Law Contemporary Corrections:

Law and Contemporary Corrections Christopher E. Smith, 2000 The first true text on the subject of corrections law and prisoner s rights this book is an accessible yet comprehensive introduction to the subject Rather than relying exclusively on cases to illuminate the content Smith discusses and briefly excerpts case material to aid students not intimately familiar with legal language Extensive pedagogy further aids in comprehension Bringing both a legal and academic background to bear Smith both writes for the needs of the student and the illumination and clarification of legal issues **Contemporary**

Corrections Rick Ruddell, G. Larry Mays, L. Thomas Winfree Jr., 2020-10-04 Contemporary Corrections A Critical Thinking Approach introduces readers to the essential elements of the US corrections system without drowning students in a sea of nonessential information Unbiased and accessible the text includes coverage of the history of corrections alternatives to incarceration probation parole race ethnicity gender issues in corrections re entry into the community and more The authors unparalleled practical approach reinforced by contemporary examples illuminates the role corrections plays in our society The authors have reinvigorated earlier work with additional content on international comparative data to increase our understanding of how prison officials in other nations have developed different types of responses to the problems that challenge every US correctional administrator a new chapter on correctional personnel and an integration of race and ethnicity issues throughout the book Unrivaled in scope this book offers undergraduates a concise but comprehensive introduction to corrections with textual materials and assignments designed to encourage students critical thinking skills

Punishment in Contemporary China Enshen Li, 2018-06-28 Punishment in contemporary China has experienced dramatic shifts over the last seven decades or so This book focuses on the evolution development and change of punishment in the Maoist 1949 1977 reform 1978 2001 and post reform eras 2002 of China to understand the shaping and transformation of punishment within the context of a range of socio cultural changes across different historical periods It aims to fill the gap of existing research by developing a distinctive theoretical framework for the China s penalty exploring it as a separate and complex legal social system to observe the impact social foundations political economic genesis cultural significance and meanings have exerted on penal form discourse and force in contemporary China It sheds light on the sociology of punishment in this socialist Party state by investigating law reform penal policy social control crime prevention and sentencing as interconnected elements in the criminal justice and penal system This book will be of great interest to those who study Chinese criminal law penal and policing system as well as to law academics criminologists and sociologists whose research interests lie in the fields of comparative criminology and criminal justice **Legal Reforms and Deprivation of Liberty in Contemporary China** Elisa Nesossi, Sarah Biddulph, Flora Sapio, Susan Trevaskes, 2016-06-03 The volume presents an extensive investigation into the process of reforms of detention powers in today s China and offers an in depth analysis of the debates surrounding the reformist attempts The chapters in this collection demonstrate that legislative and

institutional reforms in this area result from political opportunities openings and tensions at the central institutional levels of political authority and contingent social and political factors The book examines legal and institutional reforms to institutions of detention and imprisonment that have occurred since the 1990s with a particular focus on the 21st century Its content follows three particular lines of enquiry concerning the issue of deprivation of liberty in contemporary China The first deals with the academic and theoretical debates on the subject of imprisonment and detention The related chapters explain the difficulties encountered in this area of research and understandings of the discourses of reform through labour in Western and Chinese scholarship The second deals with the specific issues of criminal and administrative forms of deprivation of liberty examining in particular the institutional and legislative dimensions considering the relationship between reforms and criminal justice policy agendas The third assesses the meaning of institutional reforms in the context of the changing state society relationship in contemporary China
