*Fingers and Thumbs* Roma Lear, Jill Hunter, 1999 *Fingers and Thumbs* is the second book in a new series called *Play can Help*. This series is designed to provide a whole wealth of play ideas for children with specific needs. Other titles in the series include *Look at it this Way* toys and activities for children with a visual impairment.

**Early Learning Goals for Children with Special Needs** Collette Drifte, 2014-04-08 In this book practitioners will find clear and workable suggestions for opening up the Early Learning Goals to children with special educational needs. It will help them to use each work area of the early years setting as a means to teach the curriculum and offers plenty of down to earth advice on activities to try with children who have additional needs. Following the curriculum guidance laid down for the Foundation Stage the author provides ideas for managing specific types of disability within the mainstream setting. Play is the focus throughout the book as the means of helping children to learn. There are photocopiable activity sheets at the end of each chapter together with a concise list of further reading. Useful resources and contact addresses are included.

**Building Blocks for Learning Occupational Therapy Approaches** Jill Jenkinson, Tessa Hyde, Saffia Ahmad, 2008-11-20 *Building Blocks for Learning Occupational Therapy Approaches* is a resource book for educational staff and pediatric occupational therapists especially those new to the field. It shows how the implications of physical psychological social and learning difficulties impact upon children's abilities. This highly practical book will help readers recognize when a student's poor performance within the classroom is a result of a medical condition or underlying motor and perceptual deficits.
