light must shine Then and only then can you hope to have any influence on the larger reality But first things first This is a book about choices and the tools to help you make the ones best suited to you There is no reason that you can't love yourself no matter what you look like and make choices only as they suit your own higher purpose It is from this center of self loving energy that you will manifest your true self in the Universe Finally it is important to understand that this book is not about big bodies being better than small bodies It is about small bodies not being better than big bodies It is about no bodies being better than any other bodies And though the emphasis may seem to be on size please be assured that no matter what issues you have about your appearance whether it be weight age facial hair baldness or bowed legs this book can help you see through different eyes and find your true inner vision Change How You See Not How You Look provides Power Tools at the end of every chapter little hints affirmations rituals ways of helping you deal with the culture the media belief systems relationships spirituality the body mind spirit split and healing There are tools to deconstruct what you believe about women in general and about yourself in particular and tools to help you rebuild remember and restore the integrity and inherent beauty of your body and your spirit so you can begin joyfully celebrating every part of your being

#### **Constructing Virtue and Vice** Olga V.

Trokhimenko, 2014 The study examines textual representations of women's laughter and smiling and their imagined connection to female virtue in a wide variety of discourses and contexts of the German Middle Ages including medieval epic ecclesiastical texts conduct literature lyric and sculpture By engaging with the competing and at times contradictory views of female laughter it reaffirms a disputatious nature of medieval culture in which multiple views of femininity sexuality and virtue stood in a conflicting yet productive dialogue with one another The society that emerges when one looks at medieval German texts is always ambivalent it thrives on and enjoys talking about sensuality and eroticism while being constrained by the conventions of polite behavior and the fear of sin it relies on the ritual use of laughter while marking it as a sign of lust and perdition Women's laughter thus offers an important way into understanding medieval views of gender because it combines physicality with shifting and conflicting cultural norms
