## **Late Rapture:**

Late Rapture Jane Arbor, 1978      Rapture's Witness Tim LaHaye, Jerry B. Jenkins, 2009 Three nonbelievers and a pastor search for answers when people suddenly disappear and three quarters of the world fall to disease and natural disaster as a world leader who might be the Antichrist comes to power      **The End May Be Farther Than You Think** Jack Uresk, 2011-08-01 Is it possible that The earth will be devastated by objects from space prior to the second coming of Jesus Christ There may be a considerable length of time perhaps decades between the first signs of the coming of the Lord and the actual descent The four horsemen of the apocalypse have no relationship to the last days Armageddon will be the greatest battle never fought There may be more than one coming of Christ Everyone will be left behind because there will be no pre tribulation rapture Weve already missed the Great Tribulation This book explores these and other possibilities      When Now Becomes Too Late T. L. Farley, 2004      *Prophets and Prophecy in the Late Antique Near East* Jae Hee Han, 2023-11-09 Offers an interdisciplinary account of prophecy as a topic of discourse among various late antique Near Eastern communities Against assumptions that prophecy ceased in the past this book argues that it remained a topic of discourse among various Near Eastern communities      *Worthy to Escape* Adrian Zenz, Marlon L. Sias, Adrien Zenz, 2012-11 A captivating fresh analysis of Bible prophecy that sheds new light on God s eternal truths about the events of the End Times      *The Late Great United States* Mark Hitchcock, 2010-05-18 Will God Bless America Even in the End Times Every day brings more news of a world that seems to teeter on a disastrous precipice Wars of genocide Massive earthquakes and typhoons The rising cost of foreign oil Terrorist bombings Economic disasters and lost security Crushing federal debt Famine and worldwide hunger a tidal wave of illegal immigrants How many of these events and crises are signs of the end times And what will become of the United States Will America continue to slip as today s lone world superpower and will it even exist when the sounds of warfare rumble at the Battle of Armageddon Clearly explaining the end time prophecies of Scripture Mark Hitchcock shows that today s geopolitical situation corresponds remarkably to what the Bible predicted thousands of years ago Prophecies previously dismissed as unbelievable now read like news headlines Learn of America s final fate and the outcome of dire events at the end of the age as Mark Hitchcock teaches how to find the only lasting hope in a God who will not forsake us no matter what cataclysms we experience on earth      Rapture's Roadway Virginia Jealous, 2019-02-01 After the death of her father Lonely Planet writer Virginia Jealous travels across the world to document the life of his obsession the scandalous 20th century poet Laurence Hope in a unique blend of memoir and travelogue John Jealous was sixty and poet Laurence Hope had already been dead for eighty years when he became incomprehensibly obsessed with her After his death his daughter Virginia finds herself drawn into the extraordinary life and work of Laurence Hope aka Violet Nicolson who killed herself in Madras in 1904 Laurence Hope s poetry with its sexually adventurous themes thrilled and scandalised the Empire in India and beyond In the first years of the twentieth century she was the most famous poet in the world by World War II she was

forgotten Following in the footsteps of her father Virginia travels across Australia India England Spain and China tracking Laurence Hope s life and finding answers to and further mysteries in her father s unfinished business A unique blend of poetry memoir and travelogue Rapture s Roadway untangles truth and lies and where that s not possible celebrates the enigma of not knowing     The Ministry, Vol. 04, No. 07 Various Authors,1999-08-01 In this issue of The Ministry we continue to see that what the Bible reveals is not the improvement of our behavior but the salvation of God Man s salvation is God Himself that is God saves us not only by His power and His work but also by coming into us to be our salvation Since God as our salvation comes to us freely by grace we should not bring anything to Him except an empty heart If we come to God we should put ourselves aside contact Him let Him do everything according to the law of the Spirit of life and give thanks and offer praises to Him Then as a result we become one with Him and what we live out will be something not of ourselves but of God s nature We have also included the first six messages of the Crystallization study of Revelation held in the winter of 1999 in Long Beach California Message One covers two crystals the temple with the ark and the principle of the man child The temple with the ark governs what is unveiled in Revelation 12 22 and relates to God s expression through His building The principle of the man child is that God will choose a group of overcomers who will attain to His purpose and fulfill His demand Message Two indicates strongly that the book of Revelation is a book on the overcomers the man child God s dispensational instrument to bring Christ s kingdom to the earth Message Three concerning the firstfruits the harvest and the late overcomers gives a complete view of the coming rapture To be raptured is to be taken into the Lord s presence in order to be taken into the Lord s presence we must be in His presence today Message Four unveils the source and essence of Babylon the Great religious and material and Message Five reveals the principle of Babylon Message Six presents the marriage of the Lamb as the issue of the completion of God s New Testament economy Last of all we include reports concerning the Lord s continuing move through the radio broadcast in London England and a recent conference in Stockholm Sweden     Rapture's Gold Rosanne Bittner,2016-02-02 The gold rush sparks a fiery passion in this smoldering historical western romance from the bestselling author of Tender Betrayal At seventeen strong willed Harmony Jones has made it to Cripple Creek all by herself Now all she needs to reach her inherited claim is a guide and the only one she can find is the devastatingly handsome Buck Hanner The challenge and dangers of searching for gold in the rugged Rocky Mountains force Buck and Harmony to recognize the strength and bravery each possesses and the love they discover leads them to a much greater treasure Power passion tragedy and triumph are Rosanne Bittner s hallmarks Again and again she brings readers to tears RT Book Reviews     Perspectives on the Extent of the Atonement Andrew David Naselli,Mark A. Snoeberger,2015-02-01 Perspectives on the Extent of the Atonement presents a point counterpoint exchange concerning God s intention in sending Christ to die on the cross All three contributors recognize a substitutionary element in the atoning work of Christ but disagree over the nature and objects of that substitution     Sunset ,1926     **Sunset Magazine** ,1926

