

FIRE POEMS

I Do Not Love You Except Because I Love You

I do not love you except because I love you;
I go from loving to not loving you,

Fire And Ice

Some say the world will end in fire,
Some say in ice.

A Child's Christmas In Wales

One Christmas was so much like another, in those years
around the sea-town corner now...

My Love Is Like To Ice

My love is like to ice, and I to fire:
How comes it then that this her cold so great

there's A Fire Burning In My Eyes

Even the impossible can be done
because I believe it can

Ice And Fire

My love is like to ice, and I to fire:
How comes it then that this her cold so great

A City's Death By Fire

After that hot gospeller has levelled all but the church'd sky,
I wrote the tale by tallow of a city's death by fire;

Complete Destruction

It was an icy day.
We buried the cat,

Feeding the Fire Jeffrey Harrison, 2001 Third highly accessible collection by this lyric talent Brother Fire W. S. Di Piero, 2004 In this rich collection W S Di Piero seeks the spirit and substance of illumination in all its forms He finds meaning or shows us how we attempt to do so in the rituals and events that mark our year the Fourth of July Halloween New Year s Eve and in the ordinary activities of mowing dancing drinking trying to stay warm The Kiss recounts how as a young man the poet was not called to the priesthood in Prayer Meeting he recalls watching his mother iron with her hopeless routine longing and declares I wanted more than what I prayed for For all their simplicity Di Piero s direct often conversational turns of phrase reveal a world aflame with troubles with love with surprising lyrical epiphanies Didn t You Say Desire Is like the elephant fog shredded north a white sun going down Bessemers fired through clouds horizoned on my dog eared stack It feels good and right to waste earnest hours of an early evening s daylight saving time in uncertainty and want these cranky climates changing in us while we haven t started dinner yet *I Have Nothing to Say about Fire* Marjorie Saiser, 2019-09 2017 Nebraska Book Award This new collection by Nebraska poet Marjorie Saiser explores the notion of witnessing Particularly in our technological age when we have access to international news as it happens the question comes up what responsibility do individuals including those living in relatively quiet middle America have in regard to world events The poems in *I Have Nothing to Say about Fire* reference autobiographical elements marriage children parents in laws etc but they also reference global tragedy war terrorism genocide As we experience our own personal losses and triumphs what relationships should we strive for with family friends neighbors and the strangers around us particularly as their narratives push them forward into our and or the public s consciousness In this book Marjorie Saiser explores these essential questions and offers potential answers that may help all of us *A Warm Fire* Paul Jason Bartholomew, 2012-09 According to poet Paul Jason Bartholomew a poet is a conductor who arouses and awakens the dormant inner sanctum of self awareness In his poetry collection *A Warm Fire* Poems of Faith Family and Friends to Warm the Heart he uses passion and pathos as powerful motivating instruments in conducting a personal symphony to which we alone can harmonize From picking berries and apples to tapping sap for maple syrup pouring wax for fragrant candles and from warm fires on snowy nights to sledding and autumn walks the subjects of his poetry evoke a warm and happy life Grab a mug of steaming coffee and come absorb the crackle and aroma of a cozy fire in the old stone fireplace as you dive into this new poetry collection *A Warm Fire* Curved and crooked is this leaf strewn path originally made by a cow and her calf still overlaced with leafy arms like most local lanes to

local farms The road is special to my wife and me treelined sentinels for my family Tread through mud snow autumn leaves alone we built a place at its end called Home from The Lane **Fire** Wesley McNair,2002 We are delighted to continue our relationship with Wes McNair one of New England's finest poets through his newest book of poetry *Fire Poems* Helen Hoyt,1979-01-01 **Ring of Fire** Marius Alexandru,2020-07-28 Ring of Fire A collection of 160 short poems on colors of life nature hope faith and love My love for you inside the circle It's like a ring of fire burning Strong pure and kind eternal Each day each night and morning **Words of Fire** Miguel Gonzalez,2017-10-31 Words of Fire is a sophisticated and unique rendition of society and the human experience through rhythmic poetry Some poems are short though most are long Some content is light though most is heavy It touches on the subjects of politics culture gangs history identity the prison industry God racial dynamics in America the economy family and much more Although much of the content describes the problems of American society Words of Fire also offers possible solutions and lessons we can learn from mistakes that have been made

Divine Fire David Woo,2021-03-01 How to find wisdom and spiritual sustenance in a time of crisis and uncertainty In Divine Fire David Woo answers with poems that move from private life into a wider world of catastrophe and renewal The collection opens in the most personal space a bedroom where the chaotic intrusions of adulthood revive the bafflements of childhood The perspective soon widens from the intimacies of love to issues of national and global import such as race and class inequality and then to an unspoken cataclysm that is by turns a spiritual apocalypse and a crisis that could be in the news today like climate change or the pandemic In the last part of the book the search for ever vaster scales of meaning both sacred and profane finds the poet trying on different personas and sensibilities comic ironic earnest literary self mythologizing before reaching a luminous d tente with the fearful and the sublime The divine fire of lovers fading in memory shades of the men in my blood becomes the divine fire of a larger spiritual reckoning In his new book of poems Woo provides an astonishing vision of the world right now through his exploration of timeless themes of love solitude art the body and death

