Hardy: Selected Poems Thomas Hardy, 1998-12-01 Thomas Hardy abandoned the novel form at the turn of the century probably after public reaction to *Jude the Obscure* but continued to write verse displaying a wide variety of metrical styles and stanza forms and a broad scope of tone and attitude This definitive volume contains selections from his numerous collections published between 1898 and 1928 For more than seventy years Penguin has been the leading publisher of classic literature in the English speaking world With more than 1 700 titles Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors as well as up to date translations by award winning translators

Selected Poems Rabindranath Tagore, 2005-03-31 The poems of Rabindranath Tagore 1861-1941 are among the most haunting and tender in Indian and in world literature expressing a profound and passionate human yearning His ceaselessly inventive works deal with such subjects as the interplay between God and the world the eternal and transient and with the paradox of an endlessly changing universe that is in tune with unchanging harmonies Poems such as *Earth and In the Eyes of a Peacock* present a picture of natural processes unaffected by human concerns while others as in *Recovery* 14 convey the poet's bewilderment about his place in the world And exuberant works such as *New Rain* and *Grandfather's Holiday* describe Tagore's sheer joy at the glories of nature or simply in watching a grandchild play

Selected Poems Hélène Aji, Jennifer Kilgore-Caradec, 2013-01-16 Complete poems are bulky and too heavy to carry around Collected poems pretend to be complete but usually are not Selected poems are altogether unpretentious and reader friendly But they can be problematic Who decides what poems are important for inclusion in a volume of selected poems When the selection occurs during the author's lifetime may one assume that the author was involved What motivates the choice of one poem over another How do readers' preferences influence this choice How do new readers and familiar readers of a poet negotiate the poems that are left out of the selection The essays in this volume address these questions in a variety of ways and also provide an overview of poetic writing from modernist poets to the present day using selections from the 1940s until now They offer new insight into the uses both pedagogical and critical of selection

Because Selected Poems usually address a large general public these essays have also been written for all those who wish to know more about how these slimmer more attractive volumes are produced

Selected Poems, 1945-2005 Robert Creeley,2008 Here is Creeley at his skillfully selected best full of the melodies of plain speech concise yet resonant with emotion Juliana Spahr author of This Connection of Everyone with Lungs So fantastically simple and so satisfyingly complicated these poems band together like the days in One Day One day after another perfect They all fit John Ashbery Beautifully edited by Ben Friedlander with tenderness intelligence and care A superb selection well introduced Selected Poems provides a great sense of the range of Creeley s accomplishment these poems among the most important of our time a way of writing with the hesitations and grace of a new found line thinking informed by sources from Emily Dickinson to Charlie Parker Selected Poems is at once a tribute to Creeley a perfect introduction for new readers and a valuable distillation for those who have already acquired a taste for Creeley s poetry The perfect assembly to and for one so fond of