Expanding Energy Christopher H. Evans, Mark A. Lamport, 2024-02-07 This book is the seventh and final volume in the Global Story of Christianity series The volume's chapters written by major scholars in the field spotlight vital episodes and themes for understanding the historical development of Christianity in the United States and Canada Serving as an accessible text for students and an informative volume for scholars the book provides new insights into Christianity's development in North America offering fresh perspectives on topics frequently overlooked by scholars The book situates the history of North American Christianity within broader themes associated with Christianity's role as a global religion *God or Nations* William Durland, 2010-05-01 The difficulty in realizing that a truth beyond culture exists is perhaps the greatest single barrier to the life of love Our culture is permeated by violence militarism materialism patriotism to nation right or wrong the supremacy of force racism sexism Most people seeking approval of their peers never see how destructive these false values are Here you are challenged to be dissatisfied with this cultural reality to resist custom habit tradition mores social environment even heredity to act on your own conscience to reform reality to return good for evil to love your enemy to serve the oppressed The Sacred and the Sinister David J. Collins, S. J., 2019-03-20 Inspired by the work of eminent scholar Richard Kieckhefer *The Sacred and the Sinister* explores the ambiguities that made and make medieval religion and magic so difficult to differentiate The essays in this collection investigate how the holy and unholy were distinguished in medieval Europe where their characteristics diverged and the implications of that deviation In the Middle Ages the natural world was understood as divinely created and infused with mysterious power This world was accessible to human knowledge and susceptible to human manipulation through three modes of engagement religion magic and science How these ways of understanding developed in light of modern notions of rationality is an important element of ongoing scholarly conversation As Kieckhefer has emphasized ambiguity and ambivalence characterize medieval understandings of the divine and demonic powers at work in the world The ten chapters in this volume focus on four main aspects of this assertion the cult of the saints contested devotional relationships and practices unsettled judgments between magic and religion and inconclusive distinctions between magic and science Freshly insightful this study of ambiguity between magic and religion will be of special interest to scholars in the fields of medieval studies religious studies European history and the history of science In addition to the editor the contributors to this volume are Michael D Bailey Kristi Woodward Bain Maeve B Callan Elizabeth Casteen Claire Fanger Sean L Field Anne M Koenig Katelyn Mesler and Sophie Page **Macabre** Isioma Jemimah Okonicha, 2020-05-10 I remembered the scene that'd played out the previous night with Sister Susan the chubby youth secretary of another church who'd accused me of eating the remaining portion of beans they'd reserved since we'd camped together and had food prepared by some selected executives which I wasn't part of What kind of woman is she I leave her to God I said tearfully as I thought as if I was speaking to another person She was so convincing that everyone had believed her claim as she accused me falsely I saw you go through the back towards the kitchen but I didn't expect that from you she

