

A man and a woman are shown in a close, intimate pose, facing each other. Both are wearing black leather motorcycle jackets. The man, on the left, has short brown hair and a light beard. The woman, on the right, has long, wavy red hair. They are set against a dark, moody background. The title 'FIRE We UP' is overlaid on the image, with 'FIRE' and 'UP' in large, red, textured block letters, and 'We' in a smaller, white, cursive script font in the middle.

The Cozy Review      **The Splendor of Portugal** António Lobo Antunes, 2011-09-20 The Splendor of Portugal's four narrators are members of a once well-to-do family whose plantation was lost in the Angolan War of Independence. The matriarch of this unhappiest of clans and her three adult children speak in a nightmarish remorseless gush to give us the details of their grotesque family life. Like a character out of Faulkner's decayed South, the mother clings to the hope that her children will come back save her from destitution and restore the family's imagined former glory. The children, for their part, haven't seen each other in years and in their isolation are tormented by feverish memories of Angola. The vitriol and self-hatred of the characters know no bounds for they are at once victims and culprits guilty of atrocities committed in the name of colonialism as well as the cruel humiliations and betrayals of their own kin. Antunes again proves that he is the foremost stylist of his generation, a fearless investigator into the worst excesses of the human animal.

**Queer Encounters with Communist Power** Věra Sokolová, 2021-12-01 How did the Communist regime in Czechoslovakia approach non-heterosexuality? How did young girls and boys come to realize their queer desires and identities within a state known for repressing individuality? What did they do with that self-awareness and later on, as adults, what strategies did they employ in their everyday dealings with a state that defined homosexuality as a medical diagnosis? *Queer Encounters with Communist Power* answers these questions as it interweaves groundbreaking queer oral history with meticulous archival research into the discourses on homosexuality and transsexuality in Czechoslovakia from 1948 to 1989.

*Psalms of Revelations* Sallie Brooker, 2009-09-16 *Psalms of Revelations* explores the heritage of a family through three stages: the history of the Tilley and Brooker families, the entire life of Alvis Dimyus Brooker, the author's son, and the story of the Creation along with the Twelve Tribes of Israel along with the origin and roots of Jesus Christ. Readers will discover many interesting stories such as how the first Tilleys arrived in America all the way from Africa, how Alvis died, and more. Interestingly, this book takes a close look at the story of Creation involving Adam and Eve, exploring what humanity could have been like had they never gained knowledge.
