from our meetings it is rather my compelling ache to be touched and held and to touch and hold that pulls me back each time to Seth Like the newly born whose being depends upon the enfolding presence of a parent those of us who are now so old glow more warmly when we too may share our tenderness Still Going Strong counters demeaning stereotypes of little old ladies by offering positive empowering views of women over fifty It is a hopeful voice that speaks to any woman facing her own future **Calyx** ,2003 Finding Peaches in the Desert Pamela Uschuk,2000 This is the first collection of poetry by American Book Award winner Pamela Uschuk FINDING PEACHES IN THE DESERT won the 2001 Literature Award from the Tucson Pima Arts Council Luis Urrea wrote of this book Whether she writes of the sexy quiet of marriage or the lacerating political rage that bursts out of many of these pages Uschuk maintains the light that burns in her chest All the landscapes here from the desert s rumpled floor to the poet s own bed to the torture chambers of Chile are alive and vivid with this light Joy Harjo calls it a sensual garden Encyclopedia of Bohemian and Czech-American Biography Miloslav Rechcigl Jr.,2016-11-10 As the Czech ambassador to the United States H E Petr Gandalovic noted in his foreword to this book that Mla Rechcigl has written a monumental work representing a culmination of his life achievement as a historian of Czech America The Encyclopedia of Bohemian and Czech American Biography is a unique and unparalleled publication The enormity of this undertaking is reflected in the fact that it covers a universe starting a few decades after the discovery of the New World through the escapades and significant contributions of Bohemian Jesuits and Moravian brethren in the seventeenth and eighteenth centuries the mass migration of the Czechs after the revolutionary year of 1848 and up to the early years of the twentieth century and the influx of refugees from Nazism and communism The encyclopedia has been planned as a representative a comprehensive and authoritative reference tool encompassing over 7 500 biographies This prodigious and unparalleled encyclopedic vade mecum reflecting enduring contributions of notable Americans with Czech roots is not only an invaluable tool for all researchers and students of Czech American history but is also a carte blanche for the Czech Republic which considers Czech Americans as their own and as a part of its magnificent cultural history *Sonnets and Salsa* Carmen Tafolla,2004-04 This major poetry collection is a fearless depiction of a Latina living in the best and worst of times **Heartbeats in Stones** Pamela Uschuk,2010-08-31 The poet s eye never misses the incongruity of things that cuts to the bone an obsidian scalpel of love that keeps racing with her in the space between life and death adoration and hatred It may be that balance is axiomatic but always it is imperiled a saving grace necessary and the eye nervously glancing between heaven and earth Pamela Uschuk is a political poet defiant in the face of injustice as well as a poet of Eros She s nobody s fool She resurrects in her poems the brutalized the murdered the lost of the world those who have no voice of their own She pulls them close And when she turns to the world s gliding wonders she does so with a precise eye and everything she sees is absorbed by her uniquely compassionate voice Dennis Sampson author of Constant Longing and Needlegrass **Parabola** ,1976 **Notable American Women with Czechoslovak Roots** Miloslav Rechcigl Jr.,2019-09-16 Even though there exist

only a few general studies on the subject of Czechoslovak American women this is not at all a reflection of the paucity of work done by these women as this publication demonstrates This monograph is a compendium of notable American women with Czechoslovak roots who distinguished themselves in a particular field or area from the time they first immigrated to America to date Included are not only individuals born on the territory of former Czechoslovakia but also their descendants This project has been approached strictly geographically irrespective of the language or ethnicity Because of the lack of bibliographical information most of the monograph comprises biobibliographical information in which area a plethora of information exists As the reader will discover these women have been involved practically in every field of human endeavor in numbers that surprise On the whole they have been noted for their independent spirit and nonconforming role **Hook & Bloodline** Chip Dameron,2000 Finding Favor and the Secret of Rainbow Moor Yvette S.M.
