poignant and movingly romantic novel that chronicles the lives and adventures of a family as compelling and unforgettable as any in American fiction **Fire Along the Sky - Book 4 - Wilderness Series** Sara Donati,2004 The year is 1812 and Hannah Bonner has come home to the mountain cabin in Paradise where she grew up with her father Nathaniel and her step mother Elizabeth She has returned alone without her husband and without her son and with a story of horror and loss that she cannot bear to tell As Hannah struggles to pick up the threads of her old life resuming her duties as a gifted healer among the sick and needy little does she realise that she is about to face her greatest challenge ever In her absence Hannah's stepsister Lily has grown into a stubborn and reckless beauty whose wayward affair with a married man will have shattering consequences As the distant thunder of war draws ever closer Hannah is called away to perform one final act of courage and sacrifice In risking everything once more she may learn to live and perhaps love again **Fire From the Sky** Robert C. Stem,2010-03-17 By late 1944 the war in the Pacific had turned decisively against the Japanese and overwhelming Allied forces began to close in on the home islands At this point Japan unveiled a terrifying new tactic the suicide attack or Kamikaze named after the Divine Wind which had once before in medieval times saved Japan from invasion Intentionally crashing bomb laden aircraft into Allied warships these piloted guided missiles at first seemed unstoppable calling into question the naval strategy on which the whole war effort was based This book looks at the origins of the campaign at its strategic goals the organization of the Japanese special attack forces and the culture that made suicide not just acceptable but honourable Inevitably much mythology has grown up around the subject and the book attempts to sort the wheat from the chaff One story that does stand up is the reported massive stock piling of kamikaze aircraft for use against any Allied invasion of the home islands if the atomic bombs had not forced Japan's surrender However its principal focus is on the experience of those in the Allied fleets on the receiving end of this peculiarly alien and unnerving weapon how they learnt to endure and eventually counter a threat whose potential was over estimated by both sides In this respect it has a very modern resonance **Fire Along the Sky** Robert Moss,1992 **Into the Wilderness** Sara Donati,2010-09-01 Weaving a tapestry of fact and fiction Sara Donati's epic novel sweeps us into another time and place and into a breathtaking story of love and survival in a land of savage beauty It is December of 1792 Elizabeth Middleton leaves her comfortable English estate to join her family in a remote New York mountain village It is a place unlike any she has ever experienced And she meets a man unlike any she has ever encountered a white man dressed like a Native American Nathaniel Bonner known to the Mohawk people as Between Two Lives Determined to provide schooling for all the children of the village Elizabeth soon finds herself locked in conflict with the local slave owners as well as with her own family Interweaving the fate of the Mohawk Nation with the destiny of two lovers Sara Donati's compelling novel creates a complex profound passionate portrait of an emerging America Praise for Into the Wilderness My favorite kind of book is the sort you live in rather than read Into the Wilderness is one of those rare stories that let you breathe the air of another time and leave your footprints on the snow of a wild strange

place I can think of no better adventure than to explore the wilderness in the company of such engaging and independent lovers as Elizabeth and her Nathaniel Diana Gabaldon Each time you open a book you hope to discover a story that will make your spirit of adventure and romance sing This book delivers on that promise Amanda Quick A beautiful tale of both romance and survival Here is the beauty as well as the savagery of the wilderness and at the core of it all the compelling story of the love of a man and a woman both for the untamed land and for one another Allan W Eckert Lushly written Exemplary historical fiction Kirkus Reviews Epic in scope emotionally intense BookPage *Extension Work for All Subjects* P.
