Mulder, Hugh Thomson Kerr, 2012-08-13 The search for God is a staple of human history Finding God records sixty first person accounts of Christians who found God in different ways and the impact this discovery made on their lives and on the world in which they lived Ranging from the first century to the present Finding God is a fascinating digest of conversion stories from a wide variety of people from the apostle Paul to the rock musician Bono These narratives together demonstrate the remarkable diversity of spiritual journeys and the dramatic changes that can result from encounters with God Both instructive and inspirational Finding God will expand horizons and deepen the faith of those who seek insight into the age old spiritual quest to find God      [Finding God at Harvard](#) Kelly K. Monroe, 1997-09-18 Kelly Monroe presents forty two compelling testimonies from faculty members former students and orators at Harvard University whose reflections explode the myth that Christian faith cannot survive a rigorous intellectual environment      *Leaving the Church to Find God* John Fenn, 2007-03 Motivated by a deep hunger for more of God millions of Christians are leaving the traditional church to look for more freedom and fulfillment than the routine of five songs announcements a plea for money and a forty five minute sermon allow They are

looking for open ended deep worship that flows with the Holy Spirit relatable Bible study and discussion in which they may participate and strong bonds of fellowship outside the four walls of organized church Instead of leaving the church to fall away from God they are leaving the church to find God Leaving the Church to Find God offers scriptural safe and balanced answers tempered by real life experiences on how to move from a traditional church structure into meetings that allow the Lord to set the agenda and where needs are met John Fenn I was a Christian who felt disconnected from church though I d been actively involved nearly all my life I was looking for answers to my desire and hunger for God to move freely and came to realize I wasn t alone From all walks of life and across the church spectrum people are searching for something deeper but they don t quite know what This is the story of how I found God moving outside the church structure that I had known loved and been a part of my whole Christian life John and his wife Barbara were born in Kokomo Indiana and began dating as teenagers when they met the Lord and began ministering to their teenage friends They ve been in the ministry now for over thirty years serving in various capacities including Campus Pastor Associate Pastor Senior Pastor and advisor to churches and Bible schools all over the world John also worked with Peter Wagner teaching at the Wagner Leadership Institute serving as Canadian National Director and Education Advisor He remains an adjunct instructor of Wagner Leadership Institute of Colorado Springs In early 2002 John and his wife Barb founded The Church Without Walls International of Tulsa a house church network emphasizing Relationship Based Christianity He travels and teaches in all different streams of Christianity helping churches and individuals find significance and fulfillment through Godly relationships and the discipleship process

**Finding God in the Singing River** Mark I. Wallace, 2005-03-04 We live in an age of vast and rapid destruction of habitats and species Yet Christianity holds great potential for healing this situation Indeed the Bible and Christian tradition are a treasure trove of rich images and stories about God as an earthen being who sustains the natural world with compassion and thereby models for humankind environmentally healthy ways of being Mark Wallace s stimulating book retrieves a central but often neglected biblical theme the idea of God as carnal Spirit who indwells all things as the basis for constructing a green spirituality responsive to the environmental needs of our time In the biblical tradition he writes God as Spirit is an ecological presence that shows itself to us daily by living in and through the earth One message of Christianity therefore is celebration of the bodily material world ancient redwoods vernal springs broad winged hawks everyday pigweed as the place that God indwells and cares for in order to maintain the well being of our common planetary home Alongside his green reading of the Bible and tradition Wallace employs the resources of deep ecology Neopagan spirituality and the environmental justice movement to rethink Christianity as an earth based body loving religion He also analyzes color images reproduced in the book Wallace s bold yet careful work reawakens our sense of the sacrality of the earth and the life that the trinitarian God creates there It also grounds the impulses of New Age spirituality in a profoundly biblical notion of God s being and activity

**Finding God Again and Again** John J. Spitzer M.D., 2021-05-28 With two young children and a loving

wife the stakes were high when John J Spitzer found out his testicular cancer had returned after thirteen years The relapse forced him to confront his mortality and a second relapse drove the point home The setbacks also gave him a great opportunity to become one with God In this book Spitzer looks back at how it took over twenty years of life experiences to realize that he had to feel God in his heart again and not just think of God He had to feel Jesus and His teachings if he wanted to be like Him While he started this book wanting to pass something on to his children if he died he continued it after realizing he d live In it he describes his spiritual development what it was like to confront death and how his relationship with God has grown deeper over time Join the author on a journey of self discovery that highlights God s unconditional love and peace and how to find God again and again      [How to Find God in the Bible](#) Woodrow Kroll,2010-07-14 If you want to know God s heart the best way is to read His Word Back to the Bible president Woodrow Kroll takes the intimidation out of reading the Bible Designed to help ordinary people connect with God through His Word this book explores tangible ways to prepare yourself define your expectations and profit from the experience The author also shares personal discoveries that have revolutionized his understanding of Scripture You ll find simple keys to understanding the Bible and solid insights on making the intimate connection with God happen Some people have read God s Book for years without ever meeting the Author Do you struggle with the Bible wondering how to find God in the pages of His Word Wonder no more God is waiting for people just like you spiritual seekers who want to know the truth who want to meet Him personally In How to Find God in the Bible Woodrow Kroll will take you on a fascinating journey of personal discovery You ll learn how to understand the world s most important book and why you can trust it completely Inside you ll uncover insights that can change your life today And maybe for the first time you ll encounter the God you ve been looking for all along Story Behind the Book As a well known and respected Bible teacher I have often been asked I read that same passage and I didn t see that in there How do you find those insights that seem to be hidden to others I have written this book to help new believers and those struggling to make sense of their faith or the Bible It reveals my secrets to making sense of the Bible and makes simple what some may view as complicated in God s Word      **As Though We Were Dreaming** Keith Ruckhaus,2013-10-22 The Eastern Christian liturgical tradition of Lent has long included the chanting of the Songs of Ascents Pss 120 134 as entrance songs of not only the special penance service known as the Liturgy of the Presanctified Gifts but also of the season of repentance Ruckhaus commentary in As Though We Were Dreaming provides theological insight and exegetical breadth to this group of Psalms Even more so Ruckhaus drives the reader to engage the Songs of Ascents and participate in the descent and ascent of meaningful and life changing repentance The commentary here does more than just compare the struggle of the ancient Jews reflected in the Songs of Ascents with that of the early Christian community and our own experience Ruckhaus insists on a guttural connection between the anxiety and hope of reconstituting the people of God after the disaster of the exile and that of the passion of Jesus The gospel story is already genetically encoded in the story of Israel The liturgical incorporation of the Songs

