Ringwald,2007-01-08 The Sabbath is the original feast day a day of joy and freedom from work a holy day that allows us to reconnect with God our fellows and nature Now in a compelling blend of journalism scholarship and personal memoir Christopher D Ringwald examines the Sabbath from Creation to the present weaving together the stories of three families three religions and three thousand years of history A Day Apart is the first book to examine the Sabbath in Judaism Christianity and Islam A marvelously readable book it offers a fascinating portrait of the basics of the three Sabbaths the Muslim Juma on Friday the Jewish Shabbat on Saturday and the Christian Lord s Day on Sunday and introduces us to three families including Ringwald s own and shows how they observe the holy day and what it means to them The heart of the book recounts the history of the Sabbath ranging from the Creation story and Moses on Mount Sinai to the teachings of Jesus and Muhammad the impact of the Protestant Reformation and the Industrial Revolution and the rise of the modern weekend Ringwald shows that the Sabbath instinct to observe a special day of withdrawal and repose is universal Indeed all religions and philosophies teach that life is more than toil that time should be set aside for contemplation enjoyment and culture In today s frantic 24 7 world the Sabbath a day devoted to rest and contemplation has never been more necessary A Day Apart offers a portrait of a truly timeless way to escape the everyday world and add meaning to our lives *Finding Your Faith* Donald Davis,2021-11-02 Donald Davis was inspired to write this book after his wife who spent her life leading others to the Lord died of cancer He explains how faith has gotten him through tough times and outlines a process for new believers to walk with the Lord He notes that when you give your life to Christ it is not just for a moment it is for eternity As you read you ll consider questions such as Where are you going after you leave this world Why should you give back if you ve been blessed with good fortune Who should you look to for guidance as you begin your walk with Christ How do you go about studying the Bible When you turn away from sin and accept Jesus it is for eternity Life without Jesus is no life at all so you must constantly study the Bible worship Him give Him

*Faith Seeking Understanding* John M. Shackleford,2007 Faith Seeking Understanding promotes the idea that one can approach an understanding of God through the study of science Religious faith and scientific inquiry should not be seen as competitors diametrically opposed to each other but as complementary ways to assist the human quest for knowledge and deeper meaning of existence Science is viewed primarily as a gift from God The author with his background in both science and theology provides the reader with an understanding of human participation in God s creation John Shackleford explores the scientific evidence for a personal loving God in a positive dialogue between Christian faith and science that will be thought provoking for college and university students along with those interested in how science and religious faith intersect **BOOK JACKET** *Who's who in U.S. Writers, Editors & Poets* ,1988 Aggregating the News Mark Coddington,2019-07-30

Aggregated news fills our social media feeds our smartphone apps and our e mail inboxes Much of the news that we consume

originated elsewhere and has been reassembled repackaged and republished from other sources but how is that news made Is it a twenty first century digital adaptation of the traditional values and practices of journalistic and investigative reporting or is it something different shoddier less scrupulous more dangerous Mark Coddington gives a vivid account of the work of aggregation how such content is produced what its values are and how it fits into today s changing journalistic profession Aggregating the News presents an analysis built on observation and interviews of news aggregators in a variety of settings exploring how aggregators weigh sources reshape news narratives and manage life on the fringes of journalism Coddington finds that aggregation is defined by its derivative relationship to reporting which colors it with a sense of inferiority Aggregators strive to be seen as legitimate journalists but they are constrained by commercial pressures professional disapproval and limited access to important forms of evidence The first comprehensive treatment of news aggregation as a practice Aggregating the News deepens our understanding of how news and knowledge are produced and consumed in the digital age By centering aggregation Coddington sheds new light on how journalistic authority and legitimacy are created and the consequences when their foundations are eroded     **Headlines from the Holy Land** James Rodgers,2015-09-01 Tied by history politics and faith to all corners of the globe the Israeli Palestinian conflict fascinates and infuriates people across the world Based on new archive research and original interviews Headlines from the Holy Land explains why this fiercely contested region exerts such a pull over leading correspondents and diplomats     [Print](#) Martha T.
