Please note: This is a summary, not the original book. Find Out Anything From Anyone Anytime by James Pyle is a comprehensive guide to the art of questioning. Pyle, who learned the power of questions while selling cemetery plots, demonstrates through various anecdotes and exercises how skillful questioning can build connections and elicit valuable information. He shares stories from his own experiences and others such as Michael Dobson and Socrates to illustrate the transformative power of effective questioning. Pyle emphasizes the importance of open-ended questions, avoiding multipart or leading questions, and using strategic interrogatives to minimize irrelevant information. **Hiding in Plain Sight** Eric Stover, Victor Peskin, Alexa Koenig, 2016-04-12 *Hiding in Plain Sight* tells the story of the global effort to apprehend the world's most wanted fugitives. Beginning with the flight of tens of thousands of Nazi war criminals and their collaborators after World War II, then moving on to the question of justice following the recent Balkan wars and the Rwandan genocide, and ending with the establishment of the International Criminal Court and America's pursuit of suspected terrorists in the aftermath of 9/11, the book explores the range of diplomatic and military strategies, both successful and unsuccessful, that states and international courts have adopted to pursue and capture war crimes suspects. It is a story fraught with broken promises, backroom politics, ethical dilemmas, and daring escapades, all in the name of international justice and human rights. *Hiding in Plain Sight* is a companion book to the public television documentary *Dead Reckoning: Postwar Justice from World War II to The War on Terror*. For more information about the documentary, visit www.pbs.org/wnet/deadreckoning. Pyle, Maryann Karinch, 2014-01-20 A new book by an army intelligence interrogator could help you get the answers to your most pressing questions. Time: The secret to finding out anything you want to know is amazingly simple: Ask good questions.