of Ascents in the Liturgy of the Presanctified Gifts grounds the Church's participation in the Great Story. We don't borrow the ancient psalms of the Jews' struggle to reconstitute a kingdom of God; we share in that struggle. **The Primitive Methodist Magazine**, 1864

*A Wakeful Faith* J. Marshall Jenkins, 2000-02-01 In the hurried expect the unexpected flow of everyday life faith seems far away for many people. Your car breaks down. The bills are due. The kids need school supplies. The business report remains unwritten. In *A Wakeful Faith* Jenkins asserts that living awake to God in all of our daily affairs is the answer. Only when we become consciously aware of God's gracious activity in the details of the day can we transform and find purpose in our lives today. Each day brings a flood of demands for our time and attention, writes Jenkins. Deep down many of us feel the pace is killing us, but we do not admit it very often. After all, everyone else seems to get along okay. Something is killing us, but it is not the pace. It is the inattention to our deepest desire, the desire for God. Filled with humor and grounded in scripture, *A Wakeful Faith* calls us to a refreshed sense of God's presence which can lead to spiritual well-being in all dimensions of life. Jenkins offers practical suggestions to rouse our spiritual wakefulness and alertness to God in daily living by showing how Jesus trained disciples to perceive the kingdom and to know God. Appropriate for individuals and small groups, *A Wakeful Faith* contains questions for reflection and discussion at the end of each chapter. **How to Find God in Under Five Hours** Jill Roberts, 2020-03-17 Jill Roberts, a retired trial lawyer, goes from weighing evidence in the courtroom to weighing evidence regarding Christianity. She has condensed decades of Bible study into a five-hour read-through which you will find God along with the answers to the only questions that will matter one hundred years from now. After giving the backstory of why Jesus came to Earth in the first place, she makes an airtight case for why this should matter to all of us. If you have ever pondered the meaning of this life or that of the life to come, in this book you will find God as well as the signposts that will guide you through your journey here and into an indescribably interesting and wondrous eternity. *How to Find God in Under Five Hours* is a highly readable journey of the spirit, a seeker's field guide to understanding Christianity. In these hectic and uncertain times when we all seem too busy to even read, Jill Roberts has given us a clear and concise road map to solving God's mysteries. John Fusco, screenwriter of *The Shack*, *Thunderheart*, and *The Highwaymen*. A clear and compelling retelling of how God has revealed Himself to any of us who want to find Him. A journey worth taking. Dr. Craig Loibner, who served as Pastor of Fellowship North Church for 30 years. This book is a tour de force in its brilliant synthesis of the Bible and Jesus. A must-read for any Christ follower or anyone searching for answers to life's deepest questions. Kim Tapfer, co-author of *I Am Transformed in Him*. Jill takes us on a simple but profound journey through the story of God. With every twist and turn, she draws attention to His never-ending grace and mercy. I was reminded afresh of the unlimited forgiveness and love of a God who refuses to give up on his creation. In this small book, you will discover a big God who is always pursuing you. Ash Meaney West, L.A. Campus Pastor, Vintage Church, L.A. [Finding God in Suffering](#) Siu Fung Wu, 2023-03-22 *Finding God in Suffering* is about a Jesus follower's pilgrimage from East Asia to Australia. It speaks of his

journey of sorrow and joy struggles and hope affliction and God's power in his weakness as he navigates through life as a factory worker international student software developer church minister global education officer at a humanitarian organization and lecturer in the New Testament It is about how he makes sense of suffering in a world of pain and chaos through the Bible and how he responds to God's call to follow the crucified Christ and risen Lord Finding God in Suffering is a thoughtful reflection of the Scriptures suffering and issues of injustice It is an invitation to participate in God's purpose for humanity by sharing in Christ's suffering and bearing his image Suffering is not pleasant but it is not worthless either Siu Fung Wu encourages us to keep following Jesus in our suffering