repeated loudly My experience at the camp with Sister Susan the same woman that I d helped to carry her bag on the day we arrived at the camp Can I forget I asked myself no But I ve forgiven her We re humans after all and most importantly am a Christian the same word Brother Thomas the only friend I made at the camp had told me after the disgrace I faced To err is human and to forgive is divine I reminded myself as I rushed to struggle with the crowd to board the train that d already arrived I looked up at the setting sun as I walked towards the main road to board a taxi that would take me home after I d closed from work I remembered the strange dream that I heard the previous night with an old man in the dream asking me to look up at the sky to tell if I saw anything Before I d woken up in sweats What was the meaning of that dream I wondered The sky was nothing sort of clear when I d peeped through my window at that odd hour of the night Instead I saw a cloud that was all blurred and dark and with little stars shining back at me Why did he ask me to look at the sky when he knew that I was going to see nothing What was the meaning of that dream I worried because I never have ordinary dreams they always have their unique meanings I knew it was a dream I shouldn t take for granted but I didn t have the slightest idea what it meant I couldn t even pray for long hours like I did before or even read the bible verses I d grown deeply moody I hardly spoke and even when I did it sounded rude I knew it was time to speak to someone about it but I was reluctant that was the lie I told myself I knew deep within me that I was enjoying the melancholy moment I thought of telling Pastor Timothy my parish pastor and close friend he was like a brother to me because my older sister Aunt Rukky was married to his cousin but I still couldn t tell him I felt angry or maybe I didn t want to look unspiritual to him Uncle Dele good evening a middle aged woman horned and greeted from a red car that she drove as she parked beside me as I stood by the main road She was a neighbor from the next compound so I knew her quite well Don t worry I will take the bus I quickly said passing and ignoring her as I hopped into a bus that d just parked in front of her car leaving the woman obviously disappointed I ve been noticing your mood you hardly call me these days is everything okay My fianc e asked me as we spoke on the phone immediately I returned home Yes everything is fine my mother is disappointed that she wouldn t get to meet you again I changed the subject

*Jesus Delayed* J.E. Gulbrandsen, 2016-07-22 With so many different and at times conflicting views within multiple Christian denominations it can be a challenge to discern the truth from erroneous teaching The popular mainstream view is that Jesus will soon return to take his children via the Rapture thus sparing them from the suffering that will engulf the world during the tribulation when Satan is fully let loose upon the earth However by laying out a relentlessly researched argument author J E Gulbrandsen invites you to consider a compelling reliable and rigorous exploration of why the commonly held view based on dispensationalism is not in fact biblically accurate His teaching clearly fall in the ballpark of Partial Preterism In fact the Kingdom of Christ has been already established We see evidence of this today and once we fully apprehend what this means for us as believers our walk with Christ and our work for the Kingdom will be profoundly impacted Instead of fearing the enemy we can walk in confidence and power knowing that Satan is bound This is not a future event it is done Jesus won

over Satan on the cross he is now under our feet tied up for a thousand years in the Abyss With so much discouragement and bad news barraging us from every side of this we can be certain things are not getting worse As you will discover in Jesus Delayed they are in fact getting better and better and will continue to do so until Christ finally returns as promised for his victorious bride the Church      *Concerning the Centrality and Universality of the Name of Jesus Christ* Lindsay

Ray,2021-09-20 In Christianity today most prayers and ceremonies are validated and punctuated by such phrases as In Jesus Name In the name of Jesus and In the name of the Father and of the Son and of the Holy Ghost or Holy Spirit However this book unveils the Name of Jesus Christ Hashem Yeshua HaMoshiach according to the Bible from Genesis to Revelation as the intrinsic essence of His Being the Person of the Lord Himself the sphere of the incarnated crucified resurrected ascended Jesus as the glorified God man the aggregate of all His accomplishments attainments and obtainments and much much more

Against All Odds Ethel M. Hill,2012-06-06 I feel you ll be interested in this book because it is most of all my first after year of going through hard times with doors shut in my face to success but I pressed on through for completion I never thought or considered what I wanted to do in life as a child but grow up and get a good job plus meet the love of my life and become married as I saw mom and dad not married but stuck together in raising me and my brother I went in and out of schools not satisfied because I felt there was a special calling on me for my life From my mother s womb was Christianity instilled within me down throughout the dispensations of my roots Therefore at my adult hood nothing else was left for me to do my search for the truth about this god I was taught I had a baby girl at seventeen with the dad disowning but I went to become a mother and father with mom and dads help Disappointments heartaches heartbreaks were many but I stood up and went on anyhow I got my GED and entered a hometown business college but that was not what I wanted to do in life Down throughout the years I began to write notes about events that happened to me from day to day good or bad because in my mind I began to get things tangled up I was steady and secured because in the arms of the lord but question marks yet remained The stack piled higher and higher from year to year One day it came to me what about rhymes because I was taking piano lessons So I began to apply the words in poems lines This is the first book of many as Ive said So there maybe typo errors but many have to know you really can make through the storm with Jesus as your leader and guide Hold on to your dreams and pursue them to the fullest God bless and keep you in his love not mine because I will fail but Jesus never fails emh
