Questions About God S. Michael Houdmann, 2014-04-25 God welcomes questions. The Bible is full of inquisitive characters with good questions. From Abrahams inquiry Will not the Judge of all the earth do right to Marys wide eyed How will this be God patiently answers the questions of sincere searching hearts. Questions are part of the learning process and a repeated Old Testament command is to seek the Lord. Those who inquire of Him are invariably rewarded with His wisdom. Jesus gracious promise says Ask and it will be given to you Matthew 7:7. As we open the Bible we begin a quest to know the God who has revealed Himself in its pages. What is God like? Does God love me? Why does He allow bad things to happen? The answers to these and many other questions are there in the Bible waiting for us to find them. Got Questions Ministries has fielded many questions about God since 2002. One hundred of those questions are compiled in this book along with biblical answers. All of these real life questions come from people who want to know the truth about God His nature and His work in the world. We hope you will use this volume as an aid to knowing God a little better and loving Him more.

Finding God in Other Christians Lorraine Cavanagh, 2012-04-12 As we journey in faith many of us begin to find God in the context of more than one kind of churchmanship. Even if we feel happy where we are we may benefit greatly from getting out of our particular church comfort zone in order to encounter God in new ways through Christians whose priorities and styles of worship are at variance with our own. This book calls us to a deeper and more compassionate approach to the challenges of diversity among Christians. It addresses issues such as Are Christians meant to be more than friends? Jesus Christ as our common identity? Violence between Christians? Radical hospitality? Dealing with difference? The meaning of God among us and finally Christians

in Christ and for the world **Finding God's Will** Mark Hyskell,2019-10-11 Have you wondered what your real purpose in life is Does it seem like you are simply going through the motions of a daily routine to fulfill your responsibilities like a mouse running on its exercise wheel Same empty thing different day Has your discouragement made you wonder if it is even possible to really know your life purpose and God s design and plan for your life You are not alone Your pain and frustration have been shared by many including me I want to assure you that there is hope and there are answers You may have been told that many times but your painful experiences have convinced you to stop believing it In my search for answers I learned that in order to be truly fulfilled in this life I need to know the One who designed me the purpose for which He designed me and how to find and follow His direction to fulfill that purpose That is the only path to genuine peace and purpose **Able by Grace: A Testimony of Faith, Disability, and Finding God's Purpose** Tylia L. Flores,2025-03-05 My journey of faith hasn t been a straight easy path It s been a winding road filled with twists turns and unexpected detours From a childhood filled with the whimsical faith nurtured by VeggieTales to the harsh realities of adolescence battling Cerebral Palsy depression and anxiety my story is one of both immense challenge and unwavering hope I ve experienced moments of profound connection with God where His love has washed over me like a tidal wave I ve also stumbled through seasons of doubt where I questioned His existence and His plan for my life I ve been hurt by a church community that failed to live up to its calling of inclusion and love I ve felt isolated and alone overwhelmed by the physical and emotional burdens of my disability Yet through it all God s love has persisted His hand has been a steady guide leading me through darkness and into the light This book is a raw and honest account of my personal struggle to reconcile my faith with the realities of my life It s a testament to the healing power of God a celebration of His unwavering love and a beacon of hope for others who are struggling with similar challenges I invite you to join me on this journey a journey of faith vulnerability and ultimate triumph Prepare to be challenged to be moved and to be reminded of the incredible power of God s grace in the face of life s most difficult trials This is more than just my story it s an invitation to embrace your own story to find strength in your faith and to discover the purpose God has uniquely crafted for you **Finding God** Rick Richardson,2002-08-23 People look for God in many different places relationships nature goodness and even pain In this study and discussion guide Rick Richardson encourages you to find your way to God A Willow Creek Resource *Finding God in the Darkness* Bradley Gray,Chad Bird,2023-07-18 Suffering engulfs our lives in an unavoidable darkness leaving answers and explanations obscured like a sorrowful fog The gospel of Christ however gives us something infinitely more valuable than answers or explanations Finding God in the Darkness Hopeful Reflections from the Pits of Depression Despair and Disappointment is not an attempt to decode or decipher every nook and cranny of sorrow and suffering It is a journey wherein faith hope and love are unexpectedly found along the way in the midst of darkness Much to our surprise that s where God shows up too **Atheists Finding God** Jana S. Harmon,2023-02-28 In a Western culture of increasing skepticism towards conservative Christianity what motivates

intellectually driven atheists to believe in the reality of God and become passionate followers of Christ. Review of social science literature confirms a predominant functional approach to religious conversion effectively reducing a complex substantive phenomenon to a partial functional explanation. In response, the chief focus of this book is to take a broader look at religious conversion to determine the precursors and pathways from atheistic disbelief to belief in God and Christianity within an educated population. Findings are drawn from PhD based research evaluating a broad range of functional and substantive variables influencing religious conversion. Data was collected through both survey and interview of fifty educated skeptical atheists in the contemporary West who once held belief in God and Christianity as implausible, unattractive, and irrelevant. Yet they became utterly convinced that the Christian faith was true and good, worth personal life commitment. These former atheists not only experienced a change of their worldview but also a dramatic transformation of their whole world. In depth narrative analysis revealed the integrated transformative nature of religious conversion in areas of sense making, identity, experience, meaning, and purpose, community, language, and spirituality. Overall, this book advances the case for using an inclusive transformational perspective in future description, conception, and modeling for religious conversion of atheists to conservative forms of Christianity.

I Have Some Questions about God Bradley Shavit Artson, Ed Feinstein, Elyse Frishman, Joshua Hammerman, 2002. Children want to talk about God. They have lots of questions. Parents and teachers are often afraid to talk about God because they have their own questions. This book was written to let teachers and parents feel comfortable having the conversations that their children are asking. Six wonderful rabbis were invited to write answers, many in the form of stories, to these questions. Exercises were added to expand the process and encourage children to reflect and share looking at their experiences of God in the world. The end result, with beautiful illustrations by Michelle Noiset, is a collection of wonderful stories and hands-on experiences.

Helping Children Find God Helen Oppenheimer, 1995-12-01. A realistic, straight-forward approach to exploring one's faith and doubts and talking with the next generation about important spiritual issues. A child's spiritual pilgrimage begins from the earliest moments of life and is shaped by the significant adults in the child's ever-expanding world. Yet often adults have an inadequate or unclear understanding of their faith and are unsure how to impart their own Christian beliefs to their children in a credible and meaningful way. Oppenheimer offers guidance for adults who seek ways for themselves and for their children to live with the questions with a faithful openness and deep sincerity. She presents the possibilities for adults to become as little children in their faith without naivete and for children to grow in wisdom and stature without the need for dogmatic certainties. An encouraging book for those who face the challenge of living out the Christian commitment of maintaining the balance of being true to Christ while being true to one's self and one's children.
