The familiar biblical psalms are a basic and irreplaceable part of Christian worship, but they come from an age so distant from ours that a few are no longer usable and none reflect the experience of Christians over the centuries. Christians have, of course, written hymns, but most of the ones we use come from the last two hundred years, and few have the meditative quality of the biblical psalms. In Christian Psalms, Christopher L. Webber has constructed psalms from the writings of the greatest teachers and witnesses in Christian history: Saint Augustine, Julian of Norwich, Dorothy Day, Oscar Romero, and many more. Recommended for private prayer and meditation as well as congregational use in worship. **Luther League Review**, 1920.

**Re-Entering Eden** Carolyn M. Greenleaf, 2011-11-10. A reunion with one's true self requires the embodiment of the Soul, where conscious wisdom empowers the self and influences choice once again. The information and exercise within this book enable you to heal all aspects of self, including Reunite with your inner child who holds the keys to your Divine Innocence. Heal the divisions of the masculine and feminine aspects within self. Reconnect with your Soul to access your Divine Wisdom and Truth. People using this resource will learn to push against shame by giving voice to their stories in a safe setting. Learn how to apply the gospel to their relationships with four basic biblical principles. Learn to embrace their story as part of the larger story of redemption and reach out to others with the hope of Jesus. Beyond Eden Courtney Pace, 2022-03. A major figure in African American social justice movements and Black theological praxis and theory. Rev. Dr.

Prathia Laura Ann Hall 1940 2002 had not been the subject of a book length critical study until Courtney Pace's *Freedom Faith The Womanist Vision of Prathia Hall* was published by the University of Georgia Press in 2019. Now with the publication of *Beyond Eden The Collected Sermons and Essays of Prathia Hall* Pace provides a volume of seminal importance to the fields of womanist theology and ethics, Black church history and African American history. *Beyond Eden* explores Hall's preaching and research, curating a collection of her work to expand scholarship on her influence on American religion and Black churches. Hall pioneered womanist preaching, embodying the necessary interconnections among theology, social science, history, and practical ministry. She was a master organizer, not only leading her congregation but facilitating collaborations among national, regional, and local organizations to serve Black churches and Black communities. The sermons and essays in this volume showcase Hall's womanist preaching brilliance, the seamless connection between church and the academy in her work, and her understanding of the gospel as *Freedom Faith*, a trailblazer in the womanist movement of the 1980s and 1990s. Hall merged Christian ethics with Black feminist thought during decades of civil rights activism and preaching. Although she had very few publications due to the demands of her multifaceted vocation, health limitations, and familial responsibilities, her extensive work has been transcribed from handwritten notes and audio recordings by editor Courtney Pace.
