the four Southern California best friends could have imagined the significance of a summer dance at Bass Lake in 1938 attended by friend Cozzette That dance amazingly would be a pivotal event changing the direction of all of their young lives When summer came in 1939 Cozzette was starting married life on a U S Forest Service ranger station not far from Yosemite Her first home wasn t a house at all rather a tent next to a little creek Ironically that unique and rustic little tent home would

be the spot Cozzette's three hometown friends would each meet the man they would marry. By summer of 1941 Jean was a newlywed and had also left their Southern California hometown; she too would be starting married life on that same ranger station in the same tents Cozzette and Frank had shared. Jean knew prior to moving to the ranger station her new life would surely take some adapting to. It was a bit overwhelming considering there was no electricity, poor phone service, and no indoor plumbing. A special time remembered a memoir, a charming story recounting life on a ranger station, the men and their work, and life-long friendships all the backdrop to a sweet, lighthearted love story. Delightfully throughout there will be smiles, chuckles, and the laugh-out-loud adventures that life held. Author Jean Werly also gives an interesting first-hand look at local history and life during The Depression and World War II. Jean came to realize sometimes the thing you feel you couldn't possibly adapt to ends up being the sweetest adventure of all and indeed something worth sharing as she has done wonderfully here. It was a magic time like a fairytale adventure and as a perfect ending should be, they did indeed live happily ever after.

Just beneath the glossy surface of Rockford's rich heritage lies a dark history of tragedy. The city's troubled and turbulent past left scars that still resonate today. Geraldine Bourbon's final struggle still echoes through the farmhouse where her estranged husband pursued her with a pistol from room to room before gently laying her corpse on the bed. The sobs of society darling Carrie Spafford still keep vigil over the family plot of the cemetery where she sowed the heartbreak of her twilight years. From the vengeance of Chief Big Thunder to the Witch of McGregor Road, author Kathi Kresol shares the legends and lore of Rockford's haunted history.
