## Fire And Gold:

**Sanctified Afflictions the best of blessings; or Gold tried in the fire the finest gold** Henry EDWARDS (LL.D.),1846  
*Entire Works* John Bunyan, Henry Stebbing, 1861     *'Gold Tried in the Fire'. The Prophet Theaurau* John Tany and the  
*English Revolution* Ariel Hessayon, 2016-12-05 This is a study of the most fascinating and idiosyncratic of all seventeenth  
century figures Like its famous predecessor *The Cheese and The Worms* The Cosmos of a Sixteenth Century Miller it explores  
the everyday life and mental world of an extraordinary yet humble figure Born in Lincolnshire with a family of  
Cambridgeshire origins Thomas Totney 1608 1659 was a London puritan goldsmith and veteran of the Civil War In November  
1649 after fourteen weeks of self abasement fasting and prayer he experienced a profound spiritual transformation Taking  
the prophetic name Theaurau John Tany and declaring himself a Jew of the Tribe of Reuben descended from Aaron the High  
Priest he set about enacting a millenarian mission to restore the Jews to their own land Inspired prophetic gestures followed  
as Tany took to living in a tent preaching in the parks and fields around London He gathered a handful of followers and in the  
week that Cromwell was offered the crown infamously burned his bible and attacked Parliament with sword drawn In the  
summer of 1656 he set sail from the Kentish coast perhaps with some disciples in tow bound for Jerusalem He found his way  
to Holland perhaps there to gather the Jews of Amsterdam Some three years later now calling himself Ram Johoram Tany  
was reported lost drowned after taking passage in a ship from Brielle bound for London During his prophetic phase Tany  
wrote a number of remarkable but elusive works that are unlike anything else in the English language His sources were  
varied although they seem to have included almanacs popular prophecies and legal treatises as well as scriptural and extra  
canonical texts and the writings of the German mystic Jacob Boehme Indeed Tany s writings embrace currents of magic and  
mysticism alchemy and astrology numerology and angelology Neoplatonism and Gnosticism Hermeticism and Christian  
Kabbalah a ferment of ideas that fused in a millenarian yearning for the hoped for     **The Gold Mines of the Gila** Charles

which vanishes in toto only when supreme knowledge dawns The desiderata for the seeker of knowledge are then specified and the technique of investigation is described The distinction between self and non self the nature of superimposition the nexus between Jivatman and Paramatman the three states of consciousness the five sheaths the three bodies are all explained clearly How the Mahavakyas like Tat Tvam Asi are to be interpreted and how Brahman is to be realized as Sat chit ananda are next elucidated The logic is razor sharp and no loose ends are left anywhere So when the author concludes with the challenging declaration There is nothing more to be said or heard we gladly nod assent A melancholy interest attaches to this English translation of Laghu Vasudevamananam in that it was the last scholarly work of Revered Swami Tapasyanandaji Maharaj who has enriched our religio philosophic literature with so many admirable translations and critical notes during his long dedicated life of nearly nine decades