saying onward We can now go onward with these selected poems onward with these well chosen words with thanks to Robert Creeley and to Ben Friedlander Hank Lazer author of *The New Spirit* Benjamin Friedlander himself a fine poet critic and a great connoisseur of Creeley's poetry has put together a superb selection Marjorie Perloff An excellent selection and introduction It is an edition that acknowledges work that has defined the poet's career while offering a new narrative for the entire oeuvre It will join UC Press's distinguished and definitive editions of postwar poetry and will provide us all with a summary guide to Creeley's best work Michael Davidson In a quiet moment I hear Bob pause where I never would have expected it Such resolve Such heart And an ear to reckon with No truly further American poem without his Clark Coolidge author of *Counting on Planet Zero* **Selected poems ...** Gaius Valerius Catullus, 1920 [Selected Poems](#) Victor Hugo, 2013-05-13 This generous varied selection of poems by one of France's best loved and most reviled poets is presented with facing originals detailed notes and a lively introduction to the author's life and work Steven Monte presents more than eighty poems in translation and in the original French taken from the earliest poetic publications of the 1820s through collections published during exile to works published in the years following Hugo's death in 1883 The introduction provides helpful background information about Hugo's life and work the selection and what is involved in translating a poet whose effortless rhymes are central to the poetry's power Detailed notes at the back of the volume offer information about the poems and their publishing and historical contexts This is an ideal introduction to a poet whose work for all its renown remains for Anglophone readers undiscovered *Selected Poems* John Donne, 1904 *Finding It* Peter Money, 2000-01-01 Poetry Allen Ginsberg wrote that Peter Money is prolific coming from all directions If this is still true years after Ginsberg's observation it could be because Peter Money believes the subjects of his poems themselves range through lyric and narrative embodiment a mode more accepted by musicians especially since the 1960s We sit beneath the cherry trees draw lines on our faces using blades of grass smiling flossing teeth with grass tickling gums with grass promising to come back tomorrow Revolutionaries **Selected Poems** Du Bellay, Ronsard, 2023 From the gritty realism and resentment of Du Bellay to the lyric grace and frank eroticism of Ronsard the poems of this volume testify to the many faceted achievement of the two poets who as leaders of the famous Pléiade group were crucial to the creation of a new national literature *Selected Poems of Thom Gunn* Thom Gunn, 2017-07-04 Thom Gunn's controlled use of form and the metaphysical was in evidence from his first collection *Fighting Terms* in 1954 which was widely regarded perhaps not entirely accurately as a contributor to The Movement and the opposition to modernism The same technical ability and formal prowess endured after he moved from Cambridge to San Francisco though became from *The Sense of Movement* 1959 onwards shot through with a new mood of hedonism freedom and the excesses of the gay and counter cultural scenes of 1960s America in poems written in celebration of rock and roll myth and hallucinogenic drugs The 80s saw a shift in this life with the devastation of the Aids epidemic which claimed the lives of a number of Gunn's friends Many of these friends are memorialised in the moving passionate and

humane collections of his later years the Forward Prize winning *The Man With the Night Sweats* and *Boss Cupid* Gunn's last collection published in 2000 This *Selected Poems* compiled by his friend Clive Wilmer and accompanied by insightful notes serves to honour a true original a thrill seeker in the language and to exhibit the best of Thom Gunn's electric powerful intensely joyful poems

New Selected Poems Thom Gunn, 2025-06-25 A new selection of poems by the celebrated gay poet Thom Gunn has been described as one of the most singular and compelling poets in English during the past half century Times Literary Supplement Gunn was an Elizabethan poet in modern guise though there's nothing archaic quaint or sepia toned about his poetry His method was dispassionate and rigorous uniquely well suited for making a poetic record of the tumultuous time in which he lived Gunn's dozens of brilliantly realized poems about nature friendship literature sexual love and death are set against the ever changing backdrop of San Francisco the druggy politically charged sixties and the plague years of AIDS in the eighties Perhaps no contemporary poet was better equipped by temperament circumstance or poetic gift to engage the subjects of eros and thanatos than Thom Gunn This *New Selected Poems* compiled by his friend Clive Wilmer and accompanied by insightful notes is the first edition to represent the full arc of Gunn's inimitable career

Selected Poems Vladimir Mayakovsky, 2013-06-30 James McGavran's new translation of Vladimir Mayakovsky's poetry is the first to fully capture the Futurist and Soviet agitprop artist's voice Because of his work as a propagandist for the Soviet regime and because of his posthumous enshrinement by Stalin as the best and most talented poet of our Soviet epoch Mayakovsky has most often been interpreted and translated within a political context McGavran's translations reveal a more nuanced poet who possessed a passion for word creation and linguistic manipulation Mayakovsky's bombastic metaphors and formal lan shine through in these translations and McGavran's commentary provides vital information on Mayakovsky illuminating the poet's many references to the Russian literary canon his contemporaries in art and culture and Soviet figures and policies

Select poems of Catullus Gaius Valerius Catullus, 1886

Selected Poems A.M. Klein, 1997-12-15 Throughout his career A M Klein struggled to define for himself the role of the poet in the contemporary world Deeply rooted in the traditions of Judaism and at the same time powerfully attracted by the freedom and scope of international modernism he sought to reconcile past and present community and creative individuality Whether or not he finally achieved his own high aims it was in his own words something merely to entertain them The result was a body of work immensely rich and varied in tone language cultural resonance This collection of eighty four poems offers a representative sampling of Klein's finest poetry while taking into account the changing critical discourse of the last fifty years Anyone interested in experiencing the full range of Klein's poetic achievement or in understanding the complex nature of the poet need look no further than this eminently readable volume