Margo LaGattuta Poet and Teacher OnSpring A Family of Poems 2005 thanks for sending me your touching chapbook OnSpring whose pages are heartfelt moving linguistically admirable and playful Peter Meinke Poet and Professor **Fire Lyric** Cynthia Zarin,1993 Zarin s marvelous gift for linguistic play her gentle humor and her sheer delight in imaginative stanza form and rhyme punctuate this collection and provide a relief that serves to sharpen the reflective edge of the serious poetry Robert Hosmer The Southern Review **Fire to Fire** Mark Doty,2009-10-13 Fire to Fire should solidify Doty s position as a star of contemporary American poetry The poems combine close attention to the fragile contingent things of the world with the constant almost unavoidable chance of transcendence Publishers Weekly A landmark collection of new and published works by one of our finest poets that is a testament to the clarity and thoughtful lyricism of his poems Fire to Fire collects the best works from seven books of poetry by Mark Doty acclaimed poet and New York Times bestselling author of two memoirs Firebird and Dog Years Doty s subjects our mortal situation the evanescent beauty of the world desire s transformative power and art s ability to give shape to human lives echo and develop across twenty years of poems His signature style encompasses both the plainspoken and the artfully wrought here one of contemporary American poetry s most lauded recognizable voices speaks to the crises and possibilities of our times **Flames in the Fire** Phillip Shabazz,2019-06-17 This is a spectacular body of work I don t use the word spectacular often It wrenched me inside out and reassembled me whole Shabazz naps with one eye open where suffering and courage encapsulate lifetimes of experience Be careful his poems shamelessly offer grenades in lunch boxes posed as gifts Jaki Shelton Green 2009 Piedmont Laureate and winner of the North Carolina Award for Literature One word AMAZING A powerful moving collection from a poet at the height of his powers From passionate lyrics to meditative narratives Shabazz s poems are peopled with unforgettable characters real human beings friends family revolutionaries and lost wild men lurking city streets for something more than a handful of change This book is not a confessional rather a meditation on a life lived and confirms that to be the Phoenix one must first endure the fire only then can one rise from the ashes Howard L Craft poet playwright In a world ruled by indifference in which the glimmer of past embers appear barely visible Shabazz s words remind us that if we train our eyes to listen it is obvious for all to see that from Ganazumba to Hotada Francis from the rage of loss to the reinvention of the soul from the end of a world to the building of that other world of collective love found in the sweetness of mother s cooking Black Fire lives on Alvaro Reyes Assistant Professor University of North Carolina Chapel Hill *Poems of the American Empire* Jen Hedler Phillis,2019-11-01 Poems of the American Empire argues that careful attention to a particular strain of twentieth century lyric poetry yields a counter history of American global power The period that Phillis covers from Ezra Pound s A Draft of XXX Cantos in 1930 to Cathy Park Hong s Engine Empire in 2012 roughly matches what some consider the ascent and decline of the American empire The diverse poems that appear in this book are united by their use of epic forms in the

lyric poem a combination that violates a fundamental framework of both genres relationship to time This book makes a groundbreaking intervention by insisting that lyric time is key to understanding the genre These poems demonstrate the lyric form s ability to represent the totality of history making American imperial power visible in its fullness Neither strictly an empty celebration of American exceptionalism nor a catalog of atrocities *Poems of the American Empire* allows us to see both

The Presence of Fire George Amabile,1982 *A Heart on Fire* David C. Weiss,2014-02-15 *The Poems of T. S. Eliot: Volume I* T. S. Eliot,2018-12-04 The first volume of the first paperback edition of *The Poems of T S Eliot* This two volume critical edition of T S Eliot s poems establishes a new text of the *Collected Poems 1909 1962* rectifying accidental omissions and errors that have crept in during the century since Eliot s astonishing debut *The Love Song of J Alfred Prufrock* In addition to the masterpieces *The Poems of T S Eliot* contains the poems of Eliot s youth which were rediscovered only decades later poems that circulated privately during his lifetime and love poems from his final years written for his wife Valerie Calling upon Eliot s critical writings as well as his drafts letters and other original materials Christopher Ricks and Jim McCue have provided a commentary that illuminates the imaginative life of each poem This first volume respects Eliot s decisions by opening with his *Collected Poems 1909 1962* as he arranged and issued it shortly before his death This is followed by poems uncollected but either written for or suitable for publication and by a new reading text of the drafts of *The Waste Land* The second volume opens with the two books of verse of other kinds that Eliot issued *Old Possum s Book of Practical Cats* and *Anabasis* his translation of St John Perse s *Anabase* Each of these sections is accompanied by its own commentary Finally pertaining to the entire edition there is a comprehensive textual history that contains not only variants from all known drafts and the many printings but also extended passages amounting to hundreds of lines of compelling verse

The Last Poems of D.H. Lawrence Bethan Jones,2016-03-03 In the first book to take D H Lawrence s *Last Poems* as its starting point Bethan Jones adopts a broadly intertextual approach to explore key aspects of Lawrence s late style The evolution and meaning of the poems are considered in relation to Lawrence s prose works of this period including *Sketches of Etruscan Places* *Lady Chatterley s Lover* and *Apocalypse* More broadly Jones shows that Lawrence s late works are products of a complex process of textual assimilation as she uncovers the importance of Lawrence s reading in mythology cosmology primitivism mysticism astronomy and astrology The result is a book that highlights the richness and diversity of his poetic output also prioritizing the masterpieces of Lawrence s mature style which are as accomplished as anything produced by his Modernist contemporaries
