 technical documents Technical Professionals Do you have difficulty producing high quality documents with multiple
 contributors when faced with a tight deadline Do you need a process that enables global team members to collaborate online
 as they produce sophisticated documents Do you prefer the ease of a WYSIWYG desktop publishing tool like Microsoft Word
 rather than more complex software like LaTeX Professors and Graduate Students Do you want to streamline the process of
 writing multi investigator papers reports proposals and books Do you spend a lot of time formatting documents instead of
 thinking and writing Do you write research papers in Microsoft Word and then need to convert them to LaTeX for your thesis
 Do you write research papers in LaTeX and then need to convert them to Microsoft Word when embarking on collaborations
 with your colleagues from industry Undergraduate Students Do you need to write a research paper and don't know where to
 start Do you need to collaborate with classmates on a long paper and find yourself lost in organizational details rather than
 immersed in the content If you answered yes to any of these questions Technical Writing for Teams The STREAM Tools
